### St. Paul's Sunday School Annual Picnic

St. Paul's Church Sunday School annual picnic was held yesterday afternoon at the beautiful summer home of Hon. George D. and Mrs. DeBlais, Dalvay. The weather was perfect and a large number of children and parents were present. Transportation was provided by members of the congregation, and the Laymen's Association of the Church who provided the picnic and all the good things that went with it and left nothing to be desired. There was an abundance of ice cream and everything good that a child could wish for. Running races were held which were keenly contested and prizes were presented to the winners after which the children sat down to a bountiful supper which was provided by the ladies of the congregation. Parents who attended brought their own baskets. The officers, teachers and children of the Sunday School wish to extend to Hon. and Mrs. DeBlais their sincere thanks in offering their beautiful grounds for the picnic, and also wish to thank the Laymen's Association for providing such a good time for all present. The following are the winners of the various races.

### Finds Way Out Of Woods After Wandering 8 Days

MINTO, N. B., June 29 — (CP) — Cecil Whitlock, 22, missing from his home at Penniac for eight days.

He told of sleeping at night and travelling in daylight. Although ragged and scantily clothed when he reached the home of Thomas Albright, he carried a 25-pound bundle of blankets and kitchen utensils. Ravenous after his eight-day fast, he cleaned out the Albright larder. "I prayed hard all the time and my prayers saved me," said Whitlock.

Albright drove him to New Zion, near Minto, and notified R. C. M. P., who brought the young man to Dr. G. A. Anderson for an examination. He remained in care of police tonight and will be taken home in the morning.

### K. Of C. Juniors Boost League Lead With 8-0 Shutout Over Vics

#### Junior Game Scheduled Here This Evening

The last postponed game of the early Junior Baseball League schedule will be played tonight at the Park when the Kinsmen and the Vic Juniors tangle on the Memorial Field diamond. Game time is set at 8:45 and fans who are in attendance will likely see a good brand of ball by the two teams. In their last meeting the teams fought to a disputing six-all tie. Both will be out tonight seeking a win. Starting pitchers will be Cliff Ready for the Vics and probably "Gump" Gillis for the Kinsmen. Gillis does not start for the Kinsmen. Garth Crockett will toe the rubber in an effort to give the last place Kinsmen team a victory.

### Halifax Girls Baseball Team To Play Here

It was announced yesterday that the Knights of Columbus Braves of Charlottetown's smooth working girls softball squad, will play host to the Halifax Arcades here on Friday and Saturday when the teams will meet in two exhibition encounters. Although the local squad have proved already this season that they have plenty of power on their line-up when they walloped the Marven Royals of Moncton, N. B., to the tune of 25-1 and 13-5 in a doubleheader event here on June 5th, they are going to have an entirely different kind of battle on their hands when they meet the Halifax girls squad. They are the present holders of the Maritime softball title in the ladies' division, and will be able to supply all the competition the locals can handle, which should be all that is necessary to produce two really top-notch encounters for attending fans. The Arcades are scheduled to arrive in the City on Friday morning and the first encounter is scheduled for the Knights of Columbus diamond at 3:30 Friday afternoon, while the second game will be played the following afternoon at the same diamond, and although the exact starting time has not been decided yet, it will likely get underway at the same hour as the previous day.

### Kirk Sunday School Picnic Held At Dalvay

The annual Sunday School Picnic of St. James Church was held yesterday afternoon at the National Park Picnic Ground, Dalvay. Bathing, sports and games were enjoyed by the young tots and older folk alike and the various competitions were keenly contested. Following refreshments of ice cream and soft drinks, a softball game between the Dodgers and Reds ended in a 10-5 victory for the Dodgers. Batteries were Dodgers: Buddy Clarke, pitcher; Marjorie Jardine, catcher; Reds, Fred Nicholson, pitcher, and Don MacNally, catcher. Lunch was then served by the ladies followed by the presentation of prizes by Mr. D.A. MacKinnon, Superintendent of the Sunday School.

The picnic was sponsored by "The Men of the Kirk", Lt.-Col. J.D. Stewart, president. The sports were under the direction of Gordon MacLeod. Taking a keen and kindly interest in the program were the Minister, the Rev. T. Bussell Somers and Mrs. Somers. ### Air Force, Navy Team Up To Save U. S. Sailor

(By Arnold Agnew) HALIFAX, June 29 — (CP) — The Air Force and Navy teamed up today to save the life of a United States sailor. A tricky ship-to-ship transfer 30 miles off Halifax and co-operation between the two Canadian services brought the seaman to hospital here in the R.C.A.F.'s powerful crash boat Nootka. At the request of United States naval authorities, the matter was withheld pending notification of next-of-kin. A member of the crew of the destroyer Woodworth, the sailor was stricken while at sea. He now is under observation at the Canadian navy hospital here, believed to be suffering an attack of acute appendicitis. When the man was taken ill, Woodworth's skipper asked the R. C. A. F. for assistance in getting him to hospital fast. No medical officer was aboard the destroyer.

### SUPERGLOSS GENERAL PURPOSE PAINTS

Here is an opportunity to paint up that property of yours at a substantial saving. SUPERGLOSS General Purpose Paints combine the high quality which is associated with the name of this company with extremely competitive prices. These low prices are made possible by the following: (1) Careful formulation, taking advantage of new materials available to the paint industry as a result of wartime research. (2) Large-scale manufacture, in modern machines made to our own specification and design. (3) A low profit margin, which we believe will be offset by a high volume of sales. SUPERGLOSS General Purpose Paints are manufactured from the following raw materials: LINSEED OIL, a product of Canadian farmers and Crushers treated to give it easy brushing and long-lasting qualities. SOYA ALKYL RESIN a quick-drying, high gloss, long lasting "plastic" such as was developed during the war for use on ships, planes and tanks. We use the same ALKYL in our SUPERGLOSS as we used in the paint we manufactured for use on the exterior of the new Laurentian Hotel in Montreal. TITANIUM DIOXIDE the new white pigment which is rapidly replacing the old white lead and zinc white. Titanium Dioxide is whiter, hides better, stays cleaner and whiter, resists cracking. LEAD to give the paint its proper qualities of drying. PURE COLORS IN OIL to give the shades we require. SUPERGLOSS has a good coverage because of the Titanium Dioxide. It will cover 400-600 sq. feet to the gallon. SUPERGLOSS has a long life and washability because of the Alkyd. It can be used out-of-doors or on floors. SUPERGLOSS is easy to apply because of the linseed oil. Alkyd resins alone are sometimes tricky to apply. SUPERGLOSS is today the BEST PAINT you can buy for the Money!
