LONDON, April 27—(CP)—Canadian Army boys can have the run of Luton Town anytime they get up that way. The populace would place them on a par with the best amateurs in Britain anytime.

Luton ring fans had a good glimpse of the Canadians in action when a Dominion team took on a visiting bunch from the Royal Electrical and Mechanical Engineers and won the tournament by the slim margin of one point.

Tom Settle, full-blooded, irascible, and a bit of a Sisk, drew plenty of attention with a two-listed attack from the opening bell. The referee stopped the bout in the second round because of a fight between the two.

Canadian Boxers Fail In Army Tourney

By ALLAN NICKELSON
Canadian Press Staff Writer

LONDON, April 27—(CP)—The ringlights were on. The crowd was all set and it looked perfect for a "Canada Night" at the Queensberry Club. Then came the upset as four of the best boxers in the Canadian army dropped one bout after another.

Two of the Canadians were champions of the British and Canadian armies while the others were Canadian army titlists and runners-up for the British crowns. They fought as members of a British army team against a group of peacetime policemen now in the armed forces.

The beaten double champions were Jimmy "The Giant" Fairs, a negro heavyweight from Liverpool, N.S., and L. Cpl. Roddy MacDonald of Edmonton. The others were Tpr. Danny Webb, Montreal, negro flyweight, and Pte. Billy Buxton of Victoria.

Fairs gave the worst display of his career. He was punched all around the ring by a hefty Royal Navy steward from Derby, W. H. Beddow, former Derby police champion. The referee stopped the slaughter in the second round with the 220-pound Fairs, a one-time stevedore, bleeding and groggy.

MacDonald suffered his first defeat in more than 60 fights. An orthodox type of boxer, he lost by a slim margin to Sgt. Inst. R. C. Thomas, Amateur Boxing Association middleweight titleholder. The Canadian put in some hard bashing in the last two rounds but Thomas won on the basis of an early start.

By keeping Webb from landing his hard punches that have accounted for many knockouts, D. L. Sullivan of Slough earned a points decision.

Buxton, Canadian army lightweight king the last two seasons, lost by a narrow margin to Stan Hibbert, game like ringman who underwent five operations on a crippled leg as a small boy so that he could box. Now he's one of Britain's outstanding amateur lightweights.

League Leading Dodgers Defeat Phillies 4-2

NEW YORK, April 27—(AP)—The track-minded Phillies won the first race, but lost their home opening ball game in Philadelphia to the National League leading Brooklyn Dodgers, 4-2, before 4,291 at Ebbets Park today.

The foot race-terminated Australian pursuit race by youthful 33-year-old Phil's owner William D. Cox—was apt of the pre-game ceremonies dampened by inclement weather.

The Phils started in a big way, Danny Murtaugh reaching first on an error and racing to third on Ron Northey's single. Here the game was called for 17 minutes.

When play resumed Wyatt struck out Danny Litwiler, Babe Dahlgren and Earl Naylor in succession. Murtaugh and Northey worked a double steal, however, as Litwiler fanned to take a one-run lead.

Schoolboy Rowe got out of trouble in the first, but gave up a run in the second. In the third Arkie Vaughan was safe on an error, reached second on an infield out and came home on Ducky Medwick's single. In the fourth Wyatt singled to drive in Glossop.

They added another run in the ninth when relief pitcher Ed Jabara, when Merrill Mays fumbled Paul Waner's grounder with Mickey Owen on third.

The Phils got their other run in the seventh. The "Giant" Steve Denny, batting "right" in the first, but gave up a run in the second. In the third Arkie Vaughan was safe on an error, reached second on an infield out and came home on Ducky Medwick's single. In the fourth Wyatt singled to drive in Glossop.

Red Sox Stop N.Y. Yankees 5-1; Russo Is Wild In First Start

NEW YORK, April 27—(AP)—Red Sox opened their Fenway Park season in Boston successfully today by stopping the hitless unbeaten New York Yankees 5-1.

But it was a confusing ball game, the 6,895 customers saw after Gov. Leverett Saltonstall, a southpaw, had tossed out the first ball.

The American league champions made 12 hits, yet might have been shut out by Tex Hushion except for a three-base error by rookie centerfielder Ford Garrison in the ninth inning.

On the other hand the Red Sox were held to six infelicitous but used them to make four runs before the sixth inning.

Russo, who had a lame arm last season and was making his first start since August, was wild and gave seven walks and hit a batter during his stay on the mound.

Altogether the Yankees left 14 runners stranded, the Red Sox 12. In Chicago, the so-called "dead" ball came back to lead a "double" as Cleveland Indians pounded out five two-baggers, including
