

# A SOFT LEATHER

One of the 14

A horrible thing is coarse, brittle, hard leather, and most of it answers to that description. It rubs the tender feet of the gentler sex into blisters, corns, etc. It will almost blister a horse's hoof.

The Dolly Varden Shoe is made from a soft silken leather. Arduous and costly experiments resulted in "Velvete" Kid, a leather as soft as velvet but as tough and unwear-outable as cowhide. It is not frail and papery, but firm and silky.

The counters and uppers of all Dolly Varden Shoes are made exclusively of this cloth-like leather, which can be found in no other feminine shoe in the world, as we control all rights, while the soles are of oak-tanned cowhide, the pliant and wearing qualities of which are widely known.

The Dolly Varden store will gladly show you this soft shoe, which is as comfortable at the first fitting as at the last wearing. Purchasers or investigators equally welcome. \$4.00 to \$5.00 in Canada and the States. Every pair Goodyear welted.

### SUNAYSCHOOL LESSON

APRIL 26.

JESUS TEACHES HUMILITY

John 13: 1-20.

Memorize verses 3-5.

GOLDEN TEXT:

"A new commandment I give unto you, that ye love one another even as I have loved you."—John 13:34.

EXPLANATIONS:

Verse 1. Now before the feast of the passover—The words give a date or chronological setting to the entire narrative which follows. His hour—The divinely appointed time for his passion and death. Until this time arrived, however, all plots against his life on the part of his enemies were necessarily futile. Having loved his own—His disciples and followers; those who had believed on him. Unto the end—Marg., to the uttermost.

2. During supper—Probably during the earlier part of the meal. All three evangelists speak of a supper as the passover meal, for which due and special preparation had been made. While John, on the other hand seems to distinguish this supper from the regular passover feast, which on the day of the crucifixion was still to be eaten (comp. John 13:29; 18:28; Matt. 26:17-30; Mark 14: 12-26; Luke 22:7-30). The words of Jesus recorded in Luke 22:15, 16: "I have desired to eat this passover with you before I suffer," perhaps gives us the key to the reconciliation between the Johannine and synoptic narratives at this point. Having already put into the heart—Luke connects this with a specific agreement between Judas and the Jewish authorities to betray Jesus (Luke 22:2).

3. Jesus—The same which, as the italic indicates, does not occur in the Greek, is necessarily supplied in the English sentence. Came forth from God—His subsequent humiliation in full knowledge of his origin, his authority, and his return to the Father.

4. Layeth aside his garments—His loose outer mantle together with his girdle, both of which would be in the way of performing the act of service which followed.

5. Began to wash the disciples who a few moments before had been quarrelling among themselves over the question, "which of them should be accounted the greatest?" (Luke 22:24).

6. Cometh to Simon Peter—In regular order, having begun, doubtless, with the disciple nearest him. Dost thou wash my feet?—With emphasis upon the pronouns thou and my. The clause apparently suggests an objection on the part of Peter to receiving this humble service at the hands of his Master.

7. What I do—Lit., am doing. Thou knowest not now; but thou shalt understand hereafter—The two verbs are intentionally different, the latter referring to a deeper, fuller knowledge.

## GIRLS WHO WORK

Girls who work for their living are especially exposed to the dangers of organic feminine disorders. Standing all day, or sitting in cramped positions; wading to and from their places of employment in bad weather all tend to break down their delicate feminine organism.

No class of women are in need of greater assistance, and thousands of letters like the following demonstrate the fact that

### LYDIA E. PINKHAM'S VEGETABLE COMPOUND

restores the feminine system to a strong, healthy, normal condition. Miss Abby F. Barrows, of Nelsonville, Ohio, writes to Mrs. Pinkham: "I was very sick, had dull headaches, pain in my back, and a feminine weakness. I had been to several doctors and they did me no good. Lydia E. Pinkham's Vegetable Compound made me well and strong, and I can do most any kind of work. I am in better health than I ever was, and it is all due to your medicine."

Miss Lillian Ross, of 530 E. 84th St., New York, writes to Mrs. Pinkham: "I had a female trouble, nervous headaches, and was tired all the time, and could not sleep. Lydia E. Pinkham's Vegetable Compound made me feel so much better that I hope every woman who suffers as I did will try it."

### FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for feminine ills, and has positively cured thousands of women. Why don't you try it?

Mrs. Pinkham, Lynn, Mass., invites all sick women to write her for advice.
