Dahlstrom Of Black Hawks Is Voted Outstanding National League Rookie

By E. A. FULFORD
Canadian Press Staff Writer

TORONTO, Mar. 31—(CP)—Minnesota's famed frozen lakes have given the National Hockey League a second outstanding rookie. Carl (Cully) Dahlstrom, a product of the hockey they play around Minneapolis, is the season's best first-year man, the Canadian Press announced today.

The tall, Swedish-American lined up with Chicago Black Hawks against New York Americans tonight in the Stanley Cup semi-finals as the holder of the Calder trophy, awarded to the best rookie by President Frank Calder of the N. H. L.

Worthy Successor

He was selected by 30 sports writers after demonstrating in a great season with Hawks that he is a worthy successor to Syl Apps of Toronto Maple Leafs who was selected by the writers last year and became the first holder of the Calder trophy. Mike Karakas, Chicago goalie and another Minnesota product, won in 1936.

Dahlstrom beat out four other first-year men in a battle for the award. His closest opposition was provided by Murphy Chamberlain of Toronto Maple Leafs, like Dahlstrom a centre. Des Smith, Montreal Maroons' defenceman, was third, trailed by Bingo Kampman of Leafs' defence and Carl Liscombe, Detroit Red Wing left winger.

How They Voted

The writers were asked to select first, second and third choices and these were counted on a three, two and one basis. Dahlstrom received 56 points of a possible 90, Chamberlain 37, Smith 18, Kampman 15 and Liscombe 13.

Clint Smith and Bobby Kirk of New York Rangers and Eddie Wares were also included in some ballots although they are not eligible. All three played some hockey for Rangers in the N.H.L. last season. Smith got 16 points, Kirk 10 and Wares 3.

Keating Leads Maritime Scorers In Minor Loop

(By The Canadian Press)

In a photo finish that saw four players separated by only one point, Jackie Keating of Providence Reds retained the mythical title he gained last year as leading point getter among the International American Hockey League's Maritime players.

Keating, who formerly played for Saint John Beavers, led his team to the sectional leadership with a burst of goals and assists in the last week of play that left him with 28 points for the season.

Bracketted behind him with 27 points were two teammates, Doggie Kuhn who played for Truro Bearcats, and Sammy McManus of the Moncton Hawks. Red-headed Pete Kelly of Charlottetown, despite a late start with Pittsburgh Hornets, also shared in the three way tie.

There was no one within striking distance of the leaders. Lloyd Jackson, Springfield, topped the second bracket with 16 points, and a point behind the former New Glasgow, N.S. boy was Harry Currie, Pittsburgh. Currie came from Charlottetown.

Another Pittsburgh player, Crossley Sherwood of Saint John, was next with 13 points, and Knucker Irvine, Providence, brought up the rear with three. Irvine used to play for Moncton.

An injury in mid-season kept Keating from reaching his last year's total of 43 points. Kuhn also dropped from his 30 point total of a year ago, but McManus who had 21 last year, improved. Kelly was in the National Hockey League last season.

The records:

	G	A	Pts.
Keating, Providence	15	13	28
Kuhn, Providence	9	18	27
McManus, Providence	8	19	27
Kelly, Pittsburgh	7	20	27
Jackson, Springfield	5	11	16
Currie, Pittsburgh	7	8	15
Sherwood, Pittsburgh	8	5	13
Irvine, Providence	1	2	3

Drumheller Seeks Five Of Bentleys

DRUMHELLER, Alta., March 31—Western Canada's quintuplets of hockey . . . the five Betnley brothers . . . may play together next year for the Drumheller Miners in the Alberta Senior Six hockey league.

Drumheller already holds three of a kind . . . Roy, Scoop and Max . . . and they want to draw two more, Reg and Doug, confident they would hold a handful of potential Allan Cup winners.

Brother acts are common on the western plains, but Mr. and Mrs. William Bentley, formerly of North Dakota, now of DeIsle, Sask., adopted mass production ideas about hockey players. Six boys in the family are all rated star players. That's not all. Seven sisters would get major league rating if there was a feminine equivalent to the National League.

Drumheller hockey fans and officials are talking not about Miners' recent defeat in Calgary as Calgary Rangers won the Alberta league finals but about the possibility of luring Reg and Doug Bentley from the red and white uniforms of the Moose Jaw, Sask. Millers to the royal blue and gold of Drumheller.

Drumheller likes the Bentley style of hockey . . . breath taking speed and finished combination play. Jack, 34, now retired, starred from Drumheller in 1930 when the Miners lost to Edmonton Superiors.

This year the all-Bentley forward line of Roy, 32, left wing; Max, 18, centre; and Scoop, 25, right wing, performed amazing feats of combination throughout the children, and so did their the season.

Max, a midget leaguer in 1935-36, smashed all league scoring records in his first year of senior hockey this season. He won the award for the most valuable player in the league.

