FELL BETWEEN CARS.

NORTH SYDNEY, Sept. 21.—A sad accident occurred at McKinnon's Harbor Station this morning resulting in the death of Jim, the fourteen year old son of James Gillis of that place. The lad went to work his morning for the first time as water boy, on the I. C. R. Construction train. In passing from one car to another he slipped and fell between the cars and both legs were terribly crushed and mangled. He was brought to North Sydney on a special and his left leg was amputated in spite of the efforts of three doctors he died this afternoon.

BE QUICK.

Not a minute should be lost after a child's own symptoms of cholera infantum. The first unusual looseness of the bowels should be sufficient warning. If immediate and proper treatment is given, serious consequences will be averted. Chamberlain's Colic, Cholera and Diarrhoea Remedy is the sole reliance of thousands of mothers and by its aid they have not only saved their children's lives. Every household should have a bottle at hand. Get it today. It may save a life. For sale by all Druggists.

ATHENS, Sept. 20.—At a luncheon in honor of the officers of the British fleet, Admiral Domville, announced that the whole of the Mediterranean fleet 120 vessels would be concentrated in and around the whole of the winter in Greek waters.

THE PROPER TREATMENT FOR A SPRAINED ANKLE.

As a rule a man will feel well satisfied if he can hobble around on crutches two or three weeks after spraining his ankle, and it is usually two or three months before he has fully recovered. This is an unnecessary loss of time, for in many cases in which Chamberlain's Pain Balm has been promptly and freely applied, a complete cure has been effected in less than one week's time, and in some cases within three days. For sale by all Druggists.

OVER A MILLION.

St. Louis, Mo., Sept. 20.—Last week, for the first time in the history of the Louisiana Purchase Exposition, the attendance for the six days exceeded one million. The total record of admissions for the week, 1,007,918.

When you do not relish your food and feel dull and stupid after eating, all you need is a dose of Chamberlain's Stomach and Liver Tablets. They will make you feel like a new man and give you an appetite like a bear. For sale by all druggists.

"I've Lost Ten Pounds"

A man says, "Look at this." And he overlaps his coat to show how loose it is. There are some people who can lose fat to advantage, but the loss of flesh is one of the accepted evidences of falling health. As flesh-making processes begin in the stomach, so naturally when there is loss of flesh we look first to the stomach for the cause. And the stomach is generally found to be diseased of the stomach and digestive and nutritive tracts, resulting in loss of nutrition and consequent physical weakness. Doctor Pierce's Golden Medical Discovery restores the lost flesh by curing diseases of the stomach and other organs of digestion and nutrition and enabling the perfect digestion and assimilation of food from which flesh and strength are made.

"My wife was for five years troubled with indigestion of stomach and bowels, bloating and severe pain at times. She got very poor in flesh and I bought one bottle of Dr. Pierce's Golden Medical Discovery from our druggist and after taking it she said she felt like a new woman. Has no more trouble with stomach and bowels, and has no pain nor bloating. Has gained fifteen pounds in weight." Dr. Pierce's Pleasant Pellets cure constipation and biliousness.

When

When Paton's Brand clothing for boys, first appeared as a candidate for public favor, the makers made strong claims in support of it. They said it was better clothing than anything ever attempted, that it was finished better, fabrics even better, the tailoring more artistic, styles even in advance and many other claims.

We examined it thoroughly, put it to every test, with the result that we're now selling it—selling it because we think it good, because it will meet all claims made for it.

It's Honest Clothing in any Way you can test it.

Now, we want your opinion. Come any time, for the styles are now ready.

Prices \$1.25 to \$8.00.
