NEWS OF THE SPORT WORLD

HOOF BEATS

Today's paper carries the announcement of the Provincial Exhibition. No doubt the holding of this Big Fair will be welcome news to horsemen throughout the Maritime Provinces. We understand a great many inquiries have been made to Secretary Boulter and that many racing stables will make a start at Charlottetown.

The Schuman Leveller, after plans and specifications by Clarence Schuman, one of the recent acquisitions to the training fraternity at the Charlottetown Driving Park, has been built by Caretaker Harper and put to work last Wednesday morning. It is expected that after being used a few times it will level the surface as perfectly as a billiard table.

That the Charlottetown Driving Park track is lightning fast now is proved by the very many eighths in fifteen seconds or better being travelled there by different horses last week. Yesterday Volo Rico took it into his head to show some step and paced a quarter in thirty seconds.

The best workouts the past week were as follows: Lucky Lindy, mile 2:15, half 1:05. Volo Rico, mile 2:16, half 1:05. Miss Winnipeg, mile 2:16. King Spruce, mile 2:16. Mr. Squires, mile 2:19. Winnipeg Boy, mile 2:21. Grandma, mile 2:19. Golden, mile 2:14. Johnny Miles, mile 2:16. Marge Direct, mile 2:23, last quarter 32 1-5 seconds. The Willys, mile 2:16, last quarter 31 3/4 seconds. Billy Cope, mile 2:24, last quarter 31 3-8 seconds. Miss Possibility, mile 2:19, last quarter 32 seconds. Kitchin, mile 2:19, last quarter 32 seconds.

Clarence Schuman whose ability as a colt trainer is being taken notice of, has added another colt to his stable. This lad hails from the West River district.

Northam Race Track has been visited by several of Charlottetown's horse fraternity recently and they pronounce it the fastest piece of clay on Prince Edward Island. They compare it to Fredericton. It appears that it is almost wholly surface track just the top skimmed off and that the horses literally bounce over it. No doubt some sensational miles will be stepped there on July 13th.

Upton Matinee races next Wednesday afternoon, a holiday too for most stores in Charlottetown. We hope the boys will have a real good crowd as they have the track in good shape and the grounds are pretty and restful. In fact we do not know of a nicer spot to spend an afternoon.

A telegram has been received from H. T. Fulton re Exhibition races, Charlottetown. It is hoped to have his stable here for this meeting.

Guy the Tramp, 2:04 1/2, the Canadian pacer that we made some reference to as winning at Urbana, Ohio, May 30th, is today the most talked of pacer in the United States. He is entered in all the big stakes and looks as though he has a chance to cop a large part of the money.

Speaking of Canadian pacers, our readers are reminded that in the past eight or ten years Canadian pacers have made a wonderful showing in the big stakes throughout the United States. Take for instance Grattan Bars, Widow Grattan, Prue Grattan, Darcy Grattan, Jean Grattan, Winnipeg, etc. These horses won practically all the big classics the years they competed over United States tracks.

Racing in Ontario is going strong. June 3rd saw twelve meets staged in that Province with attendances ranging from 1,500 to 6,000 persons.

The roster of race meetings on Prince Edward Island now reads as follows: Upton Matinee races June 22nd, Summerside July 1st, Georgetown July 6th, Northam July 13th, St. Peter's July 20th, New Annan August 3rd, Montague August 10th, Provincial Exhibition August 22nd to 26th.

Uri Pierce, 74 years of age, made a trip from Longwood, Ont., to Popfield, Mass., a distance of 800 miles, in an automobile with a trailer attached, in which was Miss Pandora a two year old which he had given a record to last fall as

a yearling of 2:24 over the Forest, Ont., track. Mr. Pierce is a wonderful man with trotters and pacers having given Norman Grattan a record of 2:07 1/4 as a three year old over a half mile track, etc., etc.

The Marchioness 2, 2:04 1/2, one of the greatest two year old trotters out last year and sister to Protector 3, 1:59 1/4, showed the spectators at North Randal mile track, an amazing mile for this season of the year when last week Will Caton let her step in 2:04 1/2, last half in 1:00, last quarter 29 3/4 seconds, the fastest mile reported for a trotter this year.

