"Speed" At Prince Edward

Appropriately titled "Speed," the picture which opened an engagement of three days at the Prince Edward Theatre last night, effectively mirrors the breakneck pace of the modern generation.

"Speed" was directed by Edwin L. Marin, with James Stewart, Wendy Barrie, Una Merkel, Weldon J. Warne, Ted Healy, Ralph Morgan and Patricia Wilder.

The story definitely captures the tense atmosphere of a typical American automobile plant, at a moment when highly important experiments promise the failure or success of the product.

It is an unusual scene and an extraordinary narrative. The direction is distinguished and the cast presents a striking portrayal of an interesting group in the modern American scene.

Miss Barrie as the daughter of an executive working incognito in the publicity department of the company, provides the romantic interest. James Stewart, in the role of the dare-devil test driver who loves her, gives the finest performance of his promising career.

The story concerns the adventures of a handsome young test driver who has invented a new carburetor which he installs in a racing car. The picture turns to a phase of American life that has not been touched on the screen before and it results in a swiftly-moving drama of romance and action that opens a new field for the cameras and the screen writers.

URGE NEW BANK HOLIDAY

SOUTHPORT, England—The Federation of Hotel and Apartment Associations has recommended that the first Monday in July should be made a Bank Holiday to commemorate the coronation of King Edward VIII.

CROSSES GOAL FOR LUCK

MANHATTAN, Kas.—Admittedly a bit superstitious, Howard Cleveland, scoring Kansas State quarterback, believes that to cross the goal frequently during the game it is advisable to cross it once before the battle opens.

THE ROYAL PACKING CO.

We are in the market to buy large quantities of unfinished chickens weighing 5 lbs. and up dressed. If you do not want to feed and finish your chickens, kill and ship to us and you will find the average price per pound paid by us will be higher than you will receive on a graded basis. If you finish your chickens and they grade Milk Fed A. or B we will allow full market value. Ship express. Daily returns.

JOLLY PARTY AT ORPHANAGE—A very happy evening as spent at the Orphanage, Mt. Herbert, on Oct. 30th when the pupils of Mermaid and Mt. Herbert Schools assembled to hold a Halloween Party. In keeping with the ancient tradition, one was met at the door by a ghost, Jack O' Lanterns, black cats and witches, which formed the decorations, gave a very realistic effect to the occasion. The evening's entertainment began with a peanut scramble followed by interesting and suitable games and contests. A candy guessing contest was won by Winston Wood, Mt. Herbert and a contest, "Pinning the Hat on the Witch" was won by Alex Robertson, Mermaid. Instrumental music furnished by Ralph and Marion Raynor added highly to the evening's entertainment, and the "Highland Fling" prettily danced by Miriam Ings was greatly enjoyed. A delicious luncheon was heartily partaken of and a singing brought a very happy evening to a close. A unanimous vote of thanks was tendered Miss Ber for her hospitality and kindness in assisting the teachers, Miss Auld and Miss MacDougall, make the occasion such a pleasant one.

Personals

Mr. J. C. Gillespie, Carleton, is spending a few days with relatives in Charlottetown.

Mr. Harry Tweedy, Earncliffe, has returned from Toronto where he attended the Winter Fair.

Miss Adelaide Senter, daughter of Mr. and Mrs. Theo. Senter, has returned from Halifax after spending three months the guest of her sister, Mrs. Roy Vall.

Mr. and Mrs. Dennis Rooney, Mrs. Philip Rooney and Mrs. Margaret Hagan, all of Cherry Valley, motored to Charlottetown Wednesday.

Miss Vonnie Greenan returned to Charlottetown after spending a very pleasant vacation with her parents, Mr. and Mrs. Peter Greenan, South Melville. She also visited her many friends in Coleman.

NOW

Is a splendid time to order all your requirements of base-burner Hard and Soft coals for the cold months ahead. Order from us and save.

MAKES WAR ON RATS

LONDON—The Ministry of Agriculture has produced a film dealing with the loss and damage caused by rats and mice and the measures that may be taken for their destruction.

Kelvin Grove

The 9th annual meeting of the Kelvin Grove Women's Institute was held at the home of Mr. and Mrs. Harold Laird on November 10th, 1936. The meeting was opened by the singing of "O Canada" and repeating the creed together. Roll call was responded to by twenty six members. Minutes of the last meeting and the last annual meeting were read and approved. The following committees gave reports. Sick committee reported no illness in district. School committee reported some things needed for school and a committee was appointed to see to same.

The president, Mrs. Wm. Caseley then gave the following address:

Dear Institute Members:—Another year has rolled around and again we gather for our annual meeting and review our work for the past year. During the year we held twelve meetings and have added one new member to our list, making a total of 35 members with an average attendance of 22. We also have 22 subscribers to our interesting little paper, The Institute News. Thirty boxes of fruit were given to the sick in our district. Each one box to a former school teacher and member who was very ill. We remembered our two oldest residents, Mrs. Clark and the late Mr. McKay with a birthday treat and also gave a wedding gift to one of our members. In the passing of an esteemed resident of our district (she being a member of a sister Institute) we endeavored to convey our sincere sympathy by the presentation of a wreath. We also tendered to four members who were bereaved, our sympathy by letter. The school children were given treat at Christmas and closing. We had the school cleaned four times during the year and replaced window shades that were worn, also bought bulbs and plants for beautification of school grounds. A new ice cream freezer was bought for the Institute. Our funds were replenished by a pantry sale in February and an ice cream social in July along with our dues and lunch fees.

