LOWLY FRANKFURTERS PUT ON THE DOG

There will be two new ways of cooking "hot dogs" and the ever-popular hamburger this year.

Frankfurter Quails—Split frankfurts lenthwise. Fill with one-fourth inch stick of sharp cheese, (Savoury dressing pineapple or pickle may be used for variety). Wrap each frankfurt, spiral fashion, with a whole slice of bacon, fastening each end with a toothpick.

Place in a baking dish or on a broiling rack, split side up. Bake or broil in a hot oven (425 deg. F.) Turn if necessary to cook the bacon thoroughly.

Bacon Hamburger: Wrap 2-inch wide patties of hamburger with a slice of bacon. Broil. Top with slice of broiled mild white onion. For buffet parties, serve with crisp buns.

King Stresses International Situation

(By The Canadian Press)

OTTAWA, March 1—Prime Minister Mackenzie King bluntly warned Parliament it might soon be called upon to discuss more important questions than any referred to so far, as he pointed to a critical international situation.

He did so in an appeal to members of the House to get along with the business before them and also to avoid making statements which might be misinterpreted in other countries or might create unnecessary suspicion concerning the national defence department.

"I think all of us," he said, "would be well advised to get along with the business of this parliament as rapidly as we can because we may at any moment be called upon to consider questions larger than any we have discussed thus far. I pray it will not come but who can say it will not in the light of the knowledge that every man has who reads the daily press from day to day or from hour to hour?"

Contract For Shells

The Prime Minister's warning came in the second debate on the session on defence contracts. Grant MacNeil (C.C.F. Vancouver North) had moved that a contract for shells awarded on a cost plus basis to Montreal Construction, Supply & Equipment Company, Limited, be referred to the Public Accounts Committee. Following an earlier debate the House adopted another MacNeil motion to refer the Bren gun contract with John Inglis Co. Limited to the same committee.

At a time when certain people in Canada were seeking to undermine democratic institutions and in the light of the international situation, it was surely undesirable to raise any unnecessary suspicion concerning any government department, especially the department of national defence.

Favored Contract

Mr. MacNeil alleged the shell contract was an instance of a favored contractor being singled out for some government business without competitive tenders. He charged the company which received the contract was not equipped to make shells.

In reply Defence Minister MacKenzie reminded the House he had expressed a desire last session to have all defence contracts reviewed by the committee. He accepted the motion for the government and explained the contract was an educational order to determine what private industry could do in the way of producing shells in an emergency when it might be necessary to harness all plants to war production.

Conservative Leader Manion said the Minister's speech answered some of the criticism advanced by Mr. MacNeil but the latter had performed a public service in bringing the contract to the notice of Parliament and moving for an inquiry.

FRENCH RIVER AND VICINITY

The Misses Hazel Meek and Annie Coles of Spring Brook were recent visitors to Kensington.

Miss Doris Sims has returned to Kensington to resume her duties in the Beauty Parlor after spending the weekend with her parents in French River.

The many friends of Mr. Hillard Meek, Spring Brook are glad to see him out again after being confined to his home.

Mrs. Foster Dunning and son Keith have returned home after spending a week in French River with her parents, Mr. and Mrs. Samuel Bernard.

Miss Rebecca Orr, Spring Brook, has returned home after spending the past five weeks in Charlottetown. While there she attended the Notre Dame Academy, where she has been a successful student in music and art.

Will Guard British China Interests

LONDON, March 1—(CP)—The British Government intends to continue to do all it can to secure British trade and shipping in the Japanese-occupied areas of China from discrimination in favor of Japanese or other interests, the Earl of Plymouth, under-secretary for foreign affairs, told the House of Lords tonight.

Lord Plymouth was replying to a speech by Lord Strabolgi, chief whip of the Labor opposition, concerning the British Government's attitude toward Japanese threats to British interests in Hong Kong, with special reference to the implications of the recent seizure of Hainan Island by Japan.

"It cannot be said that there are any really important British interests on that Island," Lord Plymouth said.

