NO PLACE LIKE HOME AGREES J.K. McINNIS

REGINA, March 28. - "After my three months' sojourn in the States, I have returned to Canada with this opinion: That from the comparisons I have been able to make, I have supreme confidence in this country, and especially this province, that raises No. 1 hard wheat, grass fed steers and hogs, and I am of opinion that what little holdings old J. K. McInnis may have in this country are worth more than he thought they were."

Practical Fashion Hints

The house dress is quite as important as the afternoon or evening gown perhaps more depends upon its suitability.

No. 8004 is a design that is greatly favored for its simplicity and good lines. It may be made up in gingham, linen, percale, madras or any of the suitable wash materials, and as a touch of contrast the trimming bands may be of a plain gingham if the dress is plain, or of a plain material if the dress is checked.

The blouse closes on the left side may be made with a square or round neck and may have either a long or three-quarter sleeve; the skirt is a serged design and you have a choice of a "habit" back or an inverted "box" pleat.

This dress requires in size 36 4/7 yards of 38 inch material. The pattern is cut in 7 sizes; 34 to 46. This is a Perfect Pattern. Be sure to state right size, measuring over the fullest part of the bust for dimensions.

It may be obtained by filling out the coupon and enclosing 15 cents in stamps or coin to the Pattern Department of this paper.

COUPON form with fields for Name, Street and No., City and State, Pattern No., and Size.

TORTURED WITH RHEUMATISM

Could Not Walk Until "Fruit-a-tives" Completely Cured Him

CHATHAM, ONT., April 3rd, 1913. "I am a veteran of the Crimean War and the Indian Mutiny, volunteering from the Royal Artillery into the Royal Engineers, and served under Lord Roberts during the Indian Mutiny, and am a pensioner of the British Government. Pierce and his family left me a great sufferer from rheumatism, so much so that my legs were swollen and it was impossible for me to walk. My bowels were so constipated that I only had one passage a week until I got to using 'Fruit-a-tives'. They cured me of both the Rheumatism and Constipation. In my regular employment, I walk thirty miles a day and enjoy perfect health. You are at perfect liberty to publish this letter if it will be advantageous to 'Fruit-a-tives'."

MANY REFUGEES FROM MEXICO.

Speaking of the situation in Mexico, he said, "There are not hundreds, but themselves of refugees who have fled over the borders into the United States from Mexico, and they are housed there, if you may call it so, in tents. Of course, in that warm country a tent provides houses enough."

"We travelled coastwise up the Pacific coast to Canada to see if there was not a place where our Canadians could go to escape the winters," he continued. "And I have found one that I am convinced will do. It is the city of Victoria, B. C. It's a lovely place with a good climate and lovely scenery."

SASKATCHEWAN BEST OF ALL. "But I am a farmer and this province is the one for me," he concluded. "I am satisfied that there is none else like it."