The Will Caton referred to above is a master handler of trotters and pacers. For many years previous to the War he and his brother Sam trained and raced horses for the nobility of Russia. Then after the War he remained in Russia for several years but returned some eight years ago to America his former home and has been very successful since.

Russia, the home of the Bolsheviks, has its programs of horse racing as in the days of the Czar. Moscow where the Imperial Trotting Club's track is situated, is the scene of the largest gatherings. There races are held at frequent intervals with an enormous attendance of spectators.

Russia is producing a lot of fast trotters, many of them almost pure Russian or what is known as Orloff breeding. Dozens of American stallions and mares have also gained a big foothold in Russia and are showing up well.

Europe is fast becoming popularized to trotting races. The German trainers are developing a great many fast trotters. Trotting is also a very popular sport in Italy and Austria and is gaining quite a foothold in Belgium and France. The exportation of so many good American trotters the past few years has added to the popularity of the sport.

At present Hazelton, 2:01, is the champion trotter of Europe. He was formerly campaigned by Walter Cox and was practically undefeated last year he raced in America. Walter Dear, another of Cox's pupils, has been one of the chief competitors of Hazelton.

Walter Palmer, one of the greatest writers of horse topics the world has ever known and frequently referred to as the poet Laureate of the trotting turf, died at his farm, Ottawa, Ill., on Tuesday, June 7th. Walter's best known work was "Heart Throbs and Hoof Beats."

There seems to be more speed available for racing on United States tracks than ever before. Perhaps this is on account of the hard times there. Everywhere one looks are a great number of high class horses. There does not seem to be any great curtailment in the number of meetings.

Mrs. E. Roland Harriman drove a mile in 2:10 to a cart behind Fair Dreams, 2:08 1/2, last Thursday at Goshen, N. Y.

If the report is correct and we believe it is, Chestnut Dillon, 2:08 1/2, owned by C. E. Pratt, St. Peter's, and now in the stable of Tyndale Semple of Kensington, stepped the last half of a 2:18 mile in 1:02. To the best of our recollection this is the fastest half ever trotted or paced in Prince Edward Island. Billy Cope was the half two or three years ago in 1:02 3-5 and Major Aubrey paced a half in 1:03, but Chestnut Dillon's feat beats them all. What a bearcat he will be for the fast trots!

North Randal, Ohio, is now the scene of many fast miles. Among the stables located there are those of Earl Pitman with May E. Grattan, 1:59 1/4, The Grand, 2:05, Calumet Alone, 2:05, Calumet Armistice, 2:02 1/2, etc. Vic Fleming, the great Canadian trainer, has Young Senator, 2:02 1/2, Allie Pluto, 2:01 1/2, Mac Braden, 2:08 1/2, Captain Andy, 2:03 1/2, Miss Kitty, 2:04, Hoyle, 2:07, Direct Grattan, 2:12, etc. Dr. Parshall has Ankabar, 2:03 1/2, Mac I Win, 2:08, Confidence, 2:07 1/2, Alvin Guy, 2:09 1/2, Emma Braden, 2:04 1/2, etc.

The Grand Circuit m. was there June 27th and July 9th.

We notice in the Old Colony

ALL GAMES POSTPONED

(Canadian Press)
NEW YORK, June 17.—The Major League turnstiles did not click a single click today. There was not a game in either league, the first time there has been such an occurrence this season.

The American League had no contests scheduled, and all four National League battles were rained out.

The St. Louis Cardinals and the Phillies came closest to playing at Philadelphia, they were ready to go and the batteries had been announced when rain set in.

"Dizzy" Back With "Cards"

ST. LOUIS, Mo., June 17.—"Dizzy" Dean, the eccentric Cardinal pitcher who left the Cardinals in a huff Wednesday has reached an agreement with President Sam Breadon and will rejoin the team Sunday in New York, it was announced today.

Driving Club matinee races at South Weymouth, Mass., June 11th, that Kalmuck Guy by Willard Kelly's stallion Kalmuck, was the winner of the Class C trot.