IS RELEASED AT HALIFAX

Girl Stowaway Boarded Liner On A Dare.

HALIFAX, March 1—(CP)—Released from detention by Canadian Immigration authorities, plump Loretta Eccleston of Hamilton, Ont., who travelled to England as a stowaway in the Queen Mary and was sent back to Aurania, went sightseeing in Halifax today. She will leave for home by train tomorrow morning.

"I am going to try and acclimatize myself to Hamilton surroundings once more after seeing how the other half of the world lives," said the pretty 20-year-old girl after immigration authorities released her. She had been detained following her arrival yesterday because she had no passport or other identification.

Miss Eccleston said she boarded the Queen Mary on a dare while seeing some friends off at New York She made no attempt to hide but was discovered by a steward in one of the ship's lounges.

The daughter of A E. Eccleston, Hamilton grocer, said it was "wonderful" in the Queen Mary but she had spent two days in the ship's hospital with seasickness.

In England, she had some Canadian people come to see her in detention quarters and "received 17 fan letters." None of the writers proposed marriage but, she said, some made good hints in that direction.

and placed orders for 1,400,0000 special "toy" gas masks for babies and 1,300,000 masks for older children.

It has brought 127,000,000 sand bags and ordered an additional 200,000,000 from India for delivery within the next three months.

Orders have been placed for a reserve supply of transformers and switch gear to maintain electrical equipment damaged in war.

Lord Portal has accepted chairmanship of a committee to establish "crisis evacuation camps in England and Wales."

Army estimates of $805,665,000 for the 1939-40 fiscal year were laid before the House as the greatest defence program in Great Britain's peacetime history continued to unfold.

The estimates sent the annual budget past the $5,000,000,000 mark for the first time since the Great War.

The army estimates would increase the Empire's armed manpower to 563,700. Regular and territorial Army increases add 79,857 to last year's total and the home army would be 15,700 men greater.

NOVA SCOTIA

wished to operate a mine in the coal town of Thorburn. The Opposition Leader said no response had been received in answer to pleas for a new operation in the town where Acadia Coal Company had closed its mine last fall. The mine had been a source of livelihood for more than 1,200 people.

It was "too late now" to name them, Mr. Black said.

"The statement was not a fact and he is not man enough to withdraw it," Mr. MacQuarrie said. The Opposition Leader replied his statement was "absolutely true."

Debate broke out between the Premier and Mr. Black when the Conservative Leader referred to the relief work scheme for assisting fishermen who suffered through winter storms. "The Premier and his government wanted the kudos of administering monies due and payable to the fishermen of this province."

The Premier denied the Federal Fisheries Department had "contributed a cent for work on the highways," and demanded to know how the provincial government "interfered" with the Federal Government's scheme of assistance.

Mr. Black said he had been told fishermen, "poorly fed," had been put to work on the highways of the province in the middle of the winter. He suggested the provincial government had "thrown a monkey wrench into the machinery."

GOOD COOK HAS GENTLE TOUCH

This is how ambitious young cooks in Scout training were given a demonstration on pie making, by an expert: An New York observer writes:

Gently, lightly, she worked fat into flour. She used her quick finger tips. She lifted the flour from the bowel as she rubbed in the fat letting it collect air as it fell back. "The light touch, that's the trick."

"There is nothing that does not shrink from a heavy hand, nothing that does not curl up and die under it, whether that thing is a flower or a pie crust. When women talk of being a born cook, they mean a woman whose touch is light and gentle, a woman who uses her fingers as an actress uses her voice to coax, persuade and conquer. The touch can be acquried."

Government Extravagance Scored In N. B.

(By The Canadian Press)

FREDERICTON, March 1—Criticism of radio addresses given last year by provincial cabinet ministers under the title "Your Government Speaks" was made in the New Brunswick Legislature today by Robert McAllister (Con., St. John County), speaking in the budget debate.

He asserted that the addresses were devoted to party propaganda, that they failed to give an accounting of the stewardship of the administration and that the government should have taken the people into its confidence.

