AN EXPLORER DEAD.

MANISTIQUE, Mich., March 29.—With the death here of Frank X. E. Mansion it is believed there is but one survivor of the ill-fated Arctic expedition commanded by De Long. This is Rear Admiral George W. Melville. Mansion's death was due to his experiences in the Arctic.

SURGEONS RESORT TO THE KNIFE.

When a Simple Home Remedy Cures

Why do physicians always advise an operation for the cure of hemorrhoids, or piles? Are they unconsciously influenced by the dicta of operating surgeons, who stoutly assert and maintain that all other treatments are merely palliative, and that the knife affords the only means of cure?

There could be no greater fallacy, as the worst possible cases of piles are permanently cured by the use of Pyramid Pile Cure, which is in suppository form, is applied directly to the source of the complaint, and removes the cause, which an operation does not.

"I have been a sufferer from piles for over forty years, and after trying everything I could hear or read of, without benefit or relief, I came to the conclusion to give Pyramid Pile Cure a trial, and I can truly say it has given me entire satisfaction; it is a wonderful remedy. The bleeding has entirely ceased, the protruding has stopped, there is no longer any itching, and I feel no swelling of the parts; in fact I feel like a new man.

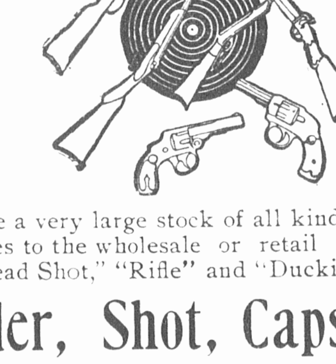
"I had to wear a truss for several years, to keep the bowel up, but I have now discarded it, after using six boxes of Pyramid Pile Cure. I think after forty years of suffering, the six boxes was a small amount to make such an agreeable change, as I was unable to do any work that required stooping in the last eight years. I recommend Pyramid Pile Cure to every one with whom I come in contact, as I consider it beyond price." Geo. W. Ivey, Confederate Soldiers Home, Richmond, Va.

We vouch for the truth and accuracy of the above testimonial, and urge all sufferers to purchase a fifty cent package of this famous remedy at the nearest drug store, and give it a trial tonight. Accept no substitutes, and remember there is no remedy "just as good."

The Pyramid Drug Co., Marshall, Mich., publish a little book on the causes and cure of piles, and will gladly send it free to any address.

KILLED HIS FATHER.

FORT PAYNE, March 29.—J. C. Coles policeman and deputy sheriff at Battle, was killed yesterday by his ten year old son. The boy had been fighting with other boys and his father whipped him for it. The child afterwards secured the parent's pistol and blew his father's head off.



We have a very large stock of all kinds of ammunition, and our prices to the wholesale or retail trade cannot be beaten. "Dead Shot," "Rifle" and "Ducking"

Powder, Shot, Caps, Cartridges, Shells, Wads, Guns.

Wholesale and retail.

THE CAPITAL OF THE WEST

SMALL & BEARISTO have an elegant lot of potted flowers for Easter.

REV. A. N. SIMPSON preaches tomorrow morning on "The Resurrection," and in the evening "The Work of the Holy Spirit in Creation."

The entertainment held under the auspices of the Presbyterian Guild in Market Hall Tuesday evening was a most creditable and pleasing event, and quite a success in all respects. The program consisted of vocal and instrumental music, readings and a dialogue. Besides local talent there were vocal solos given by Miss Warburton and Leslie W. Cook of Charlottetown which delighted the audience.

THE announcement of the intended departure from Summerside of Rev. Dr. Smith will be learned with universal regret not only in this town, but throughout the whole Province. During Dr. Smith's labors in Summerside he has earned and received the highest esteem of all classes of his fellow citizens. His work here has resulted in a pronounced advance in the cause for which he is devoting his energies, and his labors here will doubtless continue to bear fruit in years to follow his sojourn amongst us. Dr. Smith has accepted a call to a field, where he has reason to believe his duties to his Master and church are more urgent. Summerside can ill afford to lose such a talented and uplifting worker in the interests of the souls of men, but our people will be thankful for the blessing of his invaluable teaching, and Sydney will share in a revival of the spirit which must surely follow the pastoral work of such a gifted preacher of the Gospel. In all all public movements for good, Dr. Smith's counsel will be missed with deep regret. And while all will feel that in his departure Summerside is deprived of zealouas and powerful advocate for social and moral reform, the best wishes of the community will accompany him in his new field.

