Proof That No One Can Doubt

That Dodd's Kidney Pills Always Cure Rheumatism.

Conclusive Evidence Given by Durham Brown, of Brantford, Ont.—How and Why the Cure is Effected.

BRANTFORD, Ont., Feb. 25.—(Special).—That Rheumatism is caused by diseased Kidneys and that Dodd's Kidney Pills cure both the sick Kidneys and the Rheumatism is again proved in the case of Mr. Durham Brown, of No. 2 Spring Street, this city.

"I was troubled with backache and other well-known symptoms of Kidney Disease," Mr. Brown states. "I also suffered from rheumatism in my right side and hip to the extent that I was always while at work in agonizing pain.

"After taking one box of Dodd's Kidney Pills I found an improvement and after taking six boxes I found both my Kidney Disease and Rheumatism entirely cured."

Mr. Brown is only one of many cases in which it has been proven beyond a doubt that the natural way to cure Rheumatism is to remove the cause. The cause of Rheumatism is uric acid in the blood which crystallizes all the muscles and joints. Well Kidneys strain the uric acid out of the blood. Dodd's Kidney Pills make well Kidneys. That's why Dodd's Kidney Pills always cure Rheumatism.

At a special meeting of Court Garden Island, C. O. F., Mt Herbert, the following letter of sympathy was passed signed by James McCallum and Christopher McLean and ordered to be presented to Brother R. Percy Mutch and family. Whereas it has pleased the Ruler of the universe to call to Himself your beloved wife and the mother of your three little children. Resolved that we your Brethren of Court Garden Island C. O. F., beg leave to extend to you our heartfelt sympathy in your sore bereavement. We are all well aware that during the four years of her illness all that a devoted and loving husband could do, was done by you. Experienced physicians and attentive nurses endeavored to relieve her suffering, but could not preserve her life. "The issues from death are with God," and He saw fit in His wisdom to remove her from a world of suffering to a place where there is neither sorrow nor crying, where there is no suffering, and nothing to disturb or annoy. It will certainly aid you in carrying the burden of your sorrow to think how patiently suffering was born by your beloved partner. To you and your little family we extend our deepest sympathy but freely acknowledge that it cannot heal the wounds that have been made in your hearts. That can only be accomplished by Him who came to bind up the broken hearted to give the oil of joy for mourning and the garment of praise for the spirit of heaviness. He who knows all the sorrows through which His people have to pass, have told us in His word to cast our burdens upon the Lord and he will sustain us. May you experience the truthfullness of this statement in your own life." (Pat. please copy.)

Chest Inflammation.

Suffered From a Heavy Cold, Pleurtic Pains in Side—Constant Coughing.

"NERVILINE" CURED QUICKLY

Anyone that goes through all that I suffered last winter will appreciate the value of a remedy that cures like Nerviline cured me. "These are the opening words of the solemn declaration of E. P. Von Hayden, the well-known violinist of Middleton. "My work kept me out late at night, and playing in cold drafty places brought on a severe cold that settled on my ches. I had a harsh racking cough and severe pains darted through my side and settled in my shoulders. I used different liniments, but none broke up my cold till I used Nerviline. I rubbed it on my neck, chest and shoulders, morning and night, and all the pain disappeared. Realizing that such a heavy cold had run down my system, I took Ferrozone at meals, and was completely built up and strengthened. Since using Nerviline I have no more colds or pleurisy, and enjoy perfect health."

NERVILINE CURES CHEST COLDS

It's because Nerviline contains the purest and most healing essences and medicinal principles, because it has the power of sinking through the pores to the kernel of the pain — these are the reasons why it breaks up colds, cures lumbago, stiffness, neuralgia, sciatica and rheumatism. Refuse any substitute your dealer may suggest—insist on Nerviline only. Large bottles, 50 cents, trial size 25c. Sold everywhere, or The Catarrhozone Co., Kingston, Ont.

WANTED TO VOMIT

A Condition Involving Both Liver and Stomach that was Quickly Cured by Dr. Hamilton's Pills.

