A Gift he will appreciate!

NO matter what kind of a razor a man uses now he will welcome and enjoy the clean shaves he will get from an AutoStrop Razor. He will like the self-stopping device that gives him a fresh new shaving edge each day; he will be glad of the simplicity that enables him to clean his AutoStrop Razor without taking it apart; above all, he will be apt to boast of the way in which the AutoStrop blade removes his tough barbed-wire beard (and he's secretly proud of that, you know) without the slightest pull or irritation. Every day of his life he will have reason to be grateful for his AutoStrop Razor—a gracious and continual reminder of your thoughtfulness.

On sale at all drug, jewelry and hardware stores, the AutoStrop Safety Razor is priced at \$5 and up, for razor, strop and 12 blades. Ask to see the complete assortment.
