The promoters believe that they are giving a good thing, one of the best of its kind, ever given in Charlottetown. Doors open at 7.30 o'clock. The Charlottetown Poultry fattening station is at present fattening the last lot of chickens that will be handled this season. Farmers and all others interested in this enterprise should visit the station before it is closed and thereby gain much useful information. The poultry business is destined to become one of the most profitable of this Province. Mr. THOS. CLARKE, at Cape Traverse, shot a nice red fox Wednesday evening last with one of the old flint guns said to be one hundred and fifty years' old. Mr. Clark values this shooting iron highly on account of its age. We notice a good lot of jealousy and sarcasm from the mouths of other local sportsmen who are equipped with fox hounds, double acting shot guns, etc. Mr. Clark's brave deed is therefore the more commendable. A FREAK of nature.—In the show window of the Central Drug Store are shown two large photos of a sponge. The photo of a perfect hand, supposed to be grown on the hand of a corpse. The sponge was purchased from a native of the Bahamas and is the property of a gentleman of Halifax. The open marks in the fingers shown where the bones having become dissolved, melted away leaving these marks. Elsewhere in this issue will be found an announcement by the Mutual Life Insurance Company. Some idea of the extent of the business transacted by the above company will be gained when it is learned that the funds held by the Mutual Life exceed the combined capitals of the Bank of England, Bank of France, Imperial Bank of Germany, Bank of Russia by \$125,021,682. The new form of policy has three advantages, viz. The security of \$301,844,587 of assets. Profitable investment; liberal loans to the insured. It is asserted that the employers and employees will come to a definite understanding before the end of the week.

CAUSED A SENSATION.

BERLIN, Nov. 27.—A sensation was caused in the Reichstag yesterday by the action of Baron Thielmini, secretary of the imperial treasury, in referring to the introduction of a military pensions bill. He declared that the imperial old age pension was bankrupt. Three years ago the surplus of this fund was 85,000,000 marks, whereas the deficit is now 17,000,000 marks.

THE ARMY OF HEALTH.

The Army in The Philippines Insignificant Compared with this One.

If all the people in the United States, Canada and Great Britain who make daily use of Stuart's Dyspepsia Tablets could be assembled together it would make an army that would outnumber our army of one hundred thousand by at least five to one. Men and women, who are broken down in health, are only a part of the thousands who use this popular preparation, the greater number are people who are in fair health but who know that the way to keep well is to keep the digestion perfect and use Stuart's Tablets as regularly as meal time comes to insure good digestion and proper assimilation of food. Prevention is always better than cure and disease can find no foothold if the digestion is kept in good working order by the daily use of Stuart's Dyspepsia Tablets. Mr. Thomas Seale, Mayfield, Calif., says: "Have used and recommended Stuart's Tablets because there is nothing like them to keep the stomach right." Miss Lella Dively, 4827 Plummer St., Pittsburg, Pa., writes: "I wish everyone to know how grateful I am for Stuart's Dyspepsia Tablets. I suffered for a long time and did not know what ailed me. I lost flesh right along until one day I noticed an advertisement of these tablets and immediately bought a 50 cent box at the drug store. I am only on the second box and am gaining in flesh and color. I have at last found something that has reached the ailment." From Mrs. Del. Eldred, Sun Prairie, Wis.: "I was taken dizzy very suddenly during the hot weather of the past summer. After ten days of constant dizziness I went to our local physician, who said my liver was torpid and I had over heated my blood; he doctored me for two weeks without much improvement; I finally thought of Stuart's Dyspepsia Tablets (which I had used long before for various bad feelings) and the first three tablets helped me. They are easily the best all around family medicine I ever used." The army of people who take Stuart's Tablets are mostly people in fairly good health, and who keep well by taking them regularly after meals. They contain no opiates, cocaine or any cathartic injurious drugs, simply the natural peptones and digestive which every weak stomach lacks. Stuart's Dyspepsia Tablets are sold by druggists everywhere in United States Canada and Great Britain.

When you've gathered in your harvest, and you've cellared up your "spuds" And you're hoarded honest dollars in your palm, Will you save another twenty on your winter stocks of "dud's". By ordering up the rig with Artist Sam? He's a knacky-handed tailor and his weaknesses are naught. (The day we made the bargain, thus I found him). He's up before the public chalking measures on the cloth, And he's got a lot of other Sam's around him. Dad's Sam, lad's Sam, Sam with a Highland heart.— (Twenty hundred men and boys wearing the suits he gave) Isn't he doing a rising trade? Let us give 'im a roaring start; Buy his stock for your wallet's sake, and save, save, save. There's a suit you ordered last year, when you weren't so very stout, Don't you think you need to fire it up the hatch? There is soup and slobbers and the buttons pulling out, And its more than over likely there's a patch. There are clothiers by thousands and they swear they never lie, And they butcher shiny shoddy by the bale; You may safely place their whereabouts some day you're passing by, By the indicating ad "A Slaughter Sale" There's your little son or brother and he's tearing all his clothes 'Cause he doesn't give a jolly tinker's dam; I would cure him up forever with a half dozen blows Of the unoffending tape of Sartor Sam. He's a knacky-handed tailor, he's a daisy on a pants. And he'll give you lots of pocket on the hip; For what's the use of Temperance and Elections in advance? Get you ready all your pockets and your grip. The above poem was written by a well known Canadian poet for S. A. McDonald's fashionable tailoring.

O'Donnell, a Washington contractor, who is said to have bought and swallowed forty drinks of whisky in the "Olympia," a vanderville theatre in this city, a week ago, resulting, it is claimed, in his death.
