The firms, merchants and professional men whose cards appear on this page are wide-awake, progressive business people of Prince Edward Island, and are supporting this "Boost Prince Edward Island" campaign. They believe in and have abiding faith in this province in which they do business. So convinced are they of the present excellence and potential greatness of our province, that they have in most instances placed all their resources, time and energy here. Knowing its past they have no fear of the future. They know that a province such as Prince Edward Island does not stand still. Neither does it go backward. It takes supreme faith to entrust one's future welfare in the possibilities of any community. This they have done.

Prince Edward Island is moving forward all the time. It is a good, strong, healthy community, showing steady advancement in value and importance. The message of those whose names appear in this section is "We Believe in Prince Edward Island, and are loyally and actively promoting its welfare and development." They are sincere in their thought and effort. They are among the leaders in their respective lines and are listed here to help you become better acquainted with them.

The keynote of this series of constructive thoughts will be "Know and Believe in Prince Edward Island."
