MISS BLANCHE MYERS.

A SOCIETY LADY'S LETTER.

Miss Blanche Myers, 210 Penn street, Kansas City, Mo., a prominent young society woman of that place, has the following to say of Peruna:

"During each of the past four seasons I have caught a severe cold, when suddenly chilled after an evening party, and catarrh for several weeks would be the result. One bottle of Peruna cured me, and I shall not dread colds any more as I did."—BLANCHE MYERS.

HOME TREATMENT FREE.

Catarrh Cures by Thousands Under Dr. Hartman's Free Treatment. Catarrh of the nose and head produces

discharge from the nose, sneezing, and pain in the eyes and forehead, weak, and sometimes watery eyes, and occasional loss of memory.

Unless something is done to prevent the catarrh will follow the mucous mem-

brane into the lungs where it will be followed by cough, night sweats, rapid loss of flesh, and the other dread symptoms of consumption.

To all such people Dr. Hartman's treatment comes as a great boon. It is only necessary to send name and address to Dr. Hartman, Columbus, O., and complete directions for the first month's treatment will be sent free.

Not only is it more successful in curing catarrh than the treatment of catarrh specialists, but it is in the reach of every person in this land.

A medicine which is the principal part of Dr. Hartman's treatment, known as Peruna, can be bought at any drug store, and is a remedy without equal for catarrh in all forms, coughs, colds, bronchitis, consumption, and all climatic diseases of winter. Each bottle is accompanied with complete directions for use. Address The Peruna Medicine Co., of Columbus, Ohio, for a copy of their latest catarrh book, instructively illustrated, and contains 64 pages of the latest information on catarrhal diseases. Sent free to any address.

A Housewife Who Suffered 25 Years.

Mrs. Alla Schwardt, Sanborn, Minn., writes: "I have been troubled with catarrh for twenty-five years. Could not sleep day or night. After having used Peruna I can sleep and nothing bothers me now."—Mrs. Alla Schwardt.

Mrs. Jennie Cable, Spokane, Wash., writes:

"After suffering for twenty-one years with neuralgia, caused by catarrh of head, I tried all doctors and all kinds of medicine, receiving no benefit. I became discouraged and worn out at last. My mother wrote me to take Dr. Hartman's medicine, so I did, but my case was a chronic one, and I was also in the change of life. Through the use of Peruna and Manalin I am now entirely well.

"When I began taking your medicine I only weighed 61 pounds; now I weigh 110. I have not taken a drop of medicine for seven months, and would advise all sufferers to consult Dr. Hartman. The neuralgia affected my head and eyes, and for the last year seemed to be in my breast and between my shoulder blades."—Mrs. Jennie Cable.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

THE CAPITAL OF THE WEST

Latest from Summerside and Prince County.

W. H. McKis of the Bank of Nova Scotia, Moncton, was a passenger to Summerside by the Stanley on Christmas Day.

The next pleasant event of the season will be the entertainment in Market Hall on New Year's night. This promises to be one of the best, if not the best entertainment ever put on here by local talent.

The Stanley did not make a trip to Tormentine yesterday on account of the snowstorm. A start was made about one p. m., but the steamer only got a short distance when the storm became thicker than ever and the trip had to be abandoned.

There is not a spot in Our Store more continually interesting than Our Boot and Shoe department, the reason for it is in the shoes themselves. We carry a full stock of The Ames Holden Company Famous Brand. Just a little handsomer style, just a little better quality, than can be found elsewhere.—McGowan & Wright.

While the joys of Christmas tide dwell in most households, there was especial happiness in one home in Summerside on the evening of the 25th, the occasion of the marriage of Charles McKinnon of the Railway freight office here to Miss Sadie McDonald, which was solemnized at the residence of the bride's mother Mrs. Archibald McDonald. The nuptial knot was tied by Rev. W. H. Smith. The bride was attended by Miss L. Ellis, O'Leary while John Kennedy, Bradabane supported the groom. The Guardian joins in felicitations.

A few persons in Prince County still were munificently supplied with good things for Christmas. Recognizing that man cannot live by bread alone (prison fare consists of bread and water, tempered with molasses) Rev. Mr. Mellor was first to call with a great parcel of miscellaneous fruits, cakes, candy etc. Brace, McKay & Co. sent 3 lbs sugar, 2 lbs raisins (for the plum pudding), one pound tea, pound assorted candy and plugs of best brand of tobacco; others sent stuffed geese, pickles, preserves, not forgetting cranberry sauce. To all appearance Christmas at our jail was one of high class enjoyment. There is just danger that the good time may induce others to seek admittance in the regular way.

Nathan McFarlane arrived by the Stanley on Christmas Day from Sydney.

The Stanley made another good trip on Christmas Day. Leaving here on the arrival of the express train from Charlottetown shortly before eleven o'clock the return was made about 3.30 p. m. There were 14 passengers going and 17 coming. The steamer brought a large foreign mail consisting of about 70 bags.

The two most interesting passengers by the Stanley on Christmas Day were A. C. Saunders, one of our popular attorneys, and his bride, Mr. Saunders left on Saturday last for Montreal where his marriage to Miss Lella Z. Graves, formerly of Summerside and lately of Seattle, Wash., took place. The ceremony was performed in St. Martin's Episcopal Church at 11 o'clock Tuesday morning. Rev. C. Osborne Troop officiating. The bride and groom were unattended. The wedding was a quiet one, only a number of the immediate relatives and friends being present. Summerside will welcome the return of one of its fair daughters, after an absence of about four years, and Mr. and Mrs. Saunders will have the best wishes of a host of friends, with whom The Guardian joins.

There is perhaps no amusement or exercise which offers such genuine enjoyment as that of skating. Athletics, dancing, theatres and club rooms have their attractions, but skating on ice excites interest which the pleasure seekers or those looking for healthful recreation will not find in any other sport. Besides there is a fascination about skating which holds for its popularity among young and old, all classes. Open air skating on river lake or pond is by some preferred, but in well regulated rinks where, keeping time to the charming music of the band, hundreds mingle together in social recreative sport, there is real pleasure of which description fades before realization in telling of its charm, while many are content to stand and watch the swiftly gliding figure swinging to and fro in graceful curves darting in and out like swallows on the wing, or dashing straight away as arrows from a bow. In Summerside we rarely get good ice on the harbor, and even when we do the rink is always a popular resort. The opening of Crystal Rink on Christmas night brought out crowds as usual, evidencing the undying desires of particularly the younger folk for this exhilarating exercise. Our winners would be extremely dull were it not for skating which seems to have outlived tobogganing, snowshoeing, or even sleighing. The rink has opened somewhat earlier than usual, and all look forward to a long and joyous season of winter's glee. The Band is in splendid trim, which adds materially to the evenings' pleasure.

We do not want to carry any toys or fancy goods over so you can buy anything in these lines at cost. Call in and see the arrais at Taylor's Bookstore.

SAVED HER LIFE.

Dame Louis Brovost tells a Tale of Suffering and how She was Relieved. St. MacLure, Que., Dec. 22. (Special.) Too feeble to work, tortured with the pains of Rheumatism, suffering from Bright's Disease and Heart Trouble, it was little wonder that Dame Louis Brovost had almost decided to give up the struggle. But to-day she is a strong, healthy, happy woman and she always says "Dodd's Kidney Pills saved my life."

"I tried all medicines in the world and grew worse and worse," says Dame Brovost, "There was three months I stopped taking everything and made up my mind to let myself die. Then I was led to try Dodd's Kidney Pills. The good the first box did me surprised me. I am in perfect health and I am very joyful. Dodd's Kidney Pills saved my life."
