FRIDAY
SUPREME COURT.—The last case on the docket was that James F. Ferguson, vs. Richard Culliffe, an action of trespass which was tried last June. The judge reserved his decision. Judgment was also reserved in the case of P. C. Brown, action to set aside certiorari. The court adjourned. The next term of the court will be held at Summerside on November 25th.

FOUND CARGO SAFE.—Mr. B. W. LePage returned Wednesday night from Hawkesbury where he was looking after the schooner Hudson, owned by his brother, Mr. E. C. LePage, Rustico, which went ashore at that place. He found the vessel only slightly damaged and the cargo, oats and potatoes, in good condition. The vessel is in dock undergoing repairs.

ROTARY CLUB.—The Rotarians held their monthly dinner in the Rose and Grey last evening under the chairmanship of Rotarian Dr. Yeo. The guests present included Mrs. J. A. Clark, Mr. Henry Smith, Mr. W. A. Gaudet and Mr. Roy Quigley. Rotarian R. H. Campbell, who represented the Charlottetown and Halifax Clubs at the great National Conference on Character Education at Winnipeg, addressed the members on the work accomplished at the Conference. It was a very able and graphic account of the proceedings, including brief character sketches of the principal participants, and a summary of his remarks is given elsewhere in this issue. On the motion of Rotarian Justice Fitzgerald, seconded by Rotarian Prof. H. H. Shaw, a hearty vote of thanks was given Rotarian Campbell for his valuable address. An enjoyable musical programme was gone through, to which Messrs Gaudet, Quigley and Rotarian Calder contributed. Miss Earle presiding at the piano.

There passed peacefully away at the Brighton Hospital, Mass., on Oct. 21st 1919 Mrs. Frank Jenkins, nee Miss Rachel E. MacLeod at the early age of 35 years. Of a kind and gentle disposition she won the esteem of a large circle of friends. She was the youngest daughter of the late John M. MacLeod, Poplar Point, P. E. I., and was bereft of a mother's fond love at the age of five years. The early part of her life she spent in the United States. She leaves to mourn a sorrowing husband one sister and three brothers namely Mrs. Nathan Acorn, Bridgetown, P. E. I.; John A. and Daniel J. Allison, Mass., and James A. at home. Her remains were accompanied to her old home by her husband and brother Daniel J. The funeral on October 27th was largely attended and was conducted by the Rev. James Heron. Interment at the Presbyterian cemetery, Amundale, P. E. I., where all that was mortal of a loving wife and sister were laid to rest to await a glorious resurrection. The pall bearers were Messrs Leslie, Russel and Walter Hunter and Samuel MacLeod and Wallace MacKenzie and Walter Richards. The floral tributes were many and beautiful. Asleep in Jesus blessed sleep. From which none ever wake to weep.

DEMAND FOR LABOR.—A great increase in the volume of business is reported by the local employment bureau during the past two weeks, particularly in regard to applications for lumbering work. Over one hundred men were transferred to Campbellton and Fredericton during the past month for this line of work and orders are still being received. It is interesting to note that P. E. Island men are being anxiously sought for by lumbering companies and the reports are that they receive good satisfaction. About thirty men left Charlottetown this week for Moncton to take up construction work. The Bureau here is in receipt of enquiries constantly for skilled and unskilled help. Quite a number of applications have been received from local carpenters and laborers. The rate of pay being offered for lumbermen in New Brunswick is higher than either in Quebec or Ontario, averaging in the case of New Brunswick \$60.00 to \$75.00 and \$80.00 per month and board. In Quebec and Ontario the average is only from \$55.00 to \$65.00. The local bureau is not only for employment purposes but its services are being utilized to rectify complaints in regard to non-payment of discharged pay gratuities, etc.

Grandma Never Let Her Hair Get Gray

SHE KEPT HER LOCKS DARK AND GLOSSY, WITH SAGE TEA AND SULPHUR

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and after another application or two, your hair becomes beautifully darkened, glossy and luxuriant. Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound, and look years younger.

Why Suffer?
From Coughs, Colds, Sore Throat, Cramps, Chills, Sprains, Stomach, etc.

—WEDDING BELLS.—A quiet wedding took place at the Methodist Parsonage, Kensington, on October 22nd, when Miss Dorothy B. Sutherland, daughter of Mr. William D. Sutherland, became the wife of Mr. Bloice Bowen, son of Mr. William Bowen, Wheatley River. Rev. J. A. Ives performed the ceremony. The bride was attended by her sister, Miss Margaret Sutherland and Mr. Calvin McKinnon was groomsmen.

A deplorable fatal shooting accident occurred last Tuesday afternoon at a place called Klondyke, on the Murray Harbor road about ten miles from Montague, the victim being Cecil Campbell aged seventeen years. Campbell accompanied by another lad named George McDiarmid about the same age and a son of Mr. George McDiarmid of Montague, was hauling lumber from Klondyke to Ives Mills, Montague using a tractor. They had gone to the woods as usual and Mr. William Ives motored from Montague to meet them there. He went to a house leaving the lads waiting for him. They were sitting on the ground tailor-fashion toying with a 22 calibre rifle, which they were used to carrying with them on their trips back and forth.

McDiarmid had the butt of the rifle under his right hip the barrel projecting from the other side of his body. Campbell had the muzzle of the rifle in his hand and was working at the safety catch it being a hammerless weapon. The rifle was accidentally discharged, the bullet entering Campbell's cheek and emerging at the back of his neck, causing instant death. The coroner Dr. Allan of Cardigan was summoned and after learning the facts decided that no inquest was necessary.