"The doctors told me my sickness was caused by complications of the stomach and liver," writes Mrs. E.P. Fourraine, well known in Williamsport. "The least little error in eating would cause nausea, and after a time actual vomiting was easily excited. I grew very thin, pale, with dark lines under the eyes; my strength so failed that even light housework quite exhausted me. Of course with a large family, I could not afford a doctor all the time, and when in deepest despair, I tried Dr. Hamilton's Pills. From the very first they acted wonderfully, and I experienced a desire for food and ate my meals with a relish. After a while my system became quite regular, and that horrid sick feeling only came now and again. This made me persevere, and it was a good thing I did so, because the continuation of Dr. Hamilton's Pills was the means of giving me my health again, and I am now the happiest woman I know."

Every person with stomach trouble can be cured with Dr. Hamilton's Pills—refuse any substitute. At all dealers, or the Catarrhozone Co., Kingston, Ont.

Canadian Plays The Good Samaritan.

Wants to Cure His Friends.

Mr. Everett L. Holland, a well-known Canadian, moved to the United States some time ago. The change of climate brought on a serious and painful illness, which three physicians said was Stone in the Kidneys, but were unable to relieve his terrible sufferings.

In his agony, Mr. Holland thought of an old and reliable remedy which had a great reputation in his Canadian home—the well-known Gin Pills. These Pills contain the medicinal properties of Juniper berries—whence their name—but are absolutely free of alcohol. Mr. Holland wrote a former neighbor for a supply of these Pills, and on March 20th last, in a letter to the National Drug & Chemical Co. said, "I am well." He is now anxious to have these pills put on sale in the United States, in order to cure his new friends of Kidney and Bladder Troubles. Gin Pills are sold by all dealers at 50c. a box, 6 for $2.50. Sample sent free if you write National Drug & Chemical Co. Ltd., (Dept. P. E.), Toronto.

The Maritime Championship races which took place last night in the Arena were not as largely attended as the evening's sport warranted. The fact that a number of mainland skaters having reputations such as are held by Logan, Thompson and Bouche were competitors should draw a large audience and Championship events of this nature do not fail to the one city two years in succession.

Freddy Logan, St. John, was the favorite in last night's sport and his splendid work was perhaps the best exhibition of speed skating ever seen in this province. Bouche and Thompson, his Nova Scotia rivals, put up gamey struggles against the champion but in every race in which he finished he secured a victory over his competitors. Gaudet of Charlottetown, won three thirds in the Championships and pluckily fought out every race he started in.

The open and junior events were good races and afforded much towards the success of the meet. The Relay race between men from the Victoria and Abegweit hockey teams was very interesting and the winners received more applause than was afforded any of the other events.

Obstinate Skin Disease

The Blood Treatment Cured.

The following interesting letter is from Mrs. J. E. Bryson, of Melville Bridge P. O.:—"Last summer I went to Toronto, and am especially glad I did so, because there I learned about "Ferrozone," which my friends told me was a wonderful blood builder and purifier.

"Though I am quite active, for nearly three years my face and some parts of my body were covered with an almost unceasing succession of pimples. At first they were quite angry looking, and later they would die down to a scaly scab. Life in the open air, lotions and washes were all quite useless. My friend pointed out that my blood was impure, and Ferrozone would cure it. Faith doesn't matter when you use Ferrozone—for I hadn't any. All my trouble was on the outside, and it seemed hard to see how inward medicine could help it. At first I had a month's crop in a few days, but it didn't keep up. Ferrozone drove all the poison out of my blood—my skin healed over, grew smooth and flexible, and to-day you can't see a sign of a pimple. I feel improved in a lot of ways—have a good appetite, a clear, ruddy color, sleep well and look the picture of health."

For debility, thinness or impurity in the blood—for a run-down condition, no tonic will be found so invigorating and strengthening as Ferrozone. Try it, one or two tablets at meal time, 50c, all dealers or The Catarrhozone Co., Kingston, Canada.
