Trimmed Millinery at Half Price

We shall wind up by far the most successful Millinery season we have ever had, by placing on sale the remainder of our trimmed hats at half-price. The lot consists of about 20 hats most of which have been trimmed within the past few weeks. The colors are brown, navy, cardinal, myrtle, grey and black, and all are good wearable styles. This is an exceptional chance to get a nice modish hat for a small outlay while there is still almost three months ahead in which to wear it. Come early for best choice.

Ladies' Coats at Half Price.

We shall continue to clear out the balance of our elegant cloth and Fur jackets at half price. The large selling of the past few weeks has reduced them to a limited number in each size. So come early to secure your fit, as this is certainly a rare opportunity to purchase a stylish and valuable garment away below manufacturers prices.

Dress Goods at 1-3 off.

We shall continue to give a discount of 33-1-3 p.c. off 25 pieces dress goods. These are excellent designs and splendid values, but we must have the room they now occupy for our new spring stock which is already arriving.

25 p. c. off Colored Dress Muslins.

About 20 pieces of handsome colored dress muslins have been placed on our counters at a discount of 25 p.c. off. This will be most timely for those who are forehanded enough to prepare the summer wardrobe during the blustery March days, and so be in a position to enjoy the good old summer time when it actually arrives. An early visit will amply repay you in need of anything in these lines.

Made At Home

Rheumatic Treatment

Some Simple Precautions Which Will Prevent a Recurrence of Attacks.

A prominent citizen, who had for years suffered from rheumatism and rheumatic gout, has been giving his friends the benefit of his experience, and incidentally a copy of the prescription which was of material assistance in effecting a cure.

In the first place, he found that every time he partook freely of acid fruits his old trouble returned; and, secondly, he learned that it was absolutely essential to keep the kidneys active. To do this it was necessary to drink plenty of water. Occasionally he would dissolve a litha tablet in the water, to assist its action on the kidneys.

The treatment is as follows: Procure from your druggist:—

Fluid Extract Cascara	1 oz.
Syrup Rhuibarb	1 oz.
Carrina Compound	1 oz.
Compound Syrup Sarsaparilla	5 oz.

Take a teaspoonful after each meal and at bedtime.

This is valuable information. This can be mixed at home. Save the prescription.