Attorney-General McNair interrupted Mr. McAllister when the latter said he had no doubt that the radio series was paid for with public monies.

Ensuing crossfire drew from Mr. McNair a denial that the bill for the programs had been footed by the taxpayers.

Financial critic for the opposition in absence of A. C. Smith (Con., Saint John County), who is ill, Mr. McAllister charged the administration with extravagance and said that in comparison the previous government had been "just a piker" when it came to spending.

"It is quite obvious that the amount paid into sinking funds bears a direct relation to the surplus or deficit on current account", he stated, claiming the average annual deposit in sinking fund by the Dysart Government has been only $323.924, while that of the former government was $434,436.

Old Political Parties Damned By Mr. Herridge

OTTAWA, March 1—(CP)—A New Democracy movement which will seek to organize a committee in every federal constituency to endorse reform candidates and rally the progressive vote in the next general election was announced here tonight by Hon. W. D. Herridge, Ottawa lawyer and former Canadian Minister to Washington.

Speaking in the Little Theatre at a meeting called by a local forum committee which has "demanded to know what I would do to get prosperity," Mr. Herridge said the first big job of the movement will be to turn out the old political parties. Liberal and Conservative, and elect a people's parliament. "Political reform comes before economic reform. Just now our job is political reform."

Mr. Herridge, had hinted in previous speeches that a new political movement was being launched. He is expected to follow up tonight's announcement with an extensive speaking tour.

Declaring that the Liberal and Conservative parties were on the side of reaction, he said the Canadian people will have to decide between the old parties and democracy.

"For if the old parties are left in control of Parliament I believe they will unite. After the next election or perhaps before the Liberal and Conservative parties will become one party. Its government in name will be a National Government. In fact it will be a Fascist Government."

The coming election is the last opportunity Canadians will have to obtain security with freedom, he said. He meant to give the New Democracy movement his best. "I will make it the purpose of my life," he appealed to Canadians, "who are not afraid." to join him.

Contending this was a movement springing from the people, he said it would be impossible for any individual to call this new democracy into being. "Only our national need and our national opportunity can do that. Only the consciousness of the shameful difference between what we have and what we should have can do that. Only the knowledge that at last we can have prosperity can do that. And believe me they have done it. The majority mind in Canada is determined upon economic change."

The New Democracy platform will be built around the resolution which Mr. Herridge unsuccessfully sought to have the National Conservative convention adopt last July.

It was a pledge "to undertake whatever economic and monetary reforms may be required to stabilize production upon its maximum level and to raise purchasing power to that level, recognizing that such reforms will involve a measure of Government planning and control of the economic and monetary systems and the support of all vital elements in an efficient economic system such as collective bargaining, cooperative buying and selling, establishment of minimum prices and wages, control of monopolies, regulation of bank and mortgage rates."

Annual Meeting Abegweit Chapter Of The I. O. D. E.

The annual meeting of the Abegweit Chapter of the I. O. D. E. was held at the home of the Regent Miss Mary Hunt, on Tuesday afternoon. There was a very large attendance. After the business had been conducted tea was served, in the dining room, Mrs. S. G. Merriam presided over the tea cups.

Miss Hunt was re-elected Regent by acclamation. 1st vice president, Miss Wanda Wyatt; 2nd. vice president, Mrs. Arthur Allen; secretary Mrs. J. S. Perry; treasurer, Mrs. Eric MacKay; councillors, Mrs. S. G. Merriam, Mrs. J. Wilfred Leckey Mrs. F. J. E. Wright, Mrs. R. F. Pardine, Mrs. George Sheen, Mrs. Mussen.

Convenors of committees: Child Welfare, Miss Green; Empire Study Miss Gladys Holman; Endowment Fund, Mrs. T. M. Linkletter, War Memorial, Mrs. Sonneman; Educational, Miss Georgie MacLean, Flower and Cards, Miss Carrie Holman, Echo Secretary, Miss Ramsay; Standard Bearer, Mrs. Reginald Pope.

