A New Remedy in General Use in Manitoba and the Northwest.

Winnipeg, May 28.—The effects of the regular waves of sickness which sweep over the portion of the Dominion in the spring are noticeable in the increasing amount of the druggists' sales. There has been quite a run on the kidney remedy now so well under the name of Dodd's Kidney Pills. The recovery from Bright's Disease of Mr. Arthur Coley, of Somerset, through their use, an account of which appeared in the papers, gave a considerable impetus to the sale, and the remedy has become indispensable in many Manitoba households, its fame having penetrated into the remotest parts of the province and Northwest Territories.

On Tuesday evening Miss Edith Hill who has been organist of St. Paul's congregation for nearly eight years and who has resigned, was waited upon and presented with the following address, accompanied by a substantial purse:

ST. PAUL'S CHURCH,  
Charlottetown, May 29th.

DEAR MISS HILL.—As you are about leaving us to rejoin your family and enter on a new and larger field of labor in the United States, we think it but right to say to you a few kind words at parting.

Having received a musical education in the Mother Country, England, you came to us nearly eight years ago, and we have now much pleasure in certifying to your ability as an organist in our church, throughout this period and particularly during the last four years, since our congregation moved to the new and handsome stone church. Your rendering of the chants and hymns of our beautiful service deserves much praise and we have no doubt that if you should be appointed to take charge of an organ having the latest improvements and conveniences you will be enabled thereby to give still better satisfaction to your employers.

We are also glad to be able to state that your relations with the choir and congregation have at all times been most harmonious. It is to your credit that you have freely and voluntarily assisted the church by getting up and conducting concerts in its behalf and in other ways giving us the value of your musical talent, both as an accomplished Pianist as well as a competent organist.

As a slight token of our goodwill and respect for your character, held by St. Paul's church, we beg your acceptance of the accompanying purse and in wishing you God speed wherever your lot may be cast in the future, we feel that we voice not only our own sentiments but those of every member of the congregation.
