BARNABY RIVER, N. B. Mar.—Few cases of illness and recovery have excited the interest in this community, as has the kidney trouble of Mr. Cornelius Crotchie. Mr. Crotchie's treatment by the doctors at home and in the hospital, and the fact that they absolutely gave him up as a case beyond all hope, is well known. His subsequent restoration by the use of Dodd's Kidney Pills reads like a miracle. "For five years I have suffered off and on with kidney trouble. Last fall I had an attack, for which the doctors had little hope of my recovery. I was obliged to go to the hospital for treatment, but it did me no good, so I came home given up by the doctors. A friend suggested Dodd's Kidney Pills. From the first box I improved. Now I am at my work every day."