Regents Address

Miss Hunt in a few remarks expressed her pleasure at having so many present at the annual meeting. A good deal of business has been done during the year which is very satisfactory. The year just closed has been one of great tension and uncertainty to every British subject. It is a great satisfaction that we as members of the I. O. D. E. are organized to render prompt and united service should it be necessary.

Miss Hunt expressed her thanks to the members that they have met the pledges and obligations of the Chapter, cheerfully and efficiently. It is increasingly difficult to raise money but the needs of the society have been met. The milk fund for the under privileged children is the main work and the Chapter is very grateful to Miss Ross and the High School children in co-operation in this work. Miss Hunt referred to the great loss the Chapter has had in the passing of their Hon. Regent, the late Mrs. R. T. Holman, whose great interest and helpful support was an inspiration to all. Her memory will long be cherished by every member. Much thanks is due to the Royal Edward Chapter for assistance and support. In conclusion Miss Hunt extended thanks to Mr. Harold Gaudet for the I. O. D. E. picture; and also to the press for their interest in publishing the meetings.

Miss Hunt looked forward to greater activities this year and felt sure that the new officers would do their part as their predecessors had done, whose splendid work was a great encouragement to her.

Secretary's Report

Mrs. J. S. Perry gave a splendid report of the years activities. In her opening remarks she referred to the great unrest in the world at the present time; the tremendous efforts of Mr. Chamberlain and others to prevent war, and to whom we should all be truly grateful. If war should come, however, we must be prepared. It is the wish of the national chapter that an emergency committee be appointed, should it be necessary for the registration of members to render immediate service to the Empire.

Mrs. Perry also referred to the stand the National Chapter had taken on the Union Jack remaining the national flag of Canada as a bond of union between Canada and the Mother and, and that this chapter strongly endorses this resolution.

Mrs. Perry expressed satisfaction with the efforts of the Chapter in caring for the school children in need of help in supplying milk; also the contribution to the Dental Clinic; and the Community Chest. The chapter has been fortunate in being able to raise funds for the various needs. Through the kindness of Mr. Harold Gaudet considerable money was raised by the special picture; the rummage sale also contributed a considerable sum; There were also donations from friends which were gratefully received.

Quebec's Padlock Law Is Criticized

MONTREAL, March 1—(CP)—The Province of Quebec's Padlock Law "seems so flagrant a violation of all British legal and other traditions as to stand self-condemned" John Bird, editor of the Winnipeg Tribune told the Canadian Club here today.

Mr. Bird, a former resident of Quebec and one-time associate editor of the Montreal Star, said the padlock law made it difficult for him to present Quebec in a sympathetic light to other Provinces.

At the same time he warned that economic distress had been delivering strong blows against Confederation in the past eight years and reminded his audience that "in sectionalism may lie national death."

"When it comes to a thing like the Quebec Padlock Law consider how difficult you make it for us to interpret Quebec sympathetically," he said.

Indian River In Finals Ousting Silver Wings, Last Year Champions 4-3

The Indian River Rovers, sparked by Bob Craig, played heads up hockey to win the hard fought, fast, and evenly contested game from the Kensington Silver Wings by the score of 4-3 in Kensington rink, before upwards of 200 wildly cheering fans on Tuesday night.

In the opening period play seesawed back and forth with the Rovers probably dominating the play at times. There was only one really close call and that was towards the end of the frame when Pat Hughes carried down centre ice to slip a perfect pass to the ace left winger Ben Champion who coasted right in on McDonald but the same McDonald, who played "stand-out" hockey all night, had the "no admittance" sign out and the result of the first frame was "no hits, no runs, no errors."

Play in the second canto livened up and the players mixed it up with a will. When the smoke cleared at 9:54 three players journeyed to the penalty timers to sit out major penalties.

Indian River with two men short scored two quick goals, one by D. Ramsay from a mix-up in front of the Wings net and one by A. Bernard who broke clear from a "gang" attack by the Wings, to coast in on Watts and register number two for the Rovers.

