The children were examined in the various branches by their teacher, Miss Sadie Bisson, assisted by Mr. Almyer McEwen, a former teacher of this school and Misses Myrtle McLean, Souris and Claribel Keefe, Rollo Bay, and showed by their prompt and correct answers the careful training which they received during the last half year. The school was crowded which shows the interest the parents take in their children. Besides parents there was a great number of strangers from Souris, Fortune, Little River and Bristol. After the examination an entertainment was carried out by the pupils, consisting of song recitations dialogues and best of all a stop dance by Master Joseph Gaudet and Miss Fideliste Gallant. —NERVOUS RUN-DOWN WOMAN Tells How Vinol Creates Strength

Duked, Tenn.—"I live on a farm and keep house for six in my family. I got into a nervous run-down condition so it seemed as though I would die. A friend advised me to try Vinol. I have been greatly improved by its use and am better and stronger, in every way."—Mrs. H. H. Goodwin.  
The reason Vinol was so successful in Mrs. Goodwin's case is because it contains peptones, iron and manganese peptones and glycerophosphates, the very elements needed to build up a weak, run-down system and create strength.  
B. A. Foster, Central Drugstore, Charlottetown.  
Vinol is sold in Montague by H. J. Mabon and at the best drug store in every town and city in the country.
