This Man Dropped Suddenly Dead From Heart Trouble.

Everything Depends Upon Your Heart.

If you wish to live long, if you wish to avoid sudden death—you must attend to your heart. You must see that it beats properly. If your heart flutters or palpitates or skips beats—you are in danger of sudden death. If you suffer from shortness of breath or tenderness or pain in the left side—it is your heart that is going back on you. If you ever feel dizzy or faint or have spots before your eyes, if you sleep poorly, if you have dreams at night, if you find it painful to sleep on the left side, if your feet and ankles are swollen it means that your heart is bad and needs immediate attention. Remember, IMMEDIATE attention. Delay is dangerous. However, if you suffer from heart trouble it need not frighten you for we have the cure, not only the relief but the cure.

Grossman's Heart Tablets

These tablets are the result of years of research and experimenting and we can assure you that we have truly discovered the cure. Thousands of people saved from sudden death is the proof. Thousands of people die suddenly from heart failure because either they have not heard about our Heart Tablets or because they are too stingy to spend the small sum of \$1.00, which is the cost of these "life savers". Now, it is up to you if you are suffering. Relief and cure is yours if you will only send for a bottle of GROSSMAN'S HEART TABLETS now, at once. ONE DOLLAR WILL DO IT. WORK. Address your orders to

THE PRINCE COUNTY GUARDIAN

Offices in Summerside, John Dickieson Agent, and in Alberton, Herbert Clark, Agent.

—The latest news, first of all.
—Dr. Ross, Alberton, went to Charlottetown yesterday.

—Service will be conducted in the Methodist Church at Freetown next Sabbath at 3 p. m.

—Five speedy horses left Summerside by the special, yesterday, to take part in the races at Tignish.

—The schooner Lizzie Catherine after being thoroughly overhauled and repaired, put out to sea again yesterday.

—Wait till the entries to the Tunnel Park races appear before making an engagement for a day's outing elsewhere.

—Next Sunday, July 18th, the Rev. James Ramsay M. A., New Glasgow, N. S., will preach in Malpeque at 11 a. m., and Rev. A. D. Sterling B. A., at 7.30 p. m.

—Rev. L. J. Wasco, lectured Thursday night in Evening Brook hall, Pisquid hall, Pisquid, in aid of the fund to reimburse Rev. R. G. Sinclair for his expenses in his late libel suit.

—The Sunday Schools of the different congregations of Bequeque held a picnic on Tuesday on the farm of Jessie A. Wright, North Bequeque. There was a large gathering and all enjoyed themselves immensely.

—Everybody is asking about the great race-meeting at Cape Traverse, and everybody is coming, for special accommodations reach all parts of the island at special reduced fares. Come and see friends if nothing else.

—By the large number of farmers from the different parts of the country present at the meetings of the farmers' institute, held in Summerside on Tuesday. It showed plainly the deep interest taken by them in advance farming in this Province. The different resolutions as already published in The Guardian were discussed and passed unanimously with but little change.

—A street lamp on the corner of Hemlock and Railway St., Summerside was 23 nights without light during the month of May last and on six nights during the present month. It looks as though a light was not needed in that locality as the people do not complain about the darkness. Why not have this lamp moved to some place where it would be appreciated and reported when out of order.

—At an early hour yesterday morning the residents of Bloomsfield were startled by the cry of fire and rushing through the village they discovered that a new store belonging to Hon. Benj. Gallant was ablaze. Mr. Gallant was the first to see the fire, which started in the rear of the building but which had gained too much headway to be overcome till the entire store with its contents was burned to the ground. The loss is heavy, the insurance being small. A warehouse near the burning store caught fire a number of times, but the fire was beaten back and thus Mr. Gallant's residence and possibly the whole village, was saved.

—Remember the race meet at Tunnel Park.

—Geo. G. Henry, Victoria West, was in Summerside yesterday.

—The Empress arrived in Summerside at six fifty, with seventy-five passengers. She had sixty passengers going outward.

—John Archy McDonald, Edmonton, formerly of Summerside, arrived last evening on a visit of two weeks to friends in Summerside.

—There were ninety tickets sold at the Summerside station, yesterday, to passengers going by the special train to Tignish to attend the races.

—Don't miss a fine outing. Take a trip via the Bequeque, spend an afternoon, have a clam bake and a bath on that beautiful shore.

6-30dmw81pd.

—The branch office of the Charlottetown Guardian will be found on Water Street, Summerside, directly opposite the Railway Station. John Dickieson is the agent. 3-11drff.

—Come to the picnic and strawberry festival on the Presbyterian Church grounds, Alberton, on Tuesday afternoon and opening the 20th July. The Ladies' Brass Band of Alberton will be in attendance. A pleasant time is assured.

—A little girl walking along the street in Summerside, yesterday, held a large live clam in her hands. Around her neck was a string of pearls. The clam opened its mouth and took in two of the pearls from the string, placing them on the inside of its shell, then finally closing up again. All pearls found in shell fish do not grow there.

—Spavinoff, a guaranteed cure or money refunded. If this remedy don't prove a positive cure for spavin, splints and all enlargements, it is because you don't follow directions.