In the third period, which produced the best hockey of the game, the Wings came to life and Waite scored the nicest goal of the game from Ben Champion at 4:47. About midway through the frame B. Craig put the Rovers two up again when he took Rogers' pass to beat Watts cleanly. E. Braham, who played a sweet game, revived the Wings hopes again when he scored a nice one from a seemingly impossible angle deep in the corner.

Bob Craig squelched their hopes by scoring five seconds later when he took the puck from the face off and went right in on Watts.

At 16:08 E. Braham took Dan Whitlock's pass from the corner and scored what proved to be the third and last goal of the game for the Wings.

At 18:21 the same Braham scored a fourth goal for the Wings but the referees ruled that one of the Wings' players was in the Rovers goal crease and disallowed what would have been the tying marker.

Lineups.—

Silver Wings: Goal, Watts; defence, E. Braham, Taylor; forwards, Waite, Hughes, C. Glydon, L. Glydon, B. Champion, D. Whitlock.

Indian River: Goal, T. McDonald; defence, Crozier, A. Bernard; forwards, B. Craig, D. Ramsay, "Doc" Gillis, E. Craig, H. Mann, L. Rogers, R. Easter.

Referees: Ian Darrach, A. Larkin.

SUMMARY

First Period

No scoring.
Penalties: None.

Second Period

1. Indian River, D. Ramsay.
2. Indian River, A. Bernard.

Penalties: L. Rogers, P. Hughes, B. Craig, all majors.

Third Period

3. Silver Wings, Waite (Champion.
4. Indian River, B. Craig (Rogers).
5. Silver Wings, Braham.
6. Indian River, B. Craig.
7. Silver Wings, Braham (Whitlock).

Penalties: None.

NOTES

The first star of the game goes to T. McDonald. Rovers' goalie who was a stonewall time and again and certainly deserves a lot of credit for the win.

No. 2 star goes to E. Brahams of the Wings who played a nice game on defence and right wing and who scored two of his teams three goals.

The third star goes to Taylor of the Wings who played a good defensive game and, although he didn't figure in the scoring, was dangerous on every rush.

Simmerings Around The Sport Front

NEW YORK, March 1—Manhattan hockey scriveners are denying themselves food and drink these days....They are in training for the dinner Frank Calder, National Hockey League President, throws here March 16 when William MacBeth Trophy will be presented New York Rangers as winners over New York Americans in the 1938-39 intra-city series.

Calder was guest of the writers at a dinner preceding last night's Americans-Toronto game....President Bill Grant of the American Hockey Association, also a guest, congratulated Calder on his healthy appearance and commented "You must be having a soft season".... Replieth the sage, H. Prexy: "One of my great hardships is looking so healthy."

Connie Smythe, the N.H.L.'s leading jokesmith, viewing the fact Boston Bruins and Rangers seem destined to hook up in the league championship playoffs, chortled: "When that series is over one of hockey's great master-minds will be sitting on the sidelines for the rest of the Stanley Cup playdowns....that almost breaks my heart."

It looks now as though Captain Art Coulter will play with the Rangers this week after all.... Though not fully recovered from intestinal grippe, he skated with the team today and likely will help Lester Patrick's men against Chicago tomorrow night.... Hooley Smith helped himself to a $250 bonus last night when he assisted Lorne Carr score for Americans against Toronto....It brought the Hooligan up to his contractual bonus figure of 14 points for the season.

Negotiations are underway for a fight between Montreal's Maxie Berger, Canadian lightweight ruler, and Tippy Larkin of New Jersey ...Max Schmeling sailed for home tonight but says he'll return to fight the winner of the May bout between Max Baer and Lou Nova.

Fight Manager Joe Gould is recouping some of those dollars he and Jimmy Braddock sank in the restaurant biz by playing the bangtails at Hialeah Park...Joe is several thousand potatoes ahead, or so he reports back to the boys on Broadway....Joe also adds that he and Braddock have a 20 per cent interest in all heavyweight fights Mike Jacobs promotes....Bill Stewart, one-time chief of Chicago Black Hawks is another Hialeah horse player.
