FINANCE

By Frederi k Gardner
Associated Press Financial Writer

NEW YORK, Nov. 6—(AP)—The stock market today suffered its second worst break of the year in the wake of yesterday's national election.

Closing losses of 1 to more than 4 points for utilities, steels, motors and a wide assortment of industrial specialties were slightly above the lows in most cases, but recoveries were feeble.

In the Canadian section Dome Mines advanced 1 3-8 points to 17 and Lake Shore Mines 1 3-8 points to 14 3-8. Fractional improvements were scored by Distillers Seagram and Hollinger. International Nickel and Ford dipped slightly.

Discouraged Willkie supporters, brokers said, touched off the forenoon relapse. When these offerings were absorbed, steadying tendencies croped up as some traders got the idea defense spending still was a prime bolstering influence for business. The afternoon relapse was blamed on the revival of tax doubts and fears war upsets, now that the election is out of the way, may have more serious reprecussions marketwise.

The Associated Press average of 60 stocks was off 1.4 point at 44.6, biggest recession for any day since May 21, when the German drive on France brought the sharpest downturn of 1940 to date of 2.9 points. Transfers amounted to 1,209,320 shares against 1,245,280 Monday.

Conspicuous losers included Consolidated Edison, North American, Public Service of N.J., American Water Works, Du Pont, Westinghouse, Union Carbide, General Electric, U.S. Steel, Bethlehem, Chrysler, General Motors, Great Northern, Standrad Oil of N.J., Montgomery Ward, Glenn Martin and Sperry.

TORONTO, Nov. 6—(CP)—Despite Wall Street weakness, Toronto stocks, particularly the golds, pushed forward on substantial volume. Industrials closed down .14 in the index but golds were up 1.92.

Volume of 450,000 shares were mainly gold listings. Dome posted a gain of 2 points. Lake Shore firmed 1 1-4 and Wright-Hargreaves held a gain of 30 cents. Lamaque, Kerr-Addison, Central Patricia, Chesterville, God's Lake, Macassa and Pwcell Rouyn were up 5 to 15 cents at the close.

Noranda was up 3-4. Smelters improved in broken lot trades and Nickel dropped a fraction.

Home Oil closed up 6 cents. Calmont, Davies, Vermilata and Foothills recorded minor gains and the close was off slightly for Calgary and Edmonton, Okalta and South End Pete.

MONTREAL, Nov. 6—(CP)—Prices generally ruled steady at the close of today's stock market session although some sizeable fractional declines appeared.

Price Brothers sold down 3-4 and St. Lawrence Corporation preferred 1-2. Dryden gained 3-4. Dosco tacked on 3-8 and C.P.R. 1-4.

Hudson Bay and Imperial retreated 1-4 each. Shawinigan was off 1-8.

Distillers Seagrams closed a point higher and Dominion Coal preferred 1-4. But Canada Steamships and Ogilvie backed narrowly.

Total sales: 35,200 shares; Industrials, 8,900; Mines, 26,300; Bonds, nil.

LAHORE, India—(CP) —A campaign for funds to buy bombers for defence here was preceded by a leaflet raid. Leaflets bore the words "This might have been a Nazi bomb. Defend the Punjab by helping to buy warplanes."
