Suffered Five Years

With Palpitation and Pain in the Heart

A Berlin Gentleman's statement of His cure of serious Heart and Nerve trouble through the use of Milburn's Heart and Nerve Pills.

The great number of deaths we read of day by day, which are the result of heart failure, should put everyone on his guard to keep that most vital organ of the body in perfect healthy condition.

On the slightest indication of any heart trouble, palpitation, skip beats, weakness of the pulse, dizzy or faint spells; numbness of the hands or feet, Milburn's Heart and Nerve Pills should be taken. They have saved many a life and are daily proving themselves the greatest benefactors of mankind.

One after another grateful for the blessing of life spared and health restored is coming forward and spreading a word for this splendid remedy.

To-day Mr. F. W. Meyers, King St. East, Berlin, Ont., gives a history of his case in the following words:—

"Milburn's Heart and Nerve Pills are the best remedy for heart and nerve trouble on the market, suffered for five years with palpitation, shortness of breath, sleeplessness and pain in the heart, but one box of these pills completely removed all these distressing symptoms. I have not suffered since taking them and now sleep, well, and feel strong and vigorous."

"Not only do Milburn's Heart and Nerve Pills never fail to cure the disease with which Mr. Meyers was afflicted, but they build up and strengthen the weak, worn out, run down system and impart vigor and vitality to every organ of the body."

price 50c a box or 3 for \$1.25, at all druggists. T. Milburn & Co., Toronto Ont.

QUEEN CITY CASE.

John Blow, 67 Princess St., Toronto, Implicated in a Cure by Dodd's Kidney Pills.

Toronto, Oct. 23.—Mr. John Blow, 67 Princess St., has had his name appear in the provincial press lately in connection with a cure made by Dodd's Kidney Pills. His case was a complication of Lumbago and Diabetes for which he had tried every remedy he ever heard of.

"When I began using Dodd's Kidney Pills," said Mr. Blow, "I had lost faith in all medicines. But from the first one of those Heaven-sent Dodd's Kidney Pills, I experienced relief. Every succeeding box hastened my complete cure."

"I have used in all five boxes and am thoroughly cured,—a strong, healthy, hearty, vigorous man whereas before I started to use your Dodd's Kidney Pills I was a constant sufferer. I cannot find words to express my entire confidence in your Pills."

AN INTERESTING CASE.

Mr. W. G. Phrall, proprietor Bodoza Hotel, 36 Wellington Street, East Toronto, says:—While living in Chicago I was in a terrible shape with itching and bleeding piles. I tried several of the best physicians and was burnt and tortured in various ways by their treatments to no avail, besides spending a mint of money to no purpose. Since coming to Toronto I learned of Dr. Chase's Ointment. I used one box and have not been troubled with piles in any shape or form since."

Dix—Give it time and time will out.
Hix—Yes; I've noticed that in the time it gets so thoroughly out of some men it doesn't even leave a trace behind.

ARE YOU LILIOUS.

A sluggish liver fails to filter the bile from the blood, and when the poisonous matter goes through the body in circulation, the whole system is tainted and deranged. This is called biliousness and can be cured by Dr. A. W. Chase's Kidney-Liver Pills, which act directly on the Liver, making it healthy and active. One Pill a dose, 25 cents a box. The cheapest medicine in the world.

S' SIDE AND PRINCE CO.

THE remains of the late Mr. Roderick M. Donald, formerly of Tracadie, who died in Melton, Mass., on the 20th inst., at the age of 44 years, were brought over by the Northumberland Monday evening.

Mr. H. C. McLEOD, Manager of the Bank of Nova Scotia, Halifax, was a passenger by the Northumberland Monday evening, accompanying the remains of his brother, the late Mr. Leslie McLeod, whose death has been recorded in the GUARDIAN.

DR. DARRACH, Kensington, Dr. McNeill, Stanley Bridge, and Mr. T. A. McLean, Charlottetown left yesterday morning for St. John, N. B., to attend the Supreme Council of the A. & A. Scottish Rite of the Free Masonry for Canada, which meets in that city today.

Mr. S. H. JONES shipped yesterday and Monday 840 lambs for the American market. He intends leaving the Island in a few days or as soon as he can complete settlements with his buyers. He finds that Island lambs are too poor and too light for the prices asked, and that the American markets will not warrant further shipments at present.

HEART DISEASE

Some Facts Regarding the Rapid Increase of Heart Trouble.

Heart trouble, at least among the Americans, are certainly increasing and while this may be largely due to the excitement and worry of American business life, it is more often the result of weak stomachs, of poor digestion.

Real organic disease is incurable; but not one case in a hundred of heart trouble is organic.

The close relation between heart trouble and poor digestion is because both organs are controlled by the same great nerves, the Sympathetic and Pneumogastric.

In another way, also the heart is affected by the form of poor digestion, which causes gas and fermentation from half digested food. There is a feeling of oppression and heaviness in the chest caused by the pressure of the distended stomach on the heart and lungs, interfering with their action; hence arises palpitation and short breath.

Poor digested also poisons the blood, making it thin and watery, which irritates and weakens the heart.

The most sensible treatment for heart trouble is to improve the digestion, and to insure the prompt assimilation of food.

This can be done by the regular use after meals of some safe, pleasant and effective digestive preparation, like Stuart's Dyspepsia Tablets, which may be found at most drug stores, and which contain valuable, harmless, digestive elements in a pleasant, convenient form.

It is safe to say that the regular persistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble except cancer of the stomach.

Full sized packages of these tablets sold druggists at 50 cents. Little book on stomach troubles mailed free. Address F. A. Stuart Co., Marshall, Mich.
