You Need

A Spring System-Cleaning Tonic

Nine out of ten people need a good bracing blood purifying, appetite-making, strength-building tonic.

HUGHES'

Burdock and Sarsaparilla

is a preparation that we can recommend to those who feel "fagged out." It tones up the system, promotes the appetite, aids digestion, purifies and enriches the blood. It is not a "cure all" but is an excellent medicine to take at this season of the year.

A Remedy For All Pain

"The efficiency of any drug" says Dr. C. I Robbins, "is known to us by the results w obtain from its use. If we are able to control pain and disease by means of any preparation, we certainly are warranted in its use. One of the principal symptoms of al diseases is pain, and this is what the patient most often applies to us for, i. e. something to relieve his pain. If we can arrest this promptly, the patient is most liable to trust in us for the other remedies which will effect a permanent cure. One remedy which I have used largely in my practice is Anti-kamnia Tablets. Many and varied are their uses. I have put them to the test on many occasions, and have never been disappointed. I found them especially valuable for headaches of malarial origin, where quinine was being taken. They appear to prevent the bad after-effects of the quinine. Anti-kamnia Tablets are also excellent for the headaches from improper digestion: also for headaches of a neuralgic origin, and especially for women subject to pains at certain times. Two Anti-kamnia Tablets give prompt relief, and in a short time the patient is able to go about as usual." These tablets may be obtained at all druggists. Ask for A-K Tablets. They are also unexcelled for headaches, neuralgia and all pains.
