Gained 15 Pounds

TANLAC HAS CERTAINLY BEEN A WONDERFUL THING FOR ME," HE SAYS. Dennis Purcell, a life-long resident of Portuguese Cove, Nova Scotia and post master there for the past twenty years, called at Kinley's store in Halifax and made a statement regarding the merits of Tanlac that will be of interest throughout Canada. "Not in years," said Mr. Purcell, "have I enjoyed such good health or felt so well generally as I do since taking Tanlac. My stomach had been giving me trouble for seven years and this is the first medicine I have been able to find that suited my case or did me any good. For weeks at a time I could not eat a square meal and what little I did force down always gave me indigestion the worst kind. My stomach was sour all the time and I would bloat up with gas until I could hardly breathe. This gas would press on my heart and bring on such awful smothering spells that I would have to get out of bed at night and walk the floor. My stomach would burn as if I had eaten fire and I would have the sharp, cramping pains that I could hardly stand. I was habitually constipated, and I mean taste in my mouth, and would get so dizzy at times that I would almost fall on the streets. I had no appetite, nothing tasted right, and if I ventured to eat anything except some thing very light I would just suffer agony. For the past five years, especially, my stomach has been in an awful fix and hurt me so bad many a day that I simply couldn't do a job of work. "At the time I began taking Tanlac I had fallen off fifteen pounds in weight, but I have gotten back every pound already and have just finished my third bottle of Tanlac. One day I happened to see the statement of a man I have known for years, telling how Tanlac had helped him, so I began taking the medicine myself and the results are I am just like a new man. I eat three rousing meals a day, enjoy them all, and all the stomach misery had disappeared entirely. In fact, I haven't a pain or an uncomformable feeling of any kind, and I sleep soundly every night and always get up in the morning feeling great. All that tired, worn-out feeling has left me and I am now on the job every day. Tanlac has certainly been a wonderful thing for me and it's a pleasure for me to recommend it to anyone. Tanlac is sold in Charlottetown by Reddin Bros., in Montague by H. J. McAlbin, in Georgetown by Seymour C. Knight, in Souris by James G. Ferguson, and in Kensington by Kier & McFadden.
