FOUND!

The lost world, a world peopled by primitive man—by gigantic dinosaurs ranging in size from six to fifteen elephants, flying reptiles as big as aeroplanes— You see them on the screen just as they are in flesh and blood.

"I shall prove to the veriest skeptic that these prehistoric monsters still exist in the lost world in the Amazona." Prof. Geo. E. Challenger.

COURIER REMEMBERED.—On Monday, March 1st the boxholders on Cardigan Rural Route No. 5 kindly remembered their mail carrier, John D. McAulay and presented him with a well filled purse in behalf of services rendered. Needless to say Mr. McAulay has one of the longest routes in Eastern Kings County, the total mileage in winter, being upwards of forty miles. On this route he passes through Glenfanning, Bridgetown, Dundas, Poplar Point, France Road and Annandale. His cheerfulness on all occasions has won him a great many friends, he is always willing to oblige his neighbors by rendering numerous services for them, and here's hoping "Jack" will be on the job next summer too.

A CANADIAN POET AND HIS VIRILE MESSAGE.—We have been hearing about Scottish and English literatures and poets at the Caledonian Club this season, and now tonight for the first time those who attend Mr. D. Edgar Shaw's lecture will have the pleasure of hearing about a characteristic Canadian poet, R. W. Service who may be coupled with Drummond as the voice of a particular class and section of the people of Canada. Mr. Shaw has had prepared a large wall map of the Yukon which will help to illustrate his lecture. His ability as a lecturer is well-known, indeed, if there were a chair of English literature at Prince of Wales College, Mr. Shaw would adorn it.

MARSHFIELD.—The annual meeting of the Marshfield Telephone Co., was held in the Hall at Marshfield on Monday eve, March 1st. Mr. Ludlow Jenkins, President, occupied the chair. After calling the meeting to order, the Secretary Mr. H. B. Dennis read a report of the year's work, showing the Company out of debt with a small balance to the good. The old officers and directors were elected for another year as follows: Ludlow Jenkins, President; H. B. Dennis, Secretary; Treasurer, Directors, C. F. Ferguson, W. W. Owen, Herb Thompson, Wal Wood. A fee of \$1.50 was levied on each member to cover expenses for the present year. All the members expressed themselves as well pleased with services rendered by the P. E. I. Telephone Co.—(Patriot please copy)

BANKER TRANSFERRED.—Friends of Mr. W. E. Barrett of the local branch of the Canadian Bank of Commerce, will be interested to learn of his transfer to the New York office, notice of which arrived on Saturday, February 13th, says a Sydney Exchange. Mr. Barrett has been in Sydney for several years being the oldest member of the present staff and during his term here has made many friends who will be regretful to learn of his departure to take place within a couple of weeks. He has always taken an active part in the young people's activities of the city, and has been the efficient and capable treasurer of the Bachelor's Committee since its organization some three or four years ago. Though sorry to lose Mr. Barrett his friends and acquaintances will be glad for the promotion which will mean much for him, and will join in wishing him continued success in the big office to which he goes. He leaves on Sunday evening's express for New York. Previous to his departure Mr. Barrett was the guest of honor at several enjoyable gatherings. On Friday evening he was presented with a silver cigarette case by the members of the local staff. The presentation was accompanied by expressions of regret that Mr. Barrett was leaving Sydney. The above referred to is a son of Mr. and Mrs. Archibald Barrett, Wheatley River, P. E. I.

Lieut-Governor Frank R. Hartz's Plea for the Colored Children's Home

To Whom it May Concern

This is to certify that I know that the good work now being carried on by The Colored Children's Home, situated in the vicinity of Halifax, Nova Scotia, is of inestimable benefit to the Maritime Provinces, and as it is the only institution of its kind in the Dominion of Canada, it must be of great value to the Provinces outside of the Maritimes.

The bearer Mr. Jas. A. R. Kinney, has been especially recommended to me by His Honor the Lieutenant Governor of Nova Scotia, and I have no hesitation in asking the people of this Province to give Mr. Kinney any financial assistance for this institution that they feel they are able to afford, as I believe it is worthy of the support of all races.

I have always had a very high opinion of the integrity, honesty, uprightness and honourable characteristics and attributes of the Colored Race, and I am convinced that we of other races should do everything in our power to bring this effort for raising money for such a worthy object to a successful issue for our colored brethren.

Yours sincerely, (Sgd.) FRANK R. HEARTZ,

Lieutenant Governor of the Province of Prince Edward Island.

To Whom it May Concern:

Following a recent meeting of the Ministerial Association of Charlottetown the work of Canada's only home for Colored Orphan and Neglected Children situated in Halifax, N. S., was investigated and met with the approval and endorsement of the body. We hereby commend this public charity to the citizens of Charlottetown and P. E. I. as an Institution worthy of support.

Signed, Henry D. Raymond, W. M. Ryan, R. C. Eaton, E. H. Ramsay, Nell Herman, Adj. Davis.

while your heart is longing for the sound of the voice that is stilled you may look to Him who is too good to err and too wise to be unkind.

Sorrow endureth for the night but joy cometh in the morning. Signed in loving sympathy in behalf of the L. O. B. A. BLANCHE DARRACH, W. M. MARGARET FIELD, R. S.

Sour Stomach

Instead of soda hereafter take a or sour, acid, gassy stomach, and little "Phillips Milk of Magnesia" in water any time for indigestion relief will come instantly.

For fifty years genuine "Phillips Milk of Magnesia" has been prescribed by physicians because it overcomes three times as much acid in the stomach as a saturated solution of bicarbonate of soda, leaving the stomach sweet and free from all gases. It neutralizes acid fermentations in the bowels and gently urges the souring waste from the system without purging. Besides, it is more pleasant to take than soda. Insist upon "Phillips." Inflamed Eyelids

Redness and Granulation Quickly Relieved

Mrs. M. M. Peters, Ontario, Ont. writes: "My eyelids were red and inflamed so that I could scarcely see. I could not see or read. After suffering for months I was relieved in a week by applying Dr. Chase's ointment."

GRANULATION and inflammation of the eyelids is soon relieved by the application of Dr. Chase's Ointment to the lids at night before retiring. The lids should be carefully cleansed with warm water before applying the ointment. Dr. Chase's Ointment is so pure and clean, so soothing and healing as to be an ideal treatment for this purpose.
