**Most Canadians Have Catarrh**  
Our Changeable Climate is Responsible.

Where the atmosphere is damp, with sudden changes in temperature, almost everybody has Catarrh, in some form or other. The ordinary cold in the head inflames and weakens the membranes lining the nose and throat, and starts a discharge. The next cold is more easily caught, and soon the patient is never quite free of it.

As Catarrh develops the discharge increases—drops into the throat, especially at night—and takes on an offensive odor. Besides being exceedingly disagreeable, there is great danger of the disease extending to the lungs, stomach, or bowels.

Though it is very difficult to cure, Father Morrissey devised a combined internal and external treatment that has cured thousands. The Tablets tone up and invigorate the system, and assist Nature in throwing off the disease, while the salve, applied to the nostrils, clears out the discharge and heals the membranes. Combined treatment, see at your dealer's, or from Father Morrissey Medicine Co., Ltd., Chatham, N.B.

**YOUR BACKACHE WILL YIELD**

**To Lydia E. Pinkham's Vegetable Compound**

Rockland, Maine.—"I was troubled for a long time with pains in my back and side, and was miserable in every way. I doctored until I was discouraged, and thought I should never get well. I read a testimonial about Lydia E. Pinkham's Vegetable Compound, and thought I would try it. After taking three bottles I was cured, and never felt so well in all my life. I recommend Lydia E. Pinkham's Vegetable Compound to all my friends."—Mrs. Wm. W. Corry, 6 Columbia Avenue, Rockland, Me.

Backache is a symptom of female weakness or derangement. If you have backache, don't neglect it. To get permanent relief you must reach the root of the trouble. Nothing you know of will do this so safely and surely as Lydia E. Pinkham's Vegetable Compound. Cure the cause of these distressing aches and pains and you will become well and strong.

The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has restored health to thousands of women.

Mrs. Pinkham, of Lynn, Mass., invites sick women to write her for advice. She has guided thousands to health free of charge.
