Each subscriber is now connected with central with an individual metallic circuit, ensuring good service. Also there has been added nine new subscribers to the exchange and as O'Leary is connected with the Company's new metallic toll circuit running from Summerside west it affords the people of that section the best of telephone facilities.—S.

The death occurred at the home of her parents, James and Mrs. Morgan, Spring Park Road, Charlottetown, yesterday of Miss Loretta Morgan, after an illness of about nine months. The deceased was a young girl possessed of many sterling qualities which endeared her to her friends and the family's loss is a severe one. She leaves to mourn besides her parents the following brothers and sisters: Mrs. Edward Byrne, City; Miss Sarah, Halifax; Miss Maud, Roxbury; John, Roxbury; Stephen, Maine; Arthur, New Glasgow; and William and James at home. John Walker, Kelvin, and Mrs. Henry Bynon, Kensington, are spending a few days with their sister Mrs. Charles Quigley, St. Peters, who lies seriously ill. John Quigley who has been ill for some time is still confined to the house.

One of the oldest residents of this province passed away at the Infirmary at Falconwood yesterday in the person of John Johnson, familiarly known as "Jock." He was aged ninety seven and up to the past two years fully retained his physical and mental strength, declining physically however, as he approached the century mark. He was an old settler of Scotch birth and came here over half a century ago. He had sailed practically all his life and was shipwrecked eight times. He was a mariner of the old school and his experiences, often related by himself in his own true Scottish accent, were of great interest and if all gathered would indeed make an interesting history. For some years he was captain of a sailboat which ferried between Charlottetown and Rocky Point and more latterly was engaged as a rigger and other odd jobs. In his declining years he was in the Charlottetown Hospital and lastly in the Infirmary. His funeral will take place today.

S. F. Tarbush, Charlottetown, Organizer for the Canadian Order of Foresters, has completed his work with Court Shamrock, Montague. He has recently initiated forty new members into that court and it is

now in an even more flourishing condition than before. At the last meeting he installed in office the following:—C. R. McMillan; Chas.—J. A. Brehaut; Con.—J. M. Kennedy; Rec. Sec.—L. W. Shaw; Fin. Sec.—E. Parkman; S. W.—H. McGregor; J. W.—C. Dewar; S. B.—W. Lymon; J. B.—Geo. McDonald; Treas.—J. A. Thompson. W. L. Poole is the Chief Ranger.

At the banquet tendered John Anderson, Kensington, Friday evening, Joseph Rogers favored those present with a recitation composed by his eldest son, now in Western Canada. The declamation by Miss Ella McMahon was greatly appreciated. During the evening the audience rose and sang "For he is a jolly good fellow," after which the gentlemen on the platform honored Mr. Anderson. At the close of the program the singing of familiar songs was participated in by many present, Miss Mamie Bentley accompanying on the organ. P. F. Hughes, Emerald, was present and delivered an interesting address. The above facts were not phoned through to The Guardian at Charlottetown on Friday evening, owing to the early closing of the Kensington telephone office.

Major A. G. Peake and Capt. C. L. McKay of the Fourth Regiment, Charlottetown, have returned from Ottawa, where they interviewed the Minister of Militia re the proposal to have all the artillery drill in Pelawawa for 16 days. They represented to the Minister that it would be impossible for many of the men, such as clerks in the banks, etc., to leave home at that time. As a result of their representations it is likely that the training will be held as usual this year in Charlottetown. It is

likely also that the proposal to reduce the staff, will not be carried out.

George Douglas of the mechanical Department of the P. E. I. R., Charlottetown while engaged Friday in cutting a piece of boiler plate met with a painful accident, sustaining a deep cut across the wrist from the jagged edge of the plate, which severed two arteries. Herbert Vandierstine with great presence of mind lashed up the arm with a tight band which considerably allayed the flow of blood and the injured man was taken to Dr. Ralph's office, where the wound was dressed. Mr. Douglas will on account of this accident be unable to resume work for several weeks.

The residence of Peter McN. and Mrs. Robertson, of Marshfield, was the scene of a pleasant function Friday night, when a farewell social was tendered their son, Bannerman Robertson, who leaves today for Winnipeg, where he will locate. About one hundred persons were present from Marshfield, Suffolk, French Fort, Charlottetown and other sections. Wallace Owen of French Fort, on behalf of the company, presented Mr. Robertson with a handsome dress suit case. The recipient acknowledged the presentation in suitable terms, and Mr. Robertson, Sr., also expressed his appreciation of the tribute of regard to his son. The hours were enjoyably spent in dancing, games, etc., and a dainty supper was served during the evening.

The old Queen's County Jail which has stood in Charlottetown for something like one hundred years is soon to be a thing of the past. Fred Roberts, of Charlottetown has secured the contract for its removal and sale, and the ancient Bastille has got to be removed before May 15th. There were eight persons tendered for the jail, but that of Mr. Roberts was the highest, being, it is understood in the vicinity of \$600.

On Saturday afternoon two little chaps aged six and nine left the home of one of the ladies where they were supposed to be playing and took a stroll to the river. Near the Railway wharf on the ice they went down in deep water and had it not been for the timely assistance of some railway men who helped them out of their dangerous predicament they might have fared badly. While in the water the presence of mind of the youngest chap was noteworthy. Even in the chilling water the one least weighted with years thought it necessary to admonish his older companion to keep cool. They were driven to their homes and after a hot bath and a term in bed were none the worse of their adventure.

TWO WOMEN TESTIFY

What Lydia E. Pinkham's Vegetable Compound Did For Their Health—Their Own Statements Follow.

Haliburton, P. E. I.:—"I had a doctor examine me and he said I had falling of the womb, so I have been taking Lydia E. Pinkham's Vegetable Compound and it has done me a lot of good. All the bearing-down pains have vanished. I have gained ten pounds in weight, the discharge is all gone, and I feel better than I have for a long time. I think any woman is foolish to suffer as I did for the sake of a few dollars. "You can use my letter as a testimonial. It may encourage other poor women who suffer as I did to use your Vegetable Compound."—Mrs. GEO. COLLICUTT, Haliburton, Lot 7, P. E. I.

Read What This Woman Says: New Moorefield, Ohio.—"I take great pleasure in thanking you for what your Vegetable Compound has done for me. I had bearing down pains, was dizzy and weak, had pains in lower back and could not get up on my feet long enough to get a meal. As long as I laid on my back I would feel better, but when I would get up those bearing down pains would come back, and the doctor said I had female trouble. Lydia E. Pinkham's Vegetable Compound was the only medicine that helped me and I have been growing stronger ever since I commenced to take it. I hope it will help other suffering women as it has me. You can use this letter."—Mrs. CASSIE LLOYD, New Moorefield, Clark Co., Ohio.