It was the second season the trio played together. They contributed greatly to Rosetown Red Wings' Saskatchewan intermediate championship in 1937.

Doug, a forward on the Millers' team that won the southern Saskatchewan league, tried out last year with the Toronto Maple Leafs and had a chance to play on a farm team, but refused. Only 165 pounds and then only 20, he decided to wait a year or so.

Reg, a Moose Jaw defenceman, is 23 and weighs 170.

William Bentley, father of the family, used to play hockey with uncle George Bentley, once widely known as a speed skater.

Islanders Will Leave Monday For Galt, Ont.

TORONTO, March 31—(CP)—Bobby Rosenfeld, president of the Dominion Women's Hockey Association, said tonight negotiations are under way for an eastern Canada final between Preston Rivulettes and Charlottetown Islanders.

Miss Rosenfeld said she was awaiting word from Charlottetown as to whether the Islanders would be able to make a trip west next week to play in a two-game, total goals series at Galt, Ont. The first game would be Wednesday and the second Friday.

Winner of the series would then represent the East against Winnipeg for the Dominion title which Rivulettes won last year. Preston officials already have received word that the Winnipeg team would be willing to travel East for the series.

To Leave Monday

The Islanders, Prince Edward Island women's hockey team, would leave Monday to play in a two-game, total-goals series at Galt, Ont., with Preston Rivulettes for the eastern Canada title. Miss Vimy Jones, second vice-president of the Dominion Women's Hockey Association and a member of the Island squad, said last night. The Islanders had originally planned to leave Saturday.

Louis Heavy Favorite In Title Bout

(By Earl Hilligan, Associated Press Sports Writer)

CHICAGO, March 31—(AP)—The swingman from Minnesota's farm lands, Harry Thomas, gets the chance tomorrow night to swing the biggest upset in modern ring history.

Thomas meets Joe Louis, the 23-year-old world's heavyweight boxing champion, in a scheduled 15 round bout at the Stadium—and no one except Thomas himself and his manager, Nate Lewis, has come forward to say that Thomas will win.

The betting odds, theoretically, are 20 to 1 that Louis retains his title by decision and 10 to 1 he knocks Thomas kicking amid total absence of wagering.

It is admitted Thomas can punch but he's easy to hit, Max Schmeling knocked him down seven times before the bout was halted in the eighth. The brightest bit of interest attached to the Thomas-Louis affair, generally recognized as a tune up for Joe and his slated June 22 bout with Max, is speculation on how long it will take the bomber to put Thomas down and out.

Joe went through light exercises this afternoon, as did the challenger. Louis will weigh 200 and Thomas 196. The bout was expected to attract 16,000 spectators with a gate of between $30,000 and $70,000.

Dimaggio And Ruppert Still Unreconciled

(By Alan Randal Canadian Press Staff Writer)

NEW YORK, March 31—(CP)—So few persons are willing to risk coin on Harry Thomas' wild swings that his 15-round brawl with Joe Louis in Chicago tomorrow night will set an all-time low for heavyweight championship wagering—bets are scarce as hen's teeth in New York . . . and the only bet reported from Chicago has one cent wagering a horse against a motorcycle that Thomas will last 10 rounds . . . .

Members of the United States Professional Golfers Association have decided to refuse to compete next winter in tournaments offering less than $5,000 prize money. Pop Warner, the old football fox of Temple University, is tired of hearing reports he'll retire soon . . . . "Why if I were to get out of football I'd go to seed in a jiffy," he says . . . .

Jack Johnson, the negro who ruled the heavyweights from 1908 to 1915, was 60 today but he said he believed himself good enough to beat the colored cloutet who now sits on the throne, Joe Louis . . . . Jack doesn't think he has enough science . . . . the last regular job Jack held was with a flea circus at Coney Island . . . . but there is money near at hand, for he looks well fed and still dresses to kill . . . .

So much money was lost in promoting Roosevelt raceway, the Salisbury Plains (N. U.) pretzel-like auto track, that the racing strip has reverted to its original owners . . . . trying to make Roosevelt raceway the giant picnic that is the Indianapolis race, caused its downfall.

Joe Dimaggio may be only fooling in his holdout campaign but Colonel Jake Ruppert of New York Yankees seems in deadly earnest . . heading home from the southern baseball training camps today, the Colonel blasted D'maggio and said "if he can afford to stay out of baseball the Yanks can afford to get along without him . . . no man is indispensable" . . . . Joe wants $40,000 and the Yanks offer $25,000 . . . .

Derby Field Is Reduced

LONDON, March 31—(AP)—The field for the derby at Epsom June 6 today was reduced to 69. Out of the original field of 294 entries, 115 were withdrawn at first acceptances last summer and 110 more were withdrawn today.

Sir Humphrey De Trafford's Portmarnock is the present favorite at odds of 6 to 1.

