Gained Both in Strength and Weight

Another case that proves the merit of **Ferrozone**.

"I was in poor health nearly all last winter," writes Mrs. Cross of Wakefield, Ont. "My appetite was variable. I was weak and nervous. I suffered a good deal from nervous prostration and palpitation of the heart. My digestion was generally out of order. By springtime I had lost flesh, color and had a bad cough. The doctor didn't help me very much, so I decided to try Ferrozone. It did me more good in one week. I gained strength, looked and felt a lot better. When I had used six boxes of Ferrozone I weighed myself and found a gain of fifteen pounds. Ferrozone rebuilt my constitution, and made me a new woman. I considered Ferrozone worth its weight in gold to every weak woman. I can quickly and save big doctors' bills. (MRS. R. CROSS.)

No tonic so certain, so helpful, so safe. Ferrozone yourself—50c per box at all druggists.

Yr. James B. Duke is to-day one of the wealthiest men in the world. When you see a liberal advertiser you see a rich man. The business man who in this age of advertising is afraid to invest his money in publicity will never accumulate a fortune.