The latest arrival at the Charlottetown Driving Park track is a three year old pacer bred by George H. Reddin, City. His sire is Frisco Direct and his dam Karavena, the noted brood mare Mr. Reddin has owned for many years. This youngster is being tutored by Tom Holmes and gives promise of being one of the best of her progeny.

King Spruce in the McNeill Stables looks to be about the best one class proposition in the Maritimes and appears up to a mile in 2:12 right now. Thursday in company with Miss Winnipeg he stepped a mile in 2:18 but the remarkable part of it was that he went to the first quarter in 32 seconds, which shows that he can "leave."

Bellefontaine, Ohio, held races June 7th, is one of the fastest half mile tracks in America. The Free For All was won by Easter Mary best time 2:06. The 2:18 pace by Hal Abbe in 2:07 1/2, the 2:20 pace by Guy O'Donna in 2:10, the 2:15 trot by Senator McKiyo in 2:08 1/2, etc. The above horses are all staked in the big stakes throughout the United States.

One of the winners at the Charles River speedway, Allston, Mass., June 11th, was Tuff Guy by Clover Guy. Clover Guy is a Guy Axworthy stallion at present owned by Capt. John L. Read of Borden.

The Matinee Races of the Upton Driving Club will be held on their beautiful grounds next Wednesday commencing at two o'clock. As the list of entries show they have provided stiff competition. The horses are pretty evenly matched and it won't be a bit surprising if the track records both trotting and pacing are busted. Last year Lucky Lindy won the 2:15 pace and established a track record of 2:15 for that mode of locomotion, and Peter Dawes established a track trotting record of 2:15.

"A" Class

Miss Winnipeg—W. McNeill.
Billy Cope—J. Power.
Grandma—R. McLaine.
Miss Possibility—J. Power.
Lucky Lindy—W. McNeill.

"B" Class

King Spruce—W. McNeill.
Lea Lock—M. Hennessey.
Johnny Miles—Lt. Col. D. A. MacKinnon.
Watts Addition—Wm. Trainor.
Briar Mac—George Hooper.
The Willys—Charles Reardon.

"C" Class

Mr. Squires—W. McNeill.
Winnipeg Boy—W. McNeill.
Real Great—F. McKay.
Mr. Henley—A. McPherson.
Louiset—J. Arling.
Marge Direct—W. Hennessey.
Hush—G. Hennessey.
Peter S.—W. McNeill.
Ruth S.—Geo. Shepherd.
Silver Doctor—Notting & Ross.

Day Of Big Bout Coming Closer

Ring Classic From A Money Standpoint Has Ear Marks Of A Financial Flop.

(Associated Press)
NEW YORK, June 7.—The desperate efforts to get Max Schmeling's heavyweight title defense against Jack Sharkey out of the financial "mechanical lung," where it is breathing faintly took a decided turn today in favor of the cash customers. Drastic reductions in whole sections of high-priced seats in Madison Square Garden's new bowl on Long Island have increased to approximately 50,000 the number of tickets that are selling for between \$2 and \$5.

In effect, the cheaper-priced seats have been moved into the higher-priced areas, leaving only 17,000 of the total capacity of 77,000 in the top brackets. On this new scale it is estimated that a complete sell-out Tuesday night would gross only \$500,000, with every indication that no more than half that amount will be lured from the pockets of the faithful.

Neither gladiator worked today. Schmeling intends to fly down from his camp the day of the match while Sharkey will drive in in time for the weighing in.

Nine Months Extension Of Stock Inquiry

WASHINGTON, June 17.—(A.P.)—A nine-month extension of the United States Senate stock market investigation was sought today after hearings in which William Fox was charged with participating in a short-selling pool in the stock of one of his own corporations, along with John J. Raskob and others.

This testimony came from William A. Gray, counsel for the Senate banking committee, who said Fox, Raskob, chairman of the Democratic National Committee, William F. Kenna, Walter P. Chrysler, Joseph E. Higgins, Bradford Ellsworth, Nicholas F. Brady and Mrs. Elizabeth Meahan had made nearly \$2,000,000 from operations in Fox's shares pool in 1929. The decision to let the Senate for authority to continue was made unanimously by the committee.

