SUNSHINE COMES WITH SPRING

The next attraction in which Charlottetown as a whole is deeply interested is the play "Sunshine" to be staged in the Prince Edward Theatre on March 7th and 8th, under the auspices of the Prince Edward Island Protestant Orphanage and in aid of that worthy institution.

As the name signifies, "Sunshine" radiates the coming play which is centered in a "Sunshine Sanatorium." Perhaps you have never visited an institution of this kind and therein lies the secret.

As a chaser of blues, "Sunshine" excels and those attending will not need Sanatorium treatment as the rollicking fun disclosed by the plot will assist the digestion, scatter the blues and act as a good Spring tonic.

The casts is carefully chosen and will bring out a bevy of new actors and actresses.

Snappy choruses will be sung and everything is arranged for a delightful nights entertainment.

SMELT SEASON OVER—A Sheldac, N. B., despatch says—"The smelt fishing season in the Sheldac and Kent county districts, which closed Saturday after a ten days' extension granted by the Department of Marine and Fisheries, has been a poor one in the Sheldac section, according to shippers. Fish have not been plentiful and the New York and Boston markets have not been particularly favorable. The margin of profit has been small both to fishermen and shippers. Prince Edward Island smelt fishermen have had a fair season, but on the New Brunswick side of the Northumberland Strait, from the Bale de Chaleur to Cape Tormentine, no heavy profits have been taken. Considerable quantities of New Brunswick smelt are being held in cold storage in New MacMillan with Mr. Henry Fitzgerald presiding.

IN MEMORIAM

MRS. CATHERINE COTTON

There passed away to her eternal reward at the home of her son John Cotton, Kelvin, where she had gone to visit a few days before, a very estimable lady in the person of Mrs. Catherine Cotton, widow of the late W. J. Cotton, of Clinton, New London, who predeceased her three years ago. The late Mrs. Cotton was born and lived on the homestead for the past seventy years, being the daughter of the late Angus and Mrs. MacKenzie. Her many deeds of kindness and charity will long be remembered in the community in which she lived but it is in her home where she will be missed the most, being ever kind and hospitable to visitors and neighbours and a most loving and kind mother, always taking an active part in religion and church matters and always a regular attendant at same.

She leaves to mourn their loss, four sons and two daughters, John in Kelvin, George in Burlington, Mrs. Arch. McKay, N. B., Rutherford, Irene and Elmer at home.

Her funeral was held at the homestead, Clinton, on the last day of the year, and was attended by a large gathering of friends and neighbours who came to pay the last tribute of respect to a good kind lady, and the services at the house and grave were conducted by the Rev. Mr. Saint. The choir singing beautiful hymns for the occasion.

The pall bearers were John D. McKay, Hugh McKay, James O'Connor, John W. Whitehead, C. H. Bonness and Alex. B. McKay.

Miller's Worm Powders

were devised to promptly relieve children who suffer from the ravages of worms. It is a simple preparation to destroy stomachic and intestinal worms without shock or injury to the most sensitive system. They act thoroughly and painlessly, and though in some cases they may cause vomiting, that is an indication of their powerful action and not of any nauseating property.
