THE EDITOR'S MAIL.

Blinds Part Way up Now.

SIR,—Seeing Citizen's letter and your appropriate remarks thereon in this morning's GUARDIAN has brought forth some fruits let us push the matter a little further. I am told the Inspector visited the hotel mentioned this morning on, or about 10 o'clock and finding the blinds down as stated, had them raised part way, but not high enough to comply with the law. I now insist that the blinds go right up so a full view can be had inside as required by law.

I also further insist that the Inspector institute legal proceedings against the proprietor immediately, and have a fine imposed and collected to the full extent of the law. He has the proof in himself having seen these conditions, and I call upon the authorities to see that he does it. What is the Inspector employed and paid for doing, is it to go around and notify the law breakers that they are in danger, or is it to protect the public and bring these law breakers to judgement?

Where has this Inspector been the last three or four months, with this state of affairs going on right before him? Has he had a long stage of epidemic "Grippe" or has he been under the saloon "Grip." Now let this Inspector do the duty he is paid for doing, or punish him and remove him from office.

Yours, A CITIZEN. Ch Town, March 20th, 1901.

NOW I FEEL REAL WELL. Mr. W. H. La Blanc, Bonfield, Ont. writes:—"I was once a sufferer from catarrh, and while using Dr. Chase's Catarrh Cure I was recommended to use also Dr. Chase's Nerve Food to build up the system. My nerves were exhausted and I was to weak to do a day's work when I began using it, and now am strong and healthy, and feel real well. I am perfectly sure that anyone who uses Dr. Chase's Nerve Food will believe as I do, that it is the best strengthener and restorative obtainable."

I am very glad to recommend them to others." One pill a dose, 25 cents a box.

ALMOST CONSUMPTION. Mr. J. J. I have tried several of what are considered good remedies, but none seemed of any avail. I began to think that my cold was developing into consumption, as very many have to my knowledge. I am thankful now to say that Dr. Chase's Syrup of Linseed and Turpentine has worked a complete cure, as I am now entirely free of the cold."