The funeral took place yesterday afternoon to Lower Montague Cemetery. The deceased was a son of the late Oswald Campbell of Montague. He leaves besides his mother several brothers and sisters to mourn his untimely death.

It is a well-known fact that whatever the Charlottetown Firemen undertake to do they do well.

This was once more exemplified last evening when a "Smoker" and general good time was held at the Fire Station in honor of the "lads of the old brigade" who recently returned from the big job of nobly doing their part in helping to extinguish the great conflagration which has been raging in Europe.

A toast-list was carried out and speeches were delivered, but the outstanding feature was the presentation of beautiful jewel gifts to ten of the returned men and another (the gift of Mayor Wright) to Mr. Albert Sabine, retired fireman as a token of appreciation for his twenty-five years of faithful service as a member of the local fire-fighting brigade.

The late hour at which the function closed will not permit of a very extended report of the proceedings, more

than to say that enthusiasm prevailed and the whole affair was marked by a tone which indicates that the best days of the fire department are not yet over.

The toast list was as follows—
The King—God Save the King.
Rule Britannia—Sung by Mr. Chas. Earle.

Address to the returned soldier firemen Messrs John Proud, H. L. Bethune, J. P. Hooper, John Turner, H. H. Jewell, Reginald McMillan, Fred A. Large, Harold Cameron, Preston Senter, and Robt. Walskilling, read by Mr. Fred Large the Secretary and replied to by Messrs Bethune, Hooper and Proud.

Quartet—Annie Laurie—Messrs Ritchie, Hooper, Bruce and Earle.

Presentation of jewel to Mr. A. Sabine by Councillor Rattray on behalf of the Mayor who was unavoidably absent at the time.

The Provincial Government—Hon F. J. Nash.

The City Corporation—Responded to Councillors Smith, Connors, and Water Commissioner James MacDonnell.

Solo—Mr. J. P. Hooper.
Charlottetown Fire Underwriters—Mr. J. O. Hyndman.
Solo—Mr. G. E. Ritchie.
The Press—Messrs W. L. Cotton, F. J. Nash and J. J. Enman.
Solo—Mr. C. Earle. (encored).

The Ladies—Mr. D. Bethune.
Quartet—Messrs Ritchie, Earle, Hooper and Bruce.

Capital speeches were also made by Councillors Miller and Yeo.

At this stage Mayor Wright put in his appearance having just arrived, home from Halifax and the toast to the Mayor was duly honored. His Worship ably replying referring to two fires which occurred there during his visit and stating that he had come home with a better opinion than ever of the Charlottetown fire brigade.

Other speakers were Messrs John McKenna, James McMillan, and A. W. E. Douce of the Water Department.

An additional toast was to the Charlottetown Quartette—Replied to by Messrs Ritchie and Warkis. Remarks were also made by Capt. S. Bert and Ham Large, A. Vatcher and J. Martin of the Fire Department.

Following is the address presented to the returned soldier firemen—
To Our Returned Soldier Firemen, Brave Comrades:

At this, the first opportunity the Fire Brigade of Charlottetown, have had as a body of welcoming you, our brave Brother Firemen, on your return from the front, we therefore feel that the occasion is one of unalloyed pleasure.

As members of the Fire Brigade, a comparatively volunteer company we, perhaps more than others, can realize your great self-sacrifice, appreciation of stern duty and praiseworthy patriotism to our country and unswerving loyalty to our King and Flag, when you enlisted in the Canadian Expeditionary Force; and with hundreds of thousands of your gallant

comrades in arms, met, held and ultimately defeated the armed hordes of Germany's armies, which were threatening the very existence of our Empire, the freedom of the world and the liberty of mankind.

In connection with the hearty welcome that we give you as a body and the firm handshake that we, as individual members of the Brigade extend, permit us to present you with these symbols of our highest respect

for yourselves as men, brother firemen and soldiers; and also to signalize our deepest appreciation of what you have done for our country and the honour you have bestowed upon the Fire Brigade, of which you are such valued members.

These tokens, although not intrinsically valuable, yet they are a sincere expression of the enviable place you occupy in the minds and hearts of your brother firemen.

May the remembrance of your deeds never fade! In years to come, we believe that future gallant fire fighters of Charlottetown will then, as we do now, point with pride to the fact that twelve members of this comparatively small body—only forty in all volunteered and went overseas to take their places in the great world war, and thus again represent to all the staff the members of the Charlottetown Fire Brigade are made of.

Up-to-the-Minute Records

THERE is no music too "new" for the "Phonola" records.

A list of new records is issued every month—records that reproduce the latest music of all types and selections from the most popular artists.

Phonola

New Double Disc Records
—the remarkably clear, full-toned, practically indestructible records are sold for one price—90c. each.

Played with sapphire point or needle on any one of the eight "Phonola" models. A small attachment which can be supplied by your dealer adapts "Phonola" records to any other phonograph.

If there is no dealer in your town write direct to us.

The power of reproduction of "Phonola" Double Disc Records will amaze and delight you.

Do not decide on a Phonograph for your home without seeing the beautiful "Phonola" models. These master instruments, made completely in Canada, have many features that place them in a position of superiority.

"Phonolas" are made in eight different styles and sizes.
