

Dr. A. W. CHASE

DISCOVERED A NEW TREATMENT FOR NERVOUS DISEASES

In his study of diseases of the nerves, Dr. A. W. Chase found that in nearly every case the cause of trouble was improper nourishment. About one-fifth of all the blood in the human body is found in the brain, and unless this blood is rich and pure the nerves cannot obtain proper nourishment, and become worn out and exhausted.

A WARY WOMAN.

Mrs. George Williams, Fairfield Plains, Ont., refused all substitutes. — Would have only Laxa-Liver Pills.

When you get hold of a remedy that does you good, stick to it. When you find Laxa-Liver Pills better than anything else for Constipation, Biliousness, Sick Headache, Liver Torpor and Dyspepsia, don't be persuaded to try a substitute.

PRINCE EDWARD ISLAND

And its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, and the scenery is beautiful and quietly picturesque.

Charlottetown has over 12,000 inhabitants, and is the capital.

It has many great retail stores, besides a large wholesale trade. It has a Gas Light and Power Company, two Electric Light plants, and a street railway in embryo.

It is famed for its wide and shaded streets, its many pleasant drives, the principal of which is the new Park Boulevard, its attractive surroundings, pure water, and clear, cool and bracing air.

It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House.

It also has several fine public buildings and a market which is one of the chief sources of the citizens' pride.

It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park.

Summerside has about 4000 inhabitants. It is situated on beautiful Bedeque Bay. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores.

Georgetown and Souris have a population of about 1,000 each. In the former are the Aitken, and Tapper hotels and in Souris the Sea View.

At Cape Traverse, a very pleasant summer resort, is the Lansdowne hotel. In Alberton, the Albion Terrace and Wisner. In Tignish the Railway; in Kensington, Clark's and Commercial; in Montague, McDonald, and in Mount Stewart, Clark's and Manson.

RITUALISM AND ROME

Over Four Hundred Anglican Clergymen Have Gone to the Catholics.

LONDON, Aug 11.—The Ritualism is a feeder for the Roman Catholic Church is clearly shown by Mr. W. Gordon-Gorman's book "Converts to Rome" a revised edition of which has just been issued.

A careful study of the names shows how truly Cardinal Vaughn spoke, when in June last he said that "the ritualistic clergy of this country are the real fishers of men who are bringing England back again to the true (Roman Catholic) faith." This volume places beyond all doubt, the contention which has been frequently advanced that ritualism is the real feeder of the Roman Catholic Church in this country.

NEWLY INTRODUCED

Sensation Caused in Barnaby River, New Brunswick, By Dodd's Kidney Pills

Barnaby River, N. B., Aug 14—Quite a sensation has been caused here lately by the introduction of a new medicine—Dodd's Kidney Pills. Although there has been many deaths in this village and surrounding district from bright's and other kidney troubles, yet strange to say Dodd's Kidney Pills had never been tested.

Now however Dodd's Kidney Pills are creating a sensation. A large number of people are using them and expressing surprise and delight at the result. "From the first week I began to improve," says Cornelius Crittie of Barnaby River, who had been given up by the doctors.

When a woman is entertaining an out of town guest, she looks very grateful when some one asks her "company" how long she is going to stay.