The committee also returned briefly to its inquiry into Continental Shares, Inc., of Cleveland, about which testimony was presented at length yesterday.

Ferdinand Eberstadt, a former partner of Otis and Company in which Cyrus Eaton, organizer of Continental Shares, was also a partner, testified he did not believe Chase National Bank, in October, 1930, used money that was to go to Continental Shares as a loan, to

JANG AN EASY MARK FOR MACDONALD

GLACE BAY, N. S., June 17.—(By The Canadian Press)—Tonight's alleged battle for the Maritime lightweight championship, between Stevie McDonald of Glace Bay and "Fighting" Jang of Moncton was a washout.

In the first round, when he was not laughing at the antics of the Moncton scrapper, Stevie sent his victim to the canvas for counts of eight, seven, five and two, and when the first round was over some of the faithful began to make their way towards the exits.

After a minute of fighting in the second round, Jang was flat on the canvas, and Referee Freddie Lewis did not bother counting him out.

Neither gladiator worked today. Schmeling intends to fly down from his camp the day of the match while Sharkey will drive in in time for the weighing in.

Nurmi Will Run

HELSINGFORS, Finland, June 17.—(A. P.)—Despite the ban placed upon him by the International Amateur Athletic Federation, Paavo Nurmi will compete in the marathon run at the Finnish Olympic tryouts Saturday at Vilpuri.

He has been in active training all spring in expectation that he will compete at Los Angeles this summer, despite the ruling that he was ineligible because of an expense account controversy.

The Finnish Athletic Association expects the I. A. A. F. ban will be lifted in time for him to compete in the United States.

help Otis and Company out of financial difficulties. Gray contended it did.

Eberstadt added a protest that the inquiry was being conducted "more as a prosecution than an investigation" and said the committee "should not be made the dupe of those who promote investigations of this character for their own interest."

Gray did not accept Eberstadt's invitation to question him further on this statement, but Senator Couzens, Republican, Mich'gan, said the matter had better be taken up in executive session.

FRIEDRICHSHAFEN, Germany, June 18. (Saturday). (A. P.)—The dirigible Graf Zeppelin started at 1:18 a. m. today

LOOKING 'EM OVER

BY "TEC" SWIMMING

Mr. W. F. Hyslop, Maritime Swimming Champion in four different classics and President of the Maritime Swimming Association, is in Charlottetown in the interests of forming a local swimming club.

By organizing such a club the members would be recognized in the Maritime Swimmers Association and incidentally in the All Canadian Swimmers Association.

Prince Edward Island has never had official recognition in this sport, and it is for this purpose that Mr. Hyslop is here.

After a club has been organized, numerous swimming meets could be held, which would meet with the general approval and support of the public.

At the preliminary meeting held last night in the Y. M. C. A. Mr. Hyslop explained the reason for the formation of such a club and the advantages it would bring the members. It is intended to hold another meeting at the beginning of the week.

Gains Turns Down Offer

LONDON, June 17.—(Canadian Press Cable)—Larry Gains of Toronto, heavyweight champion of the British Empire, has rejected the offer of a title bout at Wimbledon in August with George Cook of New Zealand. A purse of 3,000 pounds was offered and Cook accepted.

N. B. Education Board Meets

FREDERICTON, N. B., June 17. (By the Canadian Press)—Boundaries of 12 school districts in New Brunswick were revised at a meeting here tonight of the board of education. Dr. A. S. McParlane, chief superintendent of education presided. Changes in the staff of the provincial normal school were made.

Dalhousie was granted authority to issue bonds to the extent of \$20,000 to increase school accommodations.

A communication from Hon. G. Howard Ferguson, Canadian High Commissioner in London, was read, outlining a proposed scheme to be undertaken by St. George's Hospital, London, Eng., to mark the bicentenary of its existence. Two scholarships of 240 pounds per annum for three years will be offered in Canada; the latter said. Provincial boards of education are being asked to formulate a plan for the selection of candidates for these scholarships. The scholarships are in medical courses.

on a flight to the Netherlands, with stops at Twente and Rotterdam. Eighteen passengers were aboard.

