The Russian Vladivostock squadron has left Gensen, in Korea.

ONE COMMON CAUSE OF HEADACHE.

Perhaps the most general cause of headache and pain across the eyes is nasal catarrh. The simplest cure is to inhale the medicated vapor of Catarrhoxone which traverses every air cell and air passage of the throat, lungs and nose. It kills myriads of germs at every breath, clears away mucous discharges, preserves and heals the membrane. Catarrhoxone is just a splendid remedy for headache, and its action is certain and unerring in diseases of the Throat and Lungs, Deafness, Bronchitis, Asthma and Catarrh. A trial will convince the most sceptical that Catarrhoxone is all right. Large size, \$1.00; trial size 25c. Druggists, or Polson & Co., Kingston, Ont.

REV. G. M. YOUNG AND MRS. YOUNG REMEMBERED BY CONGREGATION.

The First Methodist Parsonage was the scene of a happy company last evening when many of the congregation gathered to join with Rev. G. M. and Mrs. Young in celebrating the tenth anniversary of their wedding.

When many of the congregation had assembled Mrs. (Col) Moore on behalf of the ladies of the church presented Mrs. Young with a beautiful complete set of Ruskin's works and Rev. Mr. Young with the following address accompanied by a purse of money:—

Mrs. (Rev.) G. M. Young, Charlottetown, P. E. I.

Dear Mrs. Young,—On behalf of the ladies of the congregation it affords me much pleasure to present to you this little "tin" in token of the anniversary, which you are to-night celebrating; with the prayer that as the years roll by the cause we love so well may continue to receive from you the same brightening, helpful, uplifting influence your presence among us has proved.

Committee { M. M. White, M. E. Moore.

Henry Smith followed on behalf of the congregation reading the submitted address which was accompanied by a

THE SAVINGS BANK OF HEALTH.

Is lots of red and vitalizing blood to nourish and invigorate the body. If your blood is thin and watery use "Ferrozone." It supplies the necessary elements such as phosphorus and iron, and quickly restores lost strength and spirits. Ferrozone is an unequalled restorative for the tired, the sick, and the run down; it stimulates appetite, aids digestion, soothes the nerves, and makes the system too healthy for disease to exist. No tonic does so much good in a short time as Ferrozone. Get it today from any druggist for 50c per box, or six boxes for \$2.50. By mail from N. C. Polson & Co., Kingston, Ont.

SOME UP-TO-DATE PREACHERS.

NEW YORK, April 26.—(Special)—Several prominent ministers of Brooklyn, where various churches and societies have been making a fight against Sunday base ball, have publicly announced that they see no harm in playing or attending ball games on Sunday.

HOW THEY SUGAR THE PILL.

The opinion of these clergymen seems to be that persons attending ball games are kept from more vicious forms of amusement.

A. A. McKay, East Royalty has sold to W. V. Douse the matched pair of hackneys so much admired on our streets of late.

On Sunday last in St. Paul's Church, Halifax, the Bishop of Nova Scotia preached his farewell sermon to an immense congregation taking for his text, the words, "Finally brethren, farewell." Many of the clergy were present. At the close of the service Rev. J. A. Winfield, of Kensington, preached to a crowded congregation in St. Paul's Parochial Hall adjoining the church. Mr. Winfield took for his text, "I can do all things through Christ who strengtheneth me." Mr. Winfield's many friends were delighted to see him again.

A DELEGATION from the Provincial Teachers' Association waited upon the Government last evening. Resolutions passed at the last session of the Association in reference to the Summer School of Science and also to the desirability of having midsummer holidays in the schools of this Province were presented. The proposition made re holidays was that the Statutory holiday be made the midsummer one and that at the annual meeting the ratepayers by a majority vote may adopt the spring and fall holiday. The delegation was courteously received and the consideration of the Government promised to the requests made with the intimation that an answer would soon be furnished by the Government.

We beg you to accept the small token of our regard and esteem.

Committee { Simon W. Crabbe, Henry Smith, Charlottetown, P. E. I. 1st and 2nd, April 26th, 1904.

Mr. Young responded feelingly to the token of appreciation from the members of his church and the remainder of the evening was spent in games and conversation during which luncheon was served by the ladies.

THE Jere McAuliffe Co., played to a large and high-class audience at the Opera House last night. The production given, the Belle of Richmond, was a beautiful melodrama of disappointed and successful love well staged and admirably presented. The scenery was excellent and the different characters all took their parts well. Jere and his company are each night becoming more popular with the theatre going public of the city.

LET OTHERS EXPERIMENT

There is always something new in the way of medical treatment and you are constantly invited to try new fangled, unproven remedies. Let others experiment and so risk health and lose time. Dr. Chase's Kidney Liver Pills have been tried in the crucible of time, won the approval of public opinion and demonstrated their right to a place in every home as family medicine.

NOT FOR UNION.

LONDON, April 22.—The Canadian press correspondent learns that the idea of a Methodist union, so far as the Wesleyan connexion is concerned, is at present out of the range of practical politics. The special committee appointed by the Wesleyan conference in 1903 will present, at the coming Sheffield conference, a report which says that the result of this enquiry is that a complete union at the present time is entirely impracticable, so far as the parent body is concerned.
