ONE of the most highly prized souvenirs at present owned in Summerside, is spily o' heather, received yesterday morning, by Mr. John A. McKay from Rev. R. B. McDonald, who has just returned from his trip through Europe, and who, during his trip through Scotland, had picked the bonnie bunch with his own hands.

THE steamer Elliott made her regular weekly trip from this port to Sydney yesterday, taking away a fair miscellaneous freight, consisting of household furniture, three truck waggons, one buggy, a horse and cow from Tignish; potatoes and vegetables shipped by Mr. James Birch, and building material by Messrs. Brace, McKay & Co.; dressed lumber by Schurman Lefurgey & Co.; potatoes and vegetables by Wright Bros., and a quantity of sundries.

Revs. R. B. McDonald, Rustico, and A. J. McDonald, Fort Augustus, returned Tuesday evening from a three months' visit to Europe. They spent a most agreeable holiday visiting the most important points in Ireland, Scotland, England, Belgium, Germany, Switzerland, Italy and France. They attended the Passion Play at Ophemmagan and the Paris Exposition. The latter, notwithstanding the many contradictory reports, they affirm was a magnificent success, even Americans with whom they travelled admitting the superiority in point of architectural beauty of the exhibition building over those of the World's Fair in Chicago. In fine arts also the Paris Exhibition conspicuously surpassed its American rival.

Itching Piles

A Fearfully Bad Case—Much Pain and Acute Misery from the Terrible Itching—Cured by Dr. Chase's Ointment.

It is doubtful if any remedy ever received so much grateful, unsolicited testimony as Dr. Chase's Ointment. The reason is not far to seek, for it is the only preparation known to man which never fails to cure piles.

Mr. F. G. Harding, a retired farmer, living at Niles town, Middlesex county, Ont., writes as follows:—"I have been troubled with bleeding and itching piles for four or five years, and suffered intense agony at times. I had tried almost everything, but could get nothing that would give relief. On hearing of Dr. Chase's Ointment I procured a box, and it only required part of it to completely cure me. I am recommending it to all afflicted as I was."

Such incontrovertible evidence from responsible persons cannot, for a moment, be doubted. A few applications of Dr. Chase's Ointment will convince the most skeptical of its wonderful healing and soothing influence. A box or two will positively cure the most severe case of piles; 60 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto.

A TEMPLE BURNED DOWN.

PEKIN, August 28, via Shanghai September 8.—A fire occurred last night in a pagoda where a company of British and American heliograph operators were at work. When the smoke of the fire was first discovered efforts were made to extinguish the flames, but they proved futile and the large wooden structure was totally destroyed. The origin of the fire is unknown.

CITY & COUNTRY NEWS

Scarlet fever is reported in Panmure Island.
SHIPPERS for Sydney are reminded that the steamer Elliott sails at noon to-day, (Thursday).
THE Queen's County Rifle Association will hold their annual Prize meeting on Wednesday, Oct. 3rd. Matches will commence at 1 p. m.

THE Tupper Club held its weekly meeting in their rooms, Kent Street, Tuesday night. Mr. Dawson occupied the chair. There were short addresses from many Conservative politicians belonging to the club. The audience which filled the entire hall and ante room was enthusiastic and repeatedly cheered the various speakers. The candidate Mr. Stewart is absent in the country and was not present. The meeting adjourned about ten o'clock.

YESTERDAY afternoon, Vernon River School was a scene of sorrow on the occasion of the departure of Misses A. M. Carver and S. J. McIsaac, the popular and successful teachers of the graded school of that place. A half holiday having been given the pupils, they, together with their parents and friends assembled on the lawn, where the autumnal afternoon passed all too quickly upon the shores veiled in games, laughter and conversation. Lunch, prepared by the young ladies of the community, having been partaken of, all adjourned to the Principal's department to bid farewell to and offer best wishes for the future prosperity of the talented ladies who have so faithfully discharged their duties in scholastic and social life. The teachers were each presented with an address and gift, that of the Principal, Miss Carver taking the form of a beautiful and costly writing desk, while Miss McIsaac was the recipient of a purse of gold. In reply to the kind address, Miss Carver thanked all.

FUR FASHIONS.

A pronounced Fur Season at hand.
Fur Garments and Furs of every disposition to be the rage.
What Sentner McLeod & Co. are doing for wearers of Furs.

The woman has yet to be born who has not a fondness for beautiful Furs, and it is therefore natural that the phase of fashion should interest and fascinate all womankind.

For a woman to possess that most comfortable of all outer garments, namely, a Fur Jacket or Cape, is to be the admired and envied of her sex. Hence the universal interest which Fur topics excite among fashion followers.

Among the fashionable Furs this season at Sentner McLeod & Co. are Ladies' Jackets in Persian Lamb, Grey Lamb, Bokhara, Electric Seal, Astrakan, Raccoon, China Mink, Wallaby, Wombat, Siberian, Bear, besides some lovely Jackets in combinations of Persian Lamb, with Mink and Sable Trimmings, also Mink Jackets with Persian Lamb and Seal Trimmings.

Sentner McLeod & Co. are showing capes in Persian, Seal, Bokhara, Astrakan, Raccoon, Blue Opposum, Wallaby, Wombat, Grey Lamb etc.

In Fur lined Garments they show a very large variety in Silk Brocade and plain cloth covering and lined with Squirrel, Hemster and Calings, trimmed with Sable Blue Fox, Blue Opposum, Black and Colored Thibits.

Sentner McLeod & Co. are showing the greatest assortment of Fur Colours in various combinations of Fur.

If every woman young and old, does not possess a fashionable Fur Neck-piece, with a cluster of tails this winter, it will not be due to any lack of variety in Sentner McLeod & Co.'s stock or prices.

This firm is the largest Fur dealers in the Province, and they are going to make a show at the Provincial Exhibition. Their Fur Rooms are worth a visit.