LOOKING 'EM OVER

A GREAT HORSEWOMAN

Mrs. E. Roland Harriman, whose husband owns the Arden Farm at Goshen, N. Y., and who drove Highland Scott mile in 1:59 1/2, recently drove Fair Dream, 2:08 1/2, a mile in 2:10, she doing her own timing and rating. She gave a wonderful exhibition of rating in the second mile starting to work the mare out in 2:25, driving her in 2:24 1/2. Mrs. Harriman shows a great ability as the best of trainers in rating miles, besides she drives with a light hand and shows herself capable of participating in a race with the very best drivers. Her remarkable capabilities in driving are not only heard of with great interest everywhere, but on account of a lady of such prominence being a harness horse devotee adds to the standard of the turf.

Princess Edward Island has never had official recognition in this sport, and it is for this purpose that Mr. Hyslop is here.

After a club has been organized, numerous swimming meets could be held, which would meet with the general approval and support of the public.

At the preliminary meeting held last night in the Y. M. C. A. Mr. Hyslop explained the reason for the formation of such a club and the advantages it would bring the members. It is intended to hold another meeting at the beginning of the week.

HERR MAX SLIGHT FAVORITE

Max Schmeling is a 10-to-9 favorite to retain his title against Jack Sharkey next Tuesday night in the lightest betting preceding any heavyweight championship bout in 40 years. Jack Doyle, Broadway betting commissioner, announced the official odds yesterday, quoting 3 to 2 against a knockout in the 15 rounds, and 3 to 1 against Schmeling knocking out Sharkey and 3 to 1 against Sharkey knocking out Schmeling.

"I expect the 10-to-9 odds to carry the men into the ring," said the veteran commissioner. "Of course, heavy money on either man might change the odds. But I think the professional gamblers will come in with their bets fairly evenly balanced about 48 hours before the bout."

The bespectacled, grey-haired Irishman deplored the lack of activity among the betting men preceding what he called "one of the greatest natural gambling fights ever staged." In 40 years of handling fight bets, he claimed there never had been such a scarcity of money.

"In spite of the depression," he pointed out, "this should be a great betting battle. As a gambler, it ranks with the Jack Dempsey-Jess Willard bout at Toledo in 1919, when more money was wagered than on any fight in history. The odds then were 10 to 9 against Dempsey."

A communication from Hon. G. Howard Ferguson, Canadian High Commissioner in London, was read, outlining a proposed scheme to be undertaken by St. George's Hospital, London, Eng., to mark the bicentenary of its existence. Two scholarships of 240 pounds per annum for three years will be offered in Canada; the latter said. Provincial boards of education are being asked to formulate a plan for the selection of candidates for these scholarships. The scholarships are in medical courses.

"NOT SO OLD, IS FAT"

Pat McDonald, who is 54 years of age, weighs 300 pounds, and is a lieutenant on the New York police force and won his first U. S. National Championship twenty-five years ago, at the New York A. A. games last Sunday retained his 56-pound weight throwing title with a heave of 38 feet, 2 1/2 inches. He beat the field by almost six feet. He threw the 16-lb. hammer 156 feet, 5 inches. At the same meet, Leo Sexton, who is 22 years of age, put the 16-pound shot 52 feet, 1 1/2 inches. His poorest toss in six efforts was 49 feet, 4 1/2 inches.

"These stamps are now in course of preparation and will be issued on a date to be set after manufacture has been completed.

"There will also be an issue of overprinted air-mail stamps for the conference, these stamps being the current five-cent issue of air-mail stamps, overprinted six cents, together with other printing relating to the Imperial Conference.

"The denominations in which these stamps will be issued will ensure their use on mail matter going to all parts of the Empire, as well as to many other countries."

THEIR MAJESTIES GRACE SPORT OF KINGS The Derby on Epsom Downs with Lord Roseberry and Lord Kingsham Palace again this year to witness the greatest of British sporting events. ABOVE, King George is shown smiling happily with Lord Roseberry and Lord Lansdale on his arrival.
