**TUESDAY ORGANIZING TANK BATTALION**  
—Captain W. A. McKee, formerly of Charlottetown, who returned some time ago from the front, and is now at Petewawa in charge of the 65th Battery is reported to be arranging to organize a tank battalion for overseas.

**MORE GERMAN PRISONERS**—About eighty more German prisoners are expected to arrive on the Island the last part of the week. They will be employed on work on the railway line west of Charlottetown. The Agricultural Hall in this city is now being fitted up as quarters for them.

**TRANSFERRED**—Mr. Ernest Davis, Accountant at the Royal Bank, at Sackville, N.B. has been transferred to the Royal Bank at Charlottetown, and Mr. C.W. Moss, of Springhill, has been appointed to take his place at the local branch. Says the Sackville Tribune.

**POLICE COURT**—At the Police Court yesterday a woman charged with abusive language to another was fined \$20 or 30 days. The man McInnis from whose premises the seizure of liquor was made several days ago was convicted and a fine of \$100 and costs was imposed. Another case, against a doctor who gave a prescription for a couple of bottles of whiskey to a man whose ailment was a sore knee, was dismissed. A drunk was fined \$10 or twenty days.

Before the vote was taken, Mr. Schurman informed the members that he would be absent from the city during the year and could not act as secretary. A vote of thanks was passed expressing this decision and thanking him heartily for the year's work.

The general discussion centred round two questions. One was the duty of members giving the Prosecutor every assistance and the other was the paragraph in the report of the Executive dealing with first offences.

The unanimous opinion of the meeting was that the offenders should be punished to the limit, and that the spirit of the law should be carried out, otherwise it would be simply made a farce. In no other way can they make this a sober province.

**WEDNESDAY**

The sympathy of the entire community goes out to Mr. and Mrs. Donald Matheson, Traveller. Rest in their hours of sorrow.

On the 24th of September their youngest daughter Elizabeth Beer passed away after a lingering illness of a few months, which was borne with patience and resignation to the will of an all-wise God. She was a girl of more than ordinary intelligence and a short time ago looked forward to her attendance at the Prince of Wales College, from which so many of the family have graduated. But God's ways are not as ours and her earthly life came to an end at the early age of fifteen years and seven months. She will be very much missed not only in the family but in the community where she was a general favorite. On the 24th the last solemn services were conducted by the Rev. D. MacLean and the clay tabernacle was gently borne by the following young men and laid to rest in Wilmont Cemetery: Ellsworth England, Wm. Lefurgy, Bord Raynor, George Kelly, Robert Champion and James Mac Donald. To add to the solemn and sorrowful watchings by the death bed of their dear daughter, a telegram came to Mr. Matheson, announcing the death of his son in France and a few minutes after this telegram was received their daughter breathed her last, this making a double bereavement for the family. The son Gilbert Sutherland, was a young man of more than ordinary ability, being a teacher in the Technical School in Detroit when the call came he returned and joined the 105th and gave up

The first meeting of the Maritime Synod of the Presbyterian Church in Canada was held last evening in Zion Church. There was a very large attendance, including several hundred ministers and elders, delegates to the Synod.

The sermon for the occasion was preached by the retiring moderator. After the sermon the Synod was duly constituted with prayer and thereafter nominations were called for the moderator for the ensuing year.

Three nominations were made as follows:—  
Rev. Dr. Fullerton, Charlottetown  
Rev. Angus McMillan, Sydney, C. B.  
Rev. Prof. Falconer, Pine Hill

The last named requested his name to be withdrawn and on a vote this was agreed to.

A show of hands was taken between Dr. Fullerton and Rev. Mr. McMillan and the latter was declared elected. On the motion of Rev. Mr. Martin, Wood Islands, his election was made unanimous.

The new moderator was then formally introduced and took the chair. Some formal business was then transacted and Synod adjourned until 9 a. m. today.
