MINING

(Canadian Press)

TORONTO, Feb 15—All metal stocks displayed strength in active trading in the mining section of the Toronto Stock Exchange and oils also had some buoyant issues. Silver stocks featured the morning trading with substantial gains but profit-taking shaded prices in the afternoon. Base metals however came to the front in the last hour to give the market a strong close. Volume was close to 2,000,000 shares.

Hudson Bay was in good demand late in the day and the price advanced 75 cents to 10.75. Noranda added 25 cents, Base Metals Corporation 7 cents, Sudbury Basin and Shegrit 3. White Amulet closed down 2 cents. In the silvers profit-taking was too active for Eldorado and that issue was carried back 15 cents to 3.72. Premier traded 31,000 shares and gained 6 cents to 1.34 Bear advanced 4 to 68, White Eagle 1¼ to 39½ and Pend Oreille 4 to 1.13. Mining Corporation lost 3 and Nipissing 4.

MONTREAL, Feb 15—Foreign exchange currencies moved narrowly higher on Montreal Foreign Exchanges today with the pound sterling and the French franc showing small gains and the United States dollar holding unchanged from yesterday.

The pound closed at the day's high of $5.10 5-16 where it showed a gain of 2½ cents. The franc advanced .01 cent at 6.59 cents. Holding at ⅛ per cent premium throughout the day. The United States dollar closed at that figure, unchanged.

(Canadian Press)

NEW YORK, Feb 15—Sterling touched its highest point in a month in the foreign exchange markets today while the Canadian dollar entrenched itself at the level at which it has been stationary since the beginning of February.

The Dominion dollar was steady at a discount of ⅛ percent. It has not varied more than ⅛ from that figure in two weeks.

Sterling continued to creep higher and its top for the day was $5.06, the highest since Jan. 17. The final rate was $5.06⅝ up 2⅜ cents net.

The French franc, closing at 6.60 cents was up .00½ of a cent.

GRAIN

(Canadian Press)

CHICAGO, Feb 15—Higher prices for wheat today accompanied Washington's unofficial intimations that the proposed restrictive national grain exchange code and the stock exchange code would be modified.

Increased selling on resting orders developed on bulges in the wheat market, however, and provided sufficient to hold advances in check. On the other hand, some attention was given to disturbing aspects of the political situation in Europe and the far East.

Wheat closed firm at the same as yesterday's finish to ¼ higher, corn unchanged to ⅛ off cents ¼-¾ down, and provisions 7 to 12 cents up.

WINNIPEG Feb 15—Wheat prices scored net gains of ⅛ to ¼ cent on the Winnipeg Grain Exchange today, firming under the influence of steady outside markets.

May wheat closed at 69¾ with July at 69⅝ cents. Operations were slim in volume with no buying or selling of note. Little export business was reported worked from the Pacific coast, but the movement was scarcely a factor in the price tendency.

Export interests and commission houses supplied scattered buying orders, while most of the light selling appeared to be hedging of farm deliveries.

Overseas news was more encouraging with Liverpool wheat firm and Russian wheat export down to a low figure. Soviet clearances from Black Sea ports this week amounted to only 400,000 bushels and Danubian countries added but 36,000 bushels to this total.

Argentine clearances were estimated at about 4,260,000 bushels considerably below shipments during the corresponding week a year ago.

Cash grains trading was dull. Coarse grains were irregular and closed fractionally down.

PRODUCE

MONTREAL, Feb 15—Prices held firm at the week's slight reactions on the Montreal dairy and produce markets today. The general wholesale market for graded shipments in carlots or less of fresh eggs was quoted at 30 cents a dozen for A large, 27 cents for A medium and 26 cents for A pullets, with a few sales reported a cent higher on the first two grades. Arrivals amounted to 1,136 cases compared with 1,469 cases last Thursday.

The butter market was steady at unchanged levels, the general market for No 1 being 27 cents a pound. A total of 790 boxes was offered for sale during the day.
