—WATER TROUBLES CITIZENS.—The mild weather of the last few days gives the appearance of Spring. Water is running freely on the streets and many cellars in the town are getting flooded, the roads leading to town are now almost impassible for teams, the harbor ice is taking on a dark color which indicates danger for that quarter.—H.

—MAIL DRIVER LOSES HORSE Mr. Robert Dunphy of Kensington driver of the Kensington-Clifton mail route had the misfortune to lose a horse on Tuesday evening. He had proceeded some distance on his route on Monday, but was forced to leave his horse at a farm house on account of soft footing and proceeded home on foot. He started again on Tuesday and had gotten back to his next door neighbor's gate, leading the horse which he had laid up, when she stumbled and broke her leg so badly that she had to be shot.—K.

—VARIETY SHOWER—A significant variety shower was given projected upon Miss Emma Ruth McKay, at the home of Mrs. Parnell McMahon, Kensington, on the evening of April 11, to anticipate an event of essential importance in life. About fifty guests participated. Various diversions were enjoyed which deflected the joyous assembly. Mr. McNeill, Clermont, drew inspiration from the soul of the violin, while hearts vibrated in sympathy. Ice cream and cake were served. The presents consisted of various forms of silverware, glassware, linen, etc. all testifying to the popularity of the intentionally disposed pasties. Mr. Peter McMahon says he enjoyed the event immensely. This event is only the prelude to a more comprehensive one that augurs auspiciously for a happy epoch in human existence.—Y.

people's party on Saturday, was unfortunately taken ill on Sunday with appendicitis, necessitating an immediate operation. Happily he is convalescing nicely.

A gay round of one and two table bridges is being indulged in just at present but as the bright weather approaches interest is waning in indoor entertainment.

Announcements were received here this week of the marriage of Dr. Melissa Mabel Manderson and Mr. William Reese Durbin in Pasadena, Calif. Mrs. Durbin made many friends while visiting relatives here last summer and heartfelt congratulations are being forwarded.

With the passing of Lent dancing has been resumed with renewed vigor throughout the city and the several dances held during the past few weeks have been largely attended. There is every indication that dancing will be as popular as ever, continuing through the summer.

Many friends here will be interested to know that Rev. F. D. Dowling has been appointed as assistant to Rev. Dr. Pringle in St. Andrews Presbyterian church in Sidney.

Mrs. J. J. Hughes, wife of the Member of Parliament for King's P. E. I. received Thursday afternoon of this week from 4 to 6 at the House of Commons, Ottawa.

Flaring turn-back cuffs are featured on the new spring frocks. On dark dresses a white cuff gives a dainty, feminine appearance, and on white frocks a colored one adds a distinctive touch. Pleated ruchings which fall over the wrist are also exceedingly stylish.

Her Majesty the Queen paid a visit to the Royal Borough of Kensington the other day. Of course there was receptions and speeches, and important people were present, but the part her Majesty really loved was the visit to the poorer parts of Kensington where the people live in small houses or in rooms and work hard for their living. After the formal

**Popular Centre**

Charlottetown citizens are beginning to appreciate the very convenient and up to date entertainment, hall in the Navy League building and notwithstanding the extraordinary weather conditions this winter the hall has been in considerable demand. Now that Spring is opening up, it is expected that the hall will be in greater demand than ever for teas, concerts, lectures, ice cream and berry socials, card parties, dances and for various other attractions. These excellent facilities are available to the general public at an extremely reasonable rental, either for day or night entertainments. In the Summer months the view of the harbor and surrounding country is not surpassed and with the promenade grounds attached makes the premises most ideally situated for a community and boating centre. Enquiries can be made to Commander Lewin, Supervisor of the Navy League, or to Pet' Officer Hearn, a returned sailor, and his wife who reside on the premises; with the latter satisfactory arrangements can also be made for catering when desired. 11339 4-14-31

**What's Wrong With the Women?**

BIG NEW PHOTO PLAY PORTS TO ANSWER AGE OLD QUESTION

If Christ should visit the earth in this hectic era of jazz and flappers and bootleggers gone mad what would he see and what would be his reactions to it all?

That, in a broad way, is the theme of Daniel Carson Goodman's stupendous drama of human passions "What's Wrong With the Women?" presented by a brilliant all-star cast which opens a two day's engagement Wednesday, April 18, at the Prince Edward Theatre.

Mr. Goodman has drawn his story on a huge canvas of cyclonic emotions. His characters are real, flesh and blood men and women, most of whom move in the swift surfeit of the world's fastest and most ferocious metropolises. But he deals not merely with individuals. With the facility of the master story teller, Mr. Goodman takes a great world problem, goes right to the core of his subject and treats it in a big and inspiring manner. It is in no way an attack on woman-kind. It is in no way a sermon. But in the very magnitude of its treatment it drives home a lesson the whole world will be better for having seen.

Mr. William Nell directed the production with fine discrimination. He had splendid support from one of the most brilliant casts ever assembled for a picture. Among those who take part are Wilton Lackaye, Julia Swayne Gordon, Montagu Love, Rod La Rocque, Huntley Gordon, Barbara Castleon, Constance Bennett, Hilda Hopper, Paul McAllister and others.

**Syrup Pepsin. Loved By Hosts of Babies**

Half a teaspoonful will make a fretful youngster happy and playful!

THE mother has her choice of many remedies for her baby's minor ills, but she should be careful which remedy she selects lest she do the child harm. What might be safe for herself may do injury to an infant.

You will find that if the little ones cry and doesn't want to play that its bowels are constipated. First look carefully to the diet and give the child one-half teaspoonful of Dr. Caldwell's Laxative Syrup Pepsin. You will then see results in a few hours. You will not have to force it on babies or children; they actually ask for it, it is so pleasant-tasting and free from gripping.

Dr. Caldwell's Laxative Syrup Pepsin is a compound of Egyptian senna and pepsin with agreeable aromatics. The ingredients are stated on the package. It is a mild, gentle vegetable laxative that everyone finds effective and pleasant. It is better for you and yours than purgatives, coal-tar drugs, or cathartics and powders, which concentrate the blood and dry up the skin; or mercurial cathartics which may salivate and loosen the teeth.

Use a safe laxative like Syrup Pepsin, and especially for the children, for invalids, growing girls, nursing mothers, elderly people, and persons recently operated upon who need bowel regulation. Mrs. H. L. Caldwell gives her little girl Dr. Caldwell's Laxative Syrup Pepsin, and Mrs. May Stephens Sharp of Sault Ste. Marie, Ont., is never without it in her home. Your druggist will supply you, and it costs only a few cents. Try it in constipation, biliousness, flatulency, headache and to break up fevers and colds.

**"PERFECTION" SEED AND GRAIN SEPARATORS**

THE PERFECTION GRADER does all the work of the old Fanning Mill, does it BETTER and QUICKER, and besides this it does a great deal that has never been expected of a Fanning Mill. IT DOES NOT blow out Good Grain, and saves all the Timothy Seed in Fall Wheat. In preparing Seed Grain it saves out all the broken and shrunken grains, which would never grow anyway, and which can be used for feed. In these ways the PERFECTION pays for itself every year. For cleaning Timothy it cannot be excelled.

There is a satisfied user near you. Call at our show-room and inspect them.
