A Good Range Made Better!

That's the ENTERPRISE MONARCH STEEL RANGE for 1909. It was always the best of its class on the market, but in the new pattern it has beaten its own record and is now the house-keeper's ideal of a Perfect Kitchen Range, embracing as it does

EASE OF MANAGEMENT,
ECONOMY IN FUEL,
EFFECTIVE OPERATION,
EXCELLENCE IN DESIGN.

In addition it is as durable as the most expensive steel range offered. There are a few steel ranges cheaper than the MONARCH, and many more much dearer, but when the careful purchaser decides on the MONARCH, it is because the value is in it for every dollar invested.

Examine it and see for yourself. Sold by reliable dealers everywhere. If your stove man does not handle it, write for illustrated circular and name of nearest agent—to
