**SHOP from Holman's Catalog.**

**SCHOOL OPENED.**—Howlan school opened on Aug. 16th, with Miss Agatha O'Brien of Laurietta as teacher we wish her success.

**TRIAL FOR ASSAULT.**—An assault case in which two Mont Carmel parties, father-in-law vs son-in-law figured was tried before Alex Campbell, J. P., on Friday and the verdict was given in favor of the defendant.

**STORK VISITS.**—The Stork visited the home of Mr. and Mrs. E. Gallant, on Aug. 4th, and left a big fat baby boy, who was christened on the 13th, and was named Joseph Augustine. His sister Marie and Mr. P. A. Arsenault were the sponsors.

**WILL SELL.** by private sale my two farms, at Belmont, Lot 16, one consisting of 87 acres the other 100 acres, also stock, crop, and farm implements. If interested you may inspect the property before purchasing. —Elijah L. Simpson, Belmont, Lot 16, P. E. I. 2057-23-41

**CROPS DAMAGED.**—The heavy winds and rains of the past few days have badly laid the grain crops which are about ready for the harvest, even the wheat being badly down in places. This is true, but regrettable as the crop outlook in Prince County was seldom so uniformly good and all that was needed is good harvest weather.

**SUCCESSFUL TEA.**—The Convent Tea and Festival, which was held on the Convent grounds on Tuesday evening was a grand success, there being several hundred people in attendance. The dancing by the Misses McInnis, of Boston, and Miss Trayner, were highly appreciated, and the Pipe music by Mr. McDonald was of high order. The proceeds were satisfactory and the evening was enjoyed by all.

**CONCLUDES SERVICE.**—The last trip of the Gaspeia from this port was made on Monday night when the Clark liner cleared shortly before midnight for Montreal with a large general cargo and several passengers. The service this year has been exceedingly satisfactory to all and will no doubt be started as soon as possible in the spring.

**ADDITION TO SCHOOL.**—Inspector Auld was in Kensington on Wednesday in connection with school interests there. At the last annual meeting it was shown how the demands of the district have outgrown the capacity of the school building and how additional provision should be made to meet the exigencies of the situation. This shows that the Kensington district has been making good the wastage of the war period and that the present generation is determined to stimulate the progress so well initiated by the preceding generation.

**SAD DEATH.**—Robed in her bridal gown, the body of Mrs. Harold H. Simpson, Summerside, was consigned to its last long sleep in the People's Cemetery on Sunday last, just two years after her marriage. The late Mrs. Simpson had been in delicate health for some weeks but hopes were entertained for her recovery until the last. She was a daughter of Mr. and Mrs. Fred White, York Point, and many floral tributes spoke of the high esteem in which she was held and the sympathy felt for Mr. Simpson in his loss. Members of the Taxis organization acted as pall-bearers, and were John Mountain, Sinclair MacKay, Wesley Heffel, Fulton Tanton, Max Linkletter, and Mr. Simpson. The funeral services at the house, at the Presbyterian church and at the graveside were conducted by the Rev. G. S. Mitchell.

#### Kora-Konia—A Velvety Film of Powder which Protects and Heals

Thousands of mothers, doctors and nurses will tell you that Kora-Konia is the most wonderful treatment ever created for Baby's skin troubles.

Baby never suffers from prickly heat or diaper rash, if you will keep a box of Kora-Konia handy.

Kora-Konia really heals. It is anti-septic and contains ingredients of recognized medicinal value.

But it also has the great value of clinging to the skin for hours. It is waterproof and is not easily washed off. It protects Baby's delicate skin from friction and heat at the same time. Don't let Baby suffer—use Kora-Konia.

**COURT TO OPEN.**—County Court for the Summerside district opens on Friday of this week with his honor Judge McQuarrie presiding. There are thirteen cases on the docket.

**RESIGNATION RECEIVED.**—At a meeting of the Summerside school board on Monday evening, the resignation of Mr. John Wright from the teaching staff was received and the application of Miss Rena Milligan for the position was accepted. Mr. Wright has accepted the position of assistant town clerk.

**FUNERAL HELD.**—The funeral of Mrs. Sullivan, wife of Police Officer James Sullivan, was held on Monday afternoon from her late home to the Peoples Cemetery, and was largely attended. Rev. G. S. He is survived by his widow and two children, Ernest and Amy, also his father, Mr. John Best, two brothers, Oliver and William, of Belmont, and one sister, Mrs. Edward Simmons of Belmont. Finally arrived and the unfortunate man was hurried to his home, where medical aid was summoned. Dr. Morris of Bridgewater, quickly arrived on the scene and all in his power to alleviate the sufferings of Mr. Clark, whose face and body were badly cut.

**TEACHERS MEETING.**—At a meeting of the executive of the Eastern Teacher's Association, held recently, it was decided to change the arrangement previously made, re holding a central convention and in the near future to hold three meetings for the teachers of the two inspectorates of Mr. L. W. Shaw and Mr. F. Hynes. These meetings are to be held at Uigg, St. Peters and Georgetown. A suitable and a very practical program has been arranged for each convention and by this means it is hoped that all the teachers of these inspectorates will be able to assemble and receive useful pointers for the year's work. The superintendent, Mr. Rogers, will be present at the meetings, and has expressed great enthusiasm for the proposed programme.

**WEDDING BELLS.**—A very pretty wedding was solemnized at Souris on Wednesday, August 16, when Miss Genevieve DeJorie, of Georgetown, became the bride of Mr. John McDonald, of Souris. The marriage ceremony was performed by Rev. Father McLean, assisted by Father McMann. The bride looking charming in a white satin dress wearing a bridal veil, she was attended by her sister, Stella, who

## In the Sunset of Life

A comfortable and happy old age, care-free and independent—such can be your recompense, too, through life insurance.

Canadian Government statistics show the need for this provision:

*"Ninety-five per cent. of men at 60 are dependent upon their daily earnings or on others for support, and not one man in thirty who retires with a competency is able to retain that competency to the close of his life."*

People are realizing this fact, and life insurance companies in Canada are beginning to pay out more money to living policyholders than they do in death claims, despite the thousands of death claims annually.

The present is the time to make provision for the future, so that the sunset of your life will not be overcast with shadows.

*Any life insurance representative will be pleased to show you how to provide a sure income for your later years.*
