A VERY enjoyable "Measuring Party," given under the auspices of the Mission Band of the Methodist church, was held at the home of John Wilkinson, Alberton, on Thursday evening, March 5th. Quite a large number of guests were present, and in every respect the occasion was a most delightful one. A recitation and solo by Miss Carrie Pridham, a recitation by Mrs. W. J. Howard, and a solo by Lyman Leard, were among the pleasing features of the evening.

A VERY pretty home wedding took place on Wednesday evening March 4th at the residence of William and Mrs. Burdett, Dundas, when their daughter Mary S. was united in marriage to George A. Mellett son of John Mellett of Little York. The ceremony was performed by Rev. W. Wass in the presence of a large number of relatives and friends of the contracting parties. The bride looked lovely in a crown of white organdie trimmed with lace and flowers and was attended by Miss Janie Smith of New Perth, the groom being supported by H. A. Burdett. The many costly, useful and beautiful presents showed the popularity of the happy couple. Mr and Mrs Mellett leave this Province on Tuesday for their future home in Winnipeg. The bride has been organist of the Methodist Church for the last two years and her departure will be a great loss to the community.

A DESPATCH from Pictou says the Stanley and Minto rounded Cape George and are in Antigonish Bay. The only hope now is to get the Stanley free to take care of the Minto. Their next move depends upon wind and weather. A gentleman well said this morning that the Minto would be in danger of going on the Gulf shore.—Halifax Echo.

OBITUARY.—The death of Mrs Daniel MacRae of Tea Hill, Lot 49, which occurred on the morning of the 2nd inst, has cast a gloom over the community in which she lived. The illness of deceased was of short duration. Everything that medical aid and kind hands could do was done to restore her to health, but He who knows what is best willed otherwise. With the eye of faith the bereaved saw the other side of the cloud illumined with the light of that city which needeth not the light of the sun and to which the loved one has gone, for they sorrow not even as others which have no hope. She leaves a husband, one son, three daughters, two brothers, and two sisters, to mourn the loss of an affectionate wife, a kind mother, and a loving sister. Deceased was a daughter of the late Stephen McEachern of Hazelbrook, Lot 48, and was in her forty ninth year. The funeral was one of the largest ever held in this vicinity, thus showing the esteem in which she was held by those around her. The services were conducted at the house by the Rev. Daniel McLean, assisted by the Rev. O. B. Emery, and at the grave by the Rev. J. E. Spurr. Deceased was for many years a consistent member of the Kirk and has left behind her a name which shall not soon be obliterated from the minds of those with whom she came in contact. "Souls that of His own good life partake He loves as his own self: dear as His eye They are to Him: He'll never them forsake When they shall die, then God Himself shall die They live, they live in blest eternity."

THE FEAR OF HUMBUG.
Prevents Many People from Trying a Good Medicine.
Stomach troubles are so common and in most cases so obstinate to cure that people are apt to look with suspicion on any remedy claiming to be a radical, permanent cure for dyspepsia and indigestion. Many such pride themselves on their acuteness in never being humbugged, especially in medicines.

This fear of being humbugged can be carried too far, so far, in fact, that many people suffer for years with weak digestion rather than risk a little time and money in faithfully testing the claims made of a preparation so reliable and universally used as Stuart's Dyspepsia Tablets.
Now Stuart's Dyspepsia Tablets are vastly different in one important respect from ordinary proprietary medicines for the reason that they are not a secret patent medicine, no secret is made of their ingredients, but analysis show them to contain the natural digestive ferments, pure aseptic pepsin, the digestive acids, Golden Seal, bismuth, hydrastis and nux. They are not cathartic, neither do they act powerfully on any organ, but they cure indigestion on the common sense plan of digesting the food eaten, thoroughly before it has time to ferment, sour and cause the mischief. This is the only secret of their success.
Cathartic pills never have and never can cure indigestion and stomach troubles because they act entirely on the bowels, whereas the whole trouble is really in the stomach.
Stuart's Dyspepsia Tablets taken after meals digest the food. That is all their is to it. Food not digested or half digested is poison as it creates gas, acidity, headaches palpitation of the heart, loss of flesh and appetite and many other troubles which are often called by some other name.
They are sold by druggists everywhere at 50 cents per package.

NO MORE EMIGRANTS.

OTTAWA, March 4.—The Allan Steamship Company has notified its continental bookers to decline further booking of emigrants for Canada. The order has raised an outcry among the agents on the continent, as 5 000 emigrants at Rotterdam, and hundreds at Libau, Russia are awaiting to embark for Canada.

SCORES OF USES.

While Dr. Chase's Ointment is best known on account of its wonderful control over eczema, salt rheum and piles, it is found to be in almost daily demand in many homes as a cure for children, chafing, pimples, sunburn, burns, scalds, and each and every form of itching, irritated or inflamed skin. It is invaluable in every home and as a soothing and healing application known no equal.