At our October meeting a voluntary collection was taken to help make up our yearly donation of \$25 to the Provincial Sanatorium. We also gave our annual contribution to the Carnegie Library and made a house to house canvass for the Red Cross work. A donation of \$5.00 was given to the Prince Co. Hospital.

Our programs were most helpful and instructive and I am sure we are all the better of our association in the work "for home and country." And now as I pass on this work to some one more capable than I, I wish to thank you most heartily for the honor you conferred upon me and also for your patience with my inexperience but most especially for your splendid co-operation and assistance and let us each endeavor to make the year 1937 our very best year.

Respectfully,
(Mrs.) Wm. Caseley.

The secretary then gave a financial report, showing the successful year with quite a balance on hand.

The officers for the coming year were then appointed:
President, Mrs. Wm. Caseley, (re-elected).
Vice Pres, Mrs. Percy McMurdo.
Secretary Treas., Miss Mae Walker, re-elected.
Auditors, Mrs. Edward McMurdo and Mrs. Wm. S. Ayer.
Directors, Mrs. Bertha Walker, Mrs. J. A. Hogg, Mrs. Cecil Paynter.

Questionnaire:—Better Schools and Education, Mrs. Hubert McNeill.
Public Health, Mrs. Robert Crozier.
Child Welfare, Mrs. Cecil Forbes.
Legislation, Mrs. Percy McMurdo.
National Events, Mrs. Lorne Crozier.
Canadian Industries, Miss Margaret McMurdo.
Agriculture, Mrs. Edward McMurdo.
Home Economics, Mrs. Cecil Paynter.
Peace, Mrs. John Thompson.
Organist, Mrs. Edward McMurdo and Mrs. Harold Laird.

Next meeting to be held at the home of Mrs. Hubert McNeill. Lunch Committee, Mrs. John Thompson, Mrs. W. H. McMurdo, Mrs. Stirling Millar, Mrs. Cecil Forbes.

Miss Margaret McMurdo, Miss Georgie Yeo and Miss Gladys Walker were asked to prepare a Christmas program for the December meeting. Members are exchanging Christmas gifts.

A very interesting Peace Day program was put on by the Committee in charge. Recitation by Mrs. Hubert McNeill; instrumental music by Mrs. Edward McMurdo and Mrs. Arnold Walker (encored). A very instructive and interesting Nicholson, Bedeque on Peace. A hearty vote of thanks was extended to him for his address. A ring contest was put on by Mrs. Percy McMurdo. First prize was won by Mrs. Wm. Staver and Mrs. Edward McMurdo. Second prize, Mrs. Cecil Paynter and Mrs. Lorne Crozier. Lunch was served by the hostess assisted by the committee. Meeting closed by singing the National Anthem.

British Columbia leads all the Provinces in value of fish production. This is due to the large output of salmon on the Pacific. Nova Scotia comes second, with lobster the chief fishery; and New Brunswick, third, sardine production leading.

In 1935 there were 632 fish canning and curing establishments in operation in Canada representing a total capital investment of \$17,065,759, as compared with 665 establishments and a capital investment of \$17,372,799 in 1934. The fish canning and curing industry is connected entirely with the sea fisheries. In Prince Edward Island there are 95 establishments in Nova Scotia, 176; New Brunswick, 137; Quebec, 131; and British Columbia, 93.

In 1935 British Columbia led the Provinces of Canada in value of fisheries production with an output worth, \$15,169,529. Nova Scotia came second with an output valued at \$7,852,899; New Brunswick, third, with \$3,949,615 and Prince Edward Island seventh with \$839,685.

Eat Canadian Fish and Shellfish for health, for food value.

"Wheeler & Woolsey" At Capitol

Perhaps the funnest, and certainly the most original, of all Wheeler and Woolsey's screen offerings is "Silly Billies," their newest vehicle which opened yesterday at the Capitol Theatre.

The two comedy clowns tap a virgin field in using the picturesque covered-wagon era as a setting for their riotous nonsense. In the roles of a pair of quack dentists they set forth to pull all the teeth in the wild and woolly West, and quite naturally they find themselves involved in trouble up to their necks.

They rent an office in a ghost-town; save a wagon-train from an Indian attack; narrowly escape lynching, drowning in a quicksand, burning at the stake and other fates. These episodes come thick and fast throughout the plot, and have been deftly handled to maintain the laughter level of the film at a high point.

Petite Dorothy Lee, who has played the feminine lead in nearly all the famous mirthmakers' pictures, again supplies the love interest as a young school-marm on her way to the California gold fields. Harry Woods and Eban Laidlaw make a formidable pair of renegade heavies and little Dolmer Watson plays the Indian chief and Jim Thorpe the noted Indian athlete, head of the supporting cast, along with the "arrest group of extra players" ever to appear in a Wheeler and Woolsey picture.

Hundreds of "Indians and cow boys participate in the wagon train scenes, and the redskin attack sequence offers plenty of real thrills—a contrast to the antics of the two funsters.

FISH EATERS

Many of the diets dictated by doctors and eminent scientists recommend fish foods frequently. This is because fish foods are a source of mineral salts, vitamins and the protein which the body must have every day.

The value of the output of the Canadian fisheries for the year 1935, was \$34,427,854, as compared with \$34,022,323 in the preceding year. The 1935 value is the highest recorded during the five year period 1931 to 1935.

British Columbia leads all the Provinces in value of fish production. This is due to the large output of salmon on the Pacific. Nova Scotia comes second, with lobster the chief fishery; and New Brunswick, third, sardine production leading.

In 1935 there were 632 fish canning and curing establishments in operation in Canada representing a total capital investment of \$17,065,759, as compared with 665 establishments and a capital investment of \$17,372,799 in 1934.
