A CRIME THAT IS NOT PUNISHABLE.

How many people reading this article have gone into a drug store and asked for some well known and highly tried medicine and some unscrupulous druggist has said, "Yes, we have that, but have you ever tried this remedy, it is just as good and costs less." Any druggist doing this has not the interest of his health at heart, but the interest of your pocket, as he can make more profit out of the cheap substitute.

For the protection and benefit of the public, we wish to say that Dr. Fowlan's Extract of Wild Strawberry has been used in thousands of homes for the past sixty-three years and has never failed to give prompt relief and cure in all cases of Diarrhoea, Dysentery, Cholera, Stomach Cramps, Summer Complaint, Sea Sickness, Cholera Infantum, Cholera Morbus and all Fluxes of the Bowels.

When you buy Dr. Fowlan's, you are not experimenting with a new and untried remedy, but are getting one that has stood the test of time.

Miss Lettie Reid, Vivian, Ont., writes: "Last year I suffered untold agony from cramps in the stomach and did not know what to do until a friend suggested I should try Dr. Fowlan's Extract of Wild Strawberry and as I was glad to try anything I purchased a bottle.

"When I had taken four doses I found relief and since then I never fail to keep a bottle in the house."

Minard's Liniment Co., Limited.

Gentlemen,—I have used MINARD'S LINIMENT on my vessel and in my family for years, and for the every day ills and accidents of life I consider it has no equal. I would not start on a voyage without it, if it cost a dollar a bottle.

Cleanliness is Next to Godliness

If you want your home thoroughly clean and healthy, have it done scientifically. Ordinary disinfectants give only a false sense of security. Microbes and bacteria lurk beyond the reach of the most particular housewife. I use only the latest approved method which is a perfect germicide and endorsed by all Boards of Health and Health Officers.
