Confederation Lady Celebrates 82nd Birthday

Yesterday Mrs. A.P. Wells, "Confederation Lady" of Summerside, celebrated the 82nd anniversary of her birth when she was at home to many friends and relatives who called throughout the day and evening to extend congratulations on this notable occasion.

On July 1, 1867, the same day and year the Dominion came into being, Amanda Rayner was born in Greenmount, Prince County, to Mr. and Mrs. Silas Rayner. Mr. Rayner was one of the pioneers of the fox industry. In 1894 Mr. and Mrs. Albert P. Wells were married by Rev. Donald Crawford. They left immediately for Worcester, Mass. where they remained for twenty-five years after which they returned with their family to their native Prince and purchased the beautiful home of Mr. J. Strong Hinton, where they still reside.

During the day this gracious lady received many congratulatory letters, cards and telegrams, as well as posies and bouquets of the summer flowers, and many lovely and useful gifts. Mrs. Herzog Godkin assisted her mother in serving daily refreshments of ice cream and cake, which included a delicious fruit cake recently made by this Confederation lady. Mr. and Mrs. Ernest M. Wells motored from Brantford, Mass. to be present on this important occasion. All join in wishing this grand old lady many happy returns of the day.

Sheen and McInnis And Holmans In Four-All Draw

Sheen and McInnis and Holmans played a 4-all draw at the High School diamond on Thursday evening. Junior Cahill, sixteen year old player for the C & B boys, was a hit for five innings but weaker in the sixth and five bingles were collected off his delivery in the next two frames. Alan Stewart also pitched a fine game for Sheen & McInnis, allowing only three hits in the eight innings that Holmans batters faced him. The game, particularly in the early innings, was exceptionally well played, some very smooth fielding plays being in evidence, especially on the part of Holmans, playing short stop for Sheen & McInnis.

and Zita Silliphant served. For travelling the bride chose a champagne linen suit with green accessories and wore an orchid corsage. The bride has been on the staff of Westminster D. V. A. Hospital, London, Ont., during her overseas with the Canadian Army during World War Two. Out-of-town guests included Miss Barbara MacKay, Mrs. N.Y., Mrs. Neil Duran, Sr. Mrs. Roy Sullivan and Miss Zita Silliphant, Summerside, relatives of the bride. The happy couple will reside in Wakefield, Mass.

S'side Divides Twin Bill With Harmon Field

The Harmon Field baseball team and the Summerside Curran and Briggs nine split a twin bill on the holidays, Harmon Field shutting out the construction crew in the morning tilt, and Curran & Briggs, in their turn, applying the whitewash brush to the visitors in the evening. The score in the nightcap was 3 to 0.

In the morning contest, Morton, American flinger, held the locals to two hits and his mates played errorless ball behind him. The Curran & Briggs defence was shaky, chalking up a total of five miscues. Harmon's brilliant pick-up of a badly thrown ball from short in the sixth inning was one of the fielding features of the game and McKay for the home boys accepted seven chances flawlessly for an exceptionally fine day at short field.

Evening Game
 In the evening Alan Stewart held the husky visitors to two hits, and made eleven of them whiff the ozone for the C & B boys. Four strikes, and in the fourth was in danger of being ousted from the mound, but he settled down to pitch what was perhaps the finest game of his junior career. No hits were registered off his hooks after the fourth inning. Frankie Otway in right caught the first base on error, shore brilliantly all evening, getting four catches, one of them a particular sparkling effort. Benny Grady was the only member of both teams to get more than one out. Bernard's pivot work behind the plate in a fourth inning double play was another smart defensive chore. An entry from Forest Stewart in the morning, uniformly smooth, but they did commit two errors in the nightcap.
