Hair-Vain? Why not? A little vanity is a good thing. Perhaps you can't be hair-vain, your hair is so thin, so short, so gray. Then use Ayer's Hair Vigor. It makes the hair grow, restores color. J. C. Ayer Co., Lowell, Mass.

FIT COMES FIRST..

Of what use is a hat that does not fit your head?

Of what use are corsets that do not fit, dresses that do not fit, or gloves that do not fit?

Now take shoes.

The one absolutely necessary thing about shoes is that they shall fit. Unless they fit, walking is a fatigue. Pleasure vanishes. You feel "slouchy"; you walk clumsily,—not with an elastic step but dragging the feet along because they are tired. You acquire corns, which are an endless source of pain and trouble.

And all because you bought shoes that were perhaps loudly advertised and smart in appearance, yet made with little regard to fit.

The one shoe for women that is properly constructed for a scientific fit is the "QUEEN QUALITY." Try them if you want to make walking one of your greatest joys.

The immense output makes the price of $3.75 possible for such shoes.

AT the last session of the New Brunswick and Prince Edward Island Methodist conference a committee was appointed to consider various matters connected with Sunday school work. This committee consisted of Revs. Dr. C. H. Paisley, Dr. Howard Sprague, C. W. Hamilton G. M. Campbell, J. W. McConnell, F. A. Wightman, G. M. Young and E R. Machum, Pro. S. W. Hunton and Prof. A. M. Scott. A session of the committee was held here on Tuesday afternoon. The most important matter considered was the appointment of a Sunday school secretary. Although the members of the committee decline to give any definite information on the subject it is said that as a result of their deliberations the appointment of one of the St. John clergymen to the position will be recommended. The committee will report at the next session of the conference, which will be held in the First church, Charlottetown next June.—St. John Globe.

THE AWFUL DISTRESS OF IRRITABLE NERVES

Can be Overcome by Enriching and Nourishing the Blood, Thereby Rebuilding the Nerve Cells.

Any failure of the nervous system to do its work properly inevitably causes other troubles. Weakened nerve force is a most sure to bring on gloom and depression. Life loses its attractiveness, worry and care quickly furrow the brow of the the sufferer who keeps up a brave heart as long as possible, and then breaks down completely.

Nervous wrecks are very sad, pitiful indeed, when a certain cure like Ferrozone is within easy reach. The success of this great nerve restorer has been demonstrated in many cases where other treatments completely failed, so sufferers can with unbounded confidence rely on a lasting recovery if Ferrozone is used.

Hosts of well known people have found health through Ferrozone. Among these might be mentioned Mrs. E. D. Emmerson of Centreville, who says: "I am glad to think that there is at least one honest remedy for nervous people. No one can imagine what I suffered with my nerves, and I sometimes wonder at the number of useless prescriptions and medicines I took. But Ferrozone acted different y from al the rest. It built up my system a d gradually the irritability left my nerves a d I got well. Ferrozone cur d me by removing the cause of my trouble, and by giving me enough additional strength to overthrow the attack of nerv usness. I can recommend Ferrozone strongly.

No expectations are too high to be fulfilled if Ferrozone is used. Many others have been cured of troubles worse than yours. Try Ferrozone. It completely rebuilds the nervous system and establishes a healthy condition throughout the entire body.

Don't let any greedy dealer make you think there is anything as good as Ferrozone. It alone can cure permanently. Insist on having nothing but Ferrozone. Price 50c per box or six boxes for $2.50. at all druggists or by mail, from N. C. Polson & Co., Kingston, Ont, and Hartford, Conn., U. S. A.
