Card to the Electors

Ladies and Gentlemen, Electors City of Charlotte town; -

Not wishing to seem premature but being convinced that there is no time like the present, I take advantage of this opportunity of making known my position, re Civic Politics.

I have been interviewed by many prominent citizens and believing them to be good judges of the Civic pulse, after due consideration I have decided to nominate as a Candidate for Mayoralty honours at the forth-coming Civic Election.

My record for the past two years is an open book. I have endeavoured to give to the City my best and have tried to uphold the dignity of the office. Having had a most strenuous two years, I am of the opinion that a second term may be in order.

If I have the honour to be re-elected, I can assure you Ladies and Gentlemen, I shall as before have the best interests of our City and Citizens at heart, ever endeavouring to promote any and every feasible measure that may arise, whereby our City may be benefited.

I thank you most heartily for your support in the past and the many honours shown me.

It is almost impossible for me to interview you all personally. I therefore take this opportunity of soliciting a continuance of your confidence and your votes.

I remain
Yours respectfully
G. D. WRIGHT

—FUNERAL SERVICES.—The funeral of the late Mrs. Elizabeth Neiligan who passed away at the home of her niece Mrs. (Dr.) Fleming Stanley Bridge on Sunday took place on Tuesday afternoon at 1 o'clock from St. Pauls church to the Catholic Cemetery, Summerside.—L.

—WON FIRST PRIZE.—In a recent patriotic essay competition conducted in Grade 5, Miss Bertha Murphy's department of the Summerside High School, the winning essay was that composed by Master Robert Holman; Master Edward Arnett and Bert Larkin taking second and third place respectively. These competitions are conducted from time to time at the request of the Daughters of the Empire, and the compositions are judged by a committee appointed by that order. The society presents the class with a framed picture in which the name of the winner is inscribed. On this occasion the prize was a beautiful reproduction of the picture of the "Death of Wolfe" and was presented by Mrs. Neil McLeod, regent of the Abergrove Chapter I. O. D. E. who told the class the historic story of the great deeds performed by that illustrious General in the early history of our glorious Dominion. A short program was rendered by the class which added materially to the pleasantness of the occasion.

**To The Farador
People of P. E. I.**

Once more I desire to thank all those friends, known and unknown for their good advice, which has done so much to promote the sale of the Farador in this province with its consequent spread of health. More than eight years have passed since the Farador began its work of healing here, and great indeed has been the benefit to our people. The sale of the Farador is growing in all parts of the world and its popularity increasing by leaps and bounds.

—Those who make good use of the Farador in time of illness do not need to be told that it possesses merit, for an ounce of experience is worth a pound of theory. Many have seen their loved ones cured of pneumonia, influenza, fevers, and other acute ailments with surprising swiftness; they have also witnessed many chronic diseases yield as surely though less quickly to its healing influence.

I would urge upon the friends of the Farador to recommend its use early in any case of illness. When the Farador is applied in the early stages of a disease the cure is more certain and the patient is put to much less expense.

Again I would remind my patrons of the advisability of sending in orders to have them tested. The cord connection sometimes becomes defective through carelessness or long use.

With best wishes, I remain
Yours for health,
W. EDGAR ENMAN

CELEBRATES 94TH BIRTHDAY

A social event of more than ordinary importance took place at Nine Mile Creek on Friday night, Dec. 26th, when upwards of one hundred of his friends assembled at the comfortable and commodious home of Mr. Archibald McGregor, to celebrate his 94th birthday. Mr. McGregor although having attained to this great age is in full possession of all his faculties to a wonderful degree and is able to work and can still read the finest print without the aid of spectacles and can converse intelligently on any topic of the day. At about 3 o'clock Mr. Archie McDonald was called to the chair and after a few appropriate remarks, called on Mr. A. K. McPhee, who read the following address:—

To Mr. Archibald McGregor;
Most respected friend of our occasion it affords your friends great pleasure in meeting together to extend to you our heartfelt congratulations on the attainment of your 94th birthday. For the greater part of your life you have lived amongst us and have always been one of our best citizens. You have at all times been found foremost in all movements which were for the betterment of our community—neverwithstanding the fact that during life time you have travelled a great part of the continent and have seen life in many of its phases and engaged in varied occupations, we find you at this age enjoying a measure of health, strength and vitality far beyond your years. We therefore take great pleasure in presenting you with this chair, not for its intrinsic value but as a small token of the respect and esteem in which you are held by friends and neighbors.

Signed on behalf of your friends,
**NEIL McDONALD,
GARNET CAMPBELL,
JAS. W. TAYLOR.**

During the reading of the above address Mr. McGregor was presented with a beautiful chair, Mr. J. W. Taylor making the presentation.

Mr. McGregor after thanking his friends for their kindness in remembering him gave a very interesting account of his travels to the California gold fields in the early days which was much enjoyed by all, after which short complimentary speeches were made by Messrs G. Lowther, H. McPhee, N. J. McNeill, A. K. McPhee, A. McDonald and N. McCannell. At this stage of the proceedings the good ladies announced supper and all proceeded to the spacious dining room where ample justice was done to the good things provided.

Singing, games and the various amusements were then indulged in much to the enjoyment of all. A pleasing part of the night's entertainment was the step-dancing by Mr. A. Doull, although a man of 70 years, Mr. Doull can still give the young folks some tips on "The Light Fantastic."

After singing Auld Lang Syne, and the National Anthem, all departed to their homes feeling that a most enjoyable night had been spent.—Com.
