TRURO CURLERS WON FROM MAYFLOWERS

HALIFAX, Jan. 25.—At the Mayflower rink last night the curlers from the Truro rink defeated the Mayflowers by nine points and captured the Maritime Provinces

junior trophy, which has been in possession of the local club for the past two years. Jackson's rink defeated Sutherland's Truro rink by one point in the opening of the play. G. Thomas' rink won easily from the rink skipped by J. Maher. Play in the third rink continued

until early this morning. Crowe defeating Clancy's rink by two points. The train which brought the Truro players to the city was several hours late thus holding up the play until nearly midnight. The Truro club will now defend the trophy in their home rink.

FARMS PURCHASED.—Mr. Roderick Fraser, Commercial Cross, has bought Mrs. Annie Hayden's farm at Vernon River, and one of the finest properties in the district. Mr. John Lewis, New Perth West, has bought the farm from Mr. Thomas McLean adjoining his own so that Mr. Lewis has now one of the best farms in that section of the community. Mr. Frank Mutch has purchased the farm of his nephew, Mr. Percy Mutch. This is unquestionably one of the finest farms in P. E. Island. Mr. Mutch is to be congratulated on his lucky purchase; also Messrs Lewis and Fraser.—Q.

EARNSCLIFFE SCHOOL.—The recent public examination of this school was attended by a fair number of ratepayers who, with the teacher, examined the pupils in their different branches of progress and found them making good progress. At the conclusion of the examination the scholars gave a very interesting and entertaining programme—which included the following numbers:—Chorus, all the pupils; recitations, Eddie Carrier, May Morrissey, Florence S. Cavanagh, Helen Praught, Adella Cavanagh, Laura Young, Clayton Nelson, Russel Young, Earl Carrier and Evelyn Nelson; solos, by Evelyn Nelson and John McDonald; Chorus, all the scholars. When this was finished the pupils presented their teacher, Miss Catherine Feid, with a valuable manicure set. Each one of the boys and girls also received a nice present and a bag of candy. Every rate-payer in the district should have been present at this examination. Those who were not do not know what a great treat they missed. If candy were given to the visitors also, it might be an inducement.—Q.

The big problem is the death of Randolph Schuyler, her husband. Who killed Schuyler? is the mystery and it makes a corking story.
