FINANCE

By Bernard S. O'Hara
Associated Press Financial Writer

NEW YORK, May 23—(AP)—A little more confidence returned to the stock market today but there still were enough doubts to keep any worthwhile rally from developing.

Canadian stocks were mixed. International Nickel gained 1-4 and Brazilian Traction, Ford and Lake Shore 1-8 point each. Hollinger and Imperial Tobacco led the losers, each declining 3-8 of a point while Dome and Imperial Oil fell 1-8.

The Associated Press average of 60 stocks was unchanged at 38.5. Volume dwindled to 261,580 shares, second smallest turnover since last Aug. 26. It compared with 401,530 the day before.

Many leaders never registered on the ticker tape. Bethlehem Steel, for instance, opened two hours and 10 minutes late and ended down 1-3 to 69 1-2. U. S. Steel was up 1-4.

Finishing with modest advances were Santa Fe, N.Y. Central, Pennsylvania, Southern Pacific, Great Northern, Goodyear, Goodrich, Sperry, Aviation Corps, Pan-American Airways Westinghouse, Commercial Investment Trust, National Biscuit, American Tobacco 'B' and Corn Products.

Lower were Chrysler, American Telephone, Kennecott, American Smelting, Sears Roebuck, Allied Chemical, Dow Chemical, J. C. Penney, Standard Oil (N.J.), Bend International Loan and Western Union.

Attention Farmers Near Charlottetown

Reports which we have been able to obtain are that Ontario are cutting quite heavily their acreage on Turnips due to a labor situation.

In conversation with many farmers near Charlottetown, we find there is a slight cut here. I would not recommend cutting your acreage so heavily this year. The cost of growing an acre of Turnips is small; the labor can be done principally by the youngsters and with the increased amount of business and new markets that we have reached in the past season, we are looking forward to really good demand throughout the fall and winter months for Turnips. This is for your information.
