

HOLMAN'S Prepares You For The "COLD RUSH"

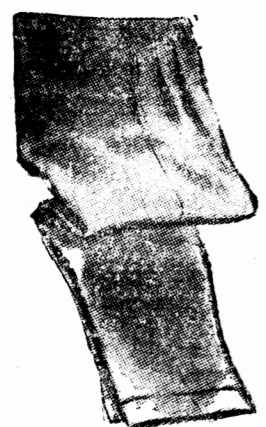

TWEEDUROY
for Active Boys

DRESS your boys in TWEEDUROY outfits and protect them from the sharp, chilly fingers of Old Man Winter. Its warm fur-like surface, strongly woven texture and Cravenette-treatment offer adequate safeguards against the penetrating and damp cold, yet permit adequate ventilation for over heated, over active lads. The lustrous finish and remarkable durability of this fabric assures your complete satisfaction.