EASTER MARKET.

As usual great interest is centres in and about the market shack yesterday and to-day, and great numbers of our citizens view the excellent display of meats. Visitors have seldom seen a better showing of beef, the various stalls presenting a most pleasing sight, and many were the compliments passed by onlookers. Blake Bros. as usual take a first place having amongst their display the carcass of one of the steers fed by themselves and weighing 1125 lbs of dressed beef, being 67½ of his live weight. This beautiful carcass of beef is pronounced by all to be the best on exhibition in the market and seldom has been seen better in their display of former years.

Barrett Henderson has three excellent carcasses of beef, one of which was fed by B. Heartz, Esq., weighing 800 lbs, one by R. Younker 825 lbs and one from Wm. Crews, Kingston, weighing 680 lbs, all of excellent quality and were much admired.

Drake Brothers show five carcasses of excellent beef the quality of which was much commented upon. They were fed by the following farmers:—Frank Gates, R. Toombs, Government Stock Farm, and P. Cannon.

S. Brown's display of two choice carcasses would compare very favorably with any we have seen.

A. Brown, P. Carley, S. Gay & Son, John Allen and H. Ward also make excellent displays besides others who arrive to-day.

"Since Eve ate apples, much depends upon dinner". Thus wrote Byron; and in these present days much too depends upon the Easter roast. But no one of our epicure could be dissatisfied with what is being provided. The exhibit of beef in the market yesterday and today is one of which our dealers should be proud. As all would have expected the widely known firm of Saunders & Newsom are fully up and we believe superior to their standard of former years. Their apartment in the market was visited yesterday by hundreds of our citizens who viewed with evident satisfaction the splendid display of meats. All must have been impressed with the wonderful capabilities of our province as a meat producing country for nowhere in Canada we believe could a more tempting array of the choicest beef be seen. Among the lot were six carcasses dressing 5025 lbs of the highest grade of beef. One was fed by D C McKinley of North River, and another by by Duncan McMillan of Cymbria, also a heifer fed by James Mutch of Cymbria. Such carcasses reflect the highest credit upon the feeders who are already recognized as among the leaders in P. E. Island. Included in the display are also two of the finest carcasses of mutton ever hung in the Charlottetown market, one of them weighing 125 lbs. These were fed by Andrew Wells of Alberton, who has established an enviable record as a stock feeder and particularly of sheep. Three carcasses of fine spring lamb besides an elaborate showing of hams, bacon, lard, sausages, etc., complete an Easter display which is highly creditable to the firm and must be appreciated by the general public. It may be added that one quarter each of the beef referred to has already been purchased by the Queen, Plaza and Sea View hotels, whose proprietors are always watchful for the best that is offered.

VERY TRYING TO WOMEN

Are the Peculiar Ills Brought on by Catarrh of the Pelvic Organs.

(Pe-ru-na is a Tonic Especially Adapted to Their Peculiar Diseases.)

Catarrh is a very frequent cause of that class of diseases popularly known as female weakness. Catarrh of the pelvic organs produces such a variety of disagreeable and irritating symptoms that many people—in fact, the majority of people—have no idea that they are caused by catarrh.

A great proportion of women have some catarrhal weakness which has been called by the various doctors she has consulted by as many different names. These women have been treated and have taken medicines, with no relief, simply because the remedies are not adapted to catarrh. It is through a mistaken notion as to the real nature of the diseases that these medicines have been recommended to them.

If all the women who are suffering with any form of female weakness would write to Dr. Hartman, Columbus, Ohio, and give him a complete description of their symptoms and the peculiarities of their troubles, he will immediately reply with complete directions for treatment, free of charge.