Seniors Gain Revenge By Defeating Juniors 6-4

An all-star senior Abbie team last night got revenge for a previous defeat when they turned the tables on the Junior Abbies in an exhibition game played at the Forum by a score of 6-4 in one of the most ruggedly fought encounters witnessed on Forum ice this season.

Fought at a torrid pace with bodies being used freely on both sides the seniors came from behind in the last two periods to earn their victory. Set back on their heels in the first eight minutes of the game when the seniors counted as the disc caromed past Langille off one of his mates bodies the juniors came back before the period ended to count twice and leave the ice with a 2-1 lead. But it was a different story in the middle canto a session that saw the winners shoot three goals without a return and earn their margin of victory.

Taking the offensive right from the start of the period Seniors took the play away from their younger opponents but it was not until they were playing a man short that they could beat the sensational Keith Langille in the junior cage. Pressing determinedly as Ab McKinnon rested in the coop, the losers saw the seniors break through them for two goals in a minute and 14 seconds and then add another before the period ended to take a 4-2 lead before leaving the ice. Only the sensational work of Langille saved the juniors during the session and the young netminder drew down applause time after time as he robbed attackers continually.

Juniors came back with a rush on the final frame but the best they could do was split four goals evenly during the session, a period that saw two major penalties imposed when Willie McDonald and Pud Whitlock came to blows following a scramble in front of the Juniors cage.

During the last five minutes of the game the juniors dominated the play completely but could not break through the stout resistance of the winners. Both teams were minus several of the players that had been slated to lineup but nevertheless a small crowd of fans witnessed a fast, rugged encounter.

Eight minutes from the start of the contest the Seniors received a gift goal when a hard shot from the stick of Walter Lawlor deflected into the juniors cage off the body of a defending player. Six minutes later, however, Aubin Blacquiere knotted the count at one all on an individual effort and four minutes from the end of the session Juniors took the lead when McEachern was on the scoring end of a double pass from Jimmy Roach and Tarky Whitlock.

While playing a man short Seniors wrested the lead from their opponents in the first seven minutes of the second period. Pud Whitlock tied the score for the second time in the game when he counted on an assist from Squarebriggs and Carmody at 6:28. At 7:42 Squarebriggs put the seniors into the lead again when he snared a loose puck in front of the cage to beat Langille cleanly. Enjoying a big edge the winners poured a rain of rubber at the Juniors net but the best they could do was score once more. Stan McLintick counting on another individual effort.

Levi Blacquiere's goal on a pass from Dowling at the 6 minute mark of the third session put the Juniors back into the running for a short time but when Carmody counted on a pass from Squarebriggs and Cudmore converted Lawlor's pass into another counter it ran the Seniors lead to 6-3. Tarky Whitlock cut the margin to two as he scored a beautiful goal unassisted—the best effort of the night—19 seconds after Cudmore's counter but despite close calls for both sides there was no scoring during the last ten minutes of the encounter.

Pittsburg Is Eliminated By Syracuse 5-2

(C. P. by Guardian's Special Wire)

PITTSBURGH, March 31—Syracuse Stars, third place club of the eastern division of the International-American Hockey League tonight eliminated Pittsburgh Hornets from the league playoffs with a 5-2 victory in the second game of their best two of three series.

Syracuse won the first game against the second-place Hornets last Tuesday, 3-2 in overtime. The Stars now advance against Cleveland Barons, champions of the league's western division.

The Cleveland-Syracuse tangle is Saturday night at Syracuse.

Popular Pro Arrives For Golf Season

There was a hockey game scheduled for the Forum last night but there was a lot of golf talk in the air today—Charlie Galbraith, popular Scottish professional at the Belvedere Links, arrived back in town.

The big six-foot pro, still holding his Scottish burr despite a winter's sojurn way down in the Carolinas, plans to open a golf school in the near future. His idea was to give junior players a five or six weeks course before taking them to the greens.

With the snow rapidly disappearing and frost leaving the ground, the golf club's grounds committee, with W. A. Gaudet at the helm, are preparing equipment to be used in getting the course in shape for what promises to be an active season.

Danny Paul Finally Beaten, Brother Wins

SHEFFIELD, Eng., March 31—(CP Cable)—The law of averages (and an opponent's fists) finally caught up with the Punching Pauls tonight and one of them took a licking.

While Packy Paul continued the Canadian brothers' reputation of winning all their fights in England, his brother Danny lost a 10-round decision to Harry Lister here.

Packy knocked out Jack Casey in the third round of a 10-round bout. All four are heavyweights.

Danny's loss was the first since the brothers arrived last November from Richdale, Alta. to seek fistic fame and fortune.

Their strings now stand:

Packy has seven knockouts, three technical knockouts, two decisions and two draws.

Danny has five knockouts, three technical knockouts, six decisions and one adverse decision.

LONDON, March 31 —(AP Cable)—Johnny Hoit of South Africa tonight took a decision on points over Mike Martyk, St. Catharines, Ont., in an eight-round bout here. The referee's ruling was loudly booed. Each weighed 124.
