Many Attend Band Concert At Summerside

A very large crowd of people turned out last evening to hear a band concert on Memorial Square, Summerside, by the R.C.A.F. Training Command band from Trenton, Ont. The weather had been threatening all day with showers at intervals but just before concert time it cleared off and, although a few drops of rain fell at one time, the concert went off without interruption. A band concert is quite a treat for the residents of Summerside for this otherwise progressive town is without a band of its own. All the numbers played were heartily applauded and the crowd would have enjoyed more. The band is under the command of F/O E.D. Ed. MacLean and W/O I. C.O. Hunt is band master. The matter is under investigation by Summerside police.-S.

S'Side Jewellery Store Entered

An early morning daylight break at the jewellery store of Mr. Wallace Moase on Water Street, Summerside, yesterday netted the Misses two watches, a ring and a strand of pearls as far as can be ascertained by police. The break was achieved simply by breaking the glass in show window and reaching in for the merchandise. The broken window was discovered by Mr. John Arthur at 8:30 yesterday morning who informed the police. Everything had been in order when Mr. Moase had patrolled there about six o'clock. The value of the merchandise stolen is in the vicinity of \$100. No sign of the instrument used to break the glass was found and apparently it was not a professional job as there was no indication that any precautions had been taken to prevent noise. The matter is under investigation by Summerside police.-S.

Prince County Hospital Annual Meeting Held

The annual meeting of the Prince County Hospital was held last evening with only a small attendance of board members and the public. The president of the board, Mr. W. E. Darby, who presided, commented on this small attendance and said that, "One would think with more of a public would be interested in the affairs of the hospital."

This was the 39th annual meeting of the Prince County Hospital held in the hall of the Western Hospital. The report (which will be carried in full later) stated that the work on the new hospital has been resumed.

He said, "It was felt that the public would probably prefer that the work be carried on by local contractors and after some negotiation with Foundation Maritime Co. Ltd., the earlier contract with them was cancelled upon the payment of a reasonable commission for the work already done. The firm of M. F. Schurman Co. Ltd., have been selected as the contractors for the erection of a new building and I am happy to say that the work of construction has already commenced."

Mr. Darby paid a special tribute to the fine work done for the hospital by the Ladies Aid, the Okto Club and the Kensington Ladies Aid.