"Health and Beauty," a book written especially for women, sent free by Dr. Hartman, Columbus, Ohio.

Miss Alice Dressler, of No. 1313 North Bryant Ave., Minneapolis, Minn., writes as follows concerning Peruna:

"I was suffering from catarrh of the throat and head. One of my college friends, who was visiting me, asked me to try Peruna and I did so and found it all and more than I had expected. It not only cured me of the catarrh, but restored me to perfect health."—Alice Dressler.

Miss Mamie Groth, Platteville, Wis., writes:

"I have for several years suffered with frequent backache and would for several days have splitting headaches. Several of my friends advised me to take Peruna and I asked my physician what he thought of it. He recommended it and so I took it and am entirely without pain of any kind now."—Mamie Groth.

In a recent letter from No. 2 Grant Ave., Denver, Col., Mrs. Ida L. Gregory writes:

"Some six years ago my husband suffered with nervous prostration, and advising with a friendly druggist he brought home a bottle of Peruna. His health was restored from its use, his appetite was increased and restful sleep came to him."—Ida L. Gregory.

Miss Florence Murphy, No. 2703 Second Ave., Seattle, Wash., writes:

"I suffered for over a year with female trouble, and although I tried several physicians none of them seemed to be able to help me permanently.

"It only took a little over three bottles of Peruna to make me well and strong. I never have backache, headache or bearing down pains any more."—Florence Murphy.

Mrs. Louise Westbrook, No. 9 East Columbia St., Detroit, Mich., Secretary of the West Side Lotus Club, writes:

"For several years I suffered with leucorrhœa and painful menstruation, which was followed by general debility, until I was but a wreck of myself. Thanks to Peruna I am a well woman to-day."—Louise Westbrook.

Miss Jessiemene Westland, No. 767 Beaubien Ave., Detroit, Mich., District Deputy of Detroit Independent Order of Good Templars, writes as follows:

"Peruna has been a blessing to me and gladly do I indorse it. For two years I suffered with catarrh of the stomach. I lost flesh and grew thin and emaciated, nervous and exhausted, so that I could neither work or enjoy life. I began taking Peruna and can now eat and enjoy everything I eat. I have been well over a year now."—Miss Jessiemene Westland.

Weeks' & Co. sell Men's Hats and Caps

Farmers as a rule lay in their stock of seeds, such as wheat, oats, clover, timothy, etc., early in the season, but the supply of seeds for the vegetable garden is left for "any old time." After the farm crop is in, is plenty time in the estimation of most farmers for a vegetable garden. Now farmers this order of things should be reversed. As a rule the garden plot is fit for tilling before the rush of farm work commences, and if it is not planted before that, it is generally left to take care of itself. To be successful in many lines of vegetables, an early start is of paramount importance—onions, parsnips, beets, carrots, peas, cabbage, lettuce radish, turnips, celery, cauliflower, etc., can be planted as soon as the ground is fit to work, and as an inducement for early sales of vegetable seeds, J. J. Gay & Son make the following offer, good to the 1st of May. Persons buying from us in the market or sending by mail $1.00 may select seeds amounting to $1.25 and at this rate for as many as they may require. It must be understood that this premium is allowed only on flower and vegetable seeds by the packet and ounce and not on seeds by the pound or quart. All vegetable seeds are 5c per packet and by the ounce 10c excepting onions 15c ounce, cabbage 20c an ounce; all flour seeds in stock 5c packet. We direct special attention to our sweet pea seed. There is none better, very few as good, 5c packet, 10c ounce, or one quarter lb. 20, one lb. 60c. —J. J. Gay & Son, Charlottetown, and Market House. 3-22 Tu Fri & w 1 mo

There is a SOMETHING about VIM TEA that is to be found in no other tea," said a Saint John lady to a grocer the other day. She did not know exactly what or how to describe the difference, only there was a "something" VIM TEA had that other teas lacked. That something was a little more QUALITY.
