SENTNER, McLEOD & CO.

A MEETING of the Crystal Hockey Club will be held to-night in A. C. Saunders office.

The Stanley left Pictou at 10 a. m. yesterday and no doubt owing to the thick weather, did not show up of Summerside until after dark last evening when her lights were visible off Sa Cow Head. She moved quite rapidly to within a short distance of the Summerside lighthouse shortly after eight o'clock where she remained at least until the telephone office closed. The ice between that point and railway wharf is no obstacle for the steamer and it was believed last night that as a reason for not coming further the officers of the steamer considered it advisable not to enter the harbor after dark, although the range lights were burning. No doubt ere this reaches readers the Stanley will have moored at Railway Wharf, and she will likely make a trip to Cape Tormentine to-day.

AN OBSTINATE CASE OF ECZEMA

Mr. W. D. Johnson, Tilsonburg, Ont. writes that his father was entirely cured of a long standing and obstinate case of Eczema by the use of Dr. Chase's Ointment.
