DETROIT HOLDS SLIM MARGIN OVER INDIANS

"Schoolboy" Rowe Hurls Tigers To Win Over Yanks; Cleveland Whips Sox 8-1

NEW YORK, Sept. 12.—(AP)—Baseball's grandest pitching come back this year continued at Detroit today when Lyndon (schoolboy) Rowe hurled the American League's first-place Tigers to a 6-3 victory over New York Yankees.

The triumph, 11th of the season for Rowe, enabled the Tigers to stay three percentage points and a half-game up on Boston Red Sox.

A Yankee nemesis in his prime, Rowe lacked the speed of the Tigers' pennant-winning years of 1934 and 1935, but he used what stuff he did have to remarkable advantage.

In winning the seventh game in their last eight starts, the Tigers benefited from four unearned runs scored in the eighth inning.

Hurling Masterpiece At Cleveland, veteran Mel Harder flung a three-hit pitching masterpiece at the falling Boston Red Sox for an 8-1 triumph that kept the Yankees a half-game behind league-leading Detroit.

The big-hungry Indians found the Red Sox pitching to their liking, and Emerson Dickman for a fourth-inning outburst which produced seven runs.

Sox Climb Up At Chicago the White Sox climbed into a fourth-place tie in the league with Boston, by sweeping a doubleheader from Philadelphia Athletics 1-0 and 4-0.

Bill Dietrich's four-hit pitching gave Chicago the opener, while Ken Silvers' pinch home run with one out in the ninth inning snared the second.

Washington Senators are sure to leave St. Louis still in sixth place in the American League.

The Browns, needing a clean sweep of the three-game St. Louis series to overtake the Senators, missed their opportunity by dropping the opener 7-2 bowing to Arnold Anderson's 8-2-2 pitching.

Pennant Races At A Glance (By The Associated Press) Detroit slowed up the rush of New York Yankees yesterday and proved once again that the Tigers are going to be hard to keep away from the American League pennant.

In the National League Cincinnati Reds won their only game and the second place Brooklyn Dodgers swept a doubleheader.

N.H.L. And C.A.H.A. Come To Agreement Over Long-standing Difference

NEW YORK, Sept. 12.—(CP)—The National Hockey League and the Canadian Amateur Hockey Association, whose views have crossed more than once over the processes of amateurs becoming professionals, reached a tentative agreement today under which the N.H.L. will pay up to \$500 for signing a non-union player.

At a long meeting of the N.H.L. governors, today attended for a while by Dr. W. G. Hardy of Edmonton, past president of the C.A.H.A. and president of the international hockey association, the N.H.L. agreed to pay \$250 to the I.H.A. for signing an amateur and another \$250 if the amateur plays with a big-league club.

The second payment will be made when the amateur actually gets into the N.H.L., not if he is sent to a major-league farm.

A schedule satisfactory to all seven clubs could not be found among the seven already submitted by president Frank Calder but he announced the season will open Nov. 2 with New York Rangers at Toronto. This is the earliest opening in the N.H.L.'s history.

"Oh? And what is his name?" "I don't know, ma'am, but he is Constable 964."

Defending Amateur Golf Champion Goes Down To Defeat Before Billows

MAMARONECK, N.Y., Sept. 12.—(AP)—Ray Billows, a year ago little more than a punching bag for the National Amateur Golf champions, unlooked a knockout blow of his own today.

Matched with titleholder Marvin (Elli) Ward in the quarter final round of the 44th annual championship the Poughkeepsie, N.Y., printer had his man four down in the first

six holes, and clunk to that margin to ship the Spokane ace to the sidelines 4 and 3.

It was ample revenge for Ray's hands-3 routing by Ward in the 1939 final at Chicago and the deliberate New Yorker into tomorrow's 36-hole semi-finals against William B. (Duff) McCullough, Jr., of Philadelphia.

While Ray was scoring what he labeled victory for the law of averages, McCullough, 32-year-old darkhorse, who is a tough match player if no sensational mental scorer, lanky Johnny Walker, the lawyer from Cincinnati, who won in 1938, in the morning's third round, McCullough disposed of another champion, Willie Turnesa by 3 and 2.

In the winner's half of the draw, Wilford Wehrle of Chicago, and medalist Dick Chapman, of wheel foot were turning in the low-scoring rounds. Chapman was six under par for 29 holes and Wehrle two under for the same distance as they won their matches by the same scores: 5 and 4 for Wehrle over Tom Sheehan, and Chapman over Maurice McCarthy, Jr., in the morning; 6 and 3 for Wehrle over 31-year-old George Dawson, and Chapman over metropolitan champion Johnny Burke in the afternoon.

Giants Are Mathematically Out Of Race

NEW YORK, Sept. 12.—(AP)—Cincinnati Reds, cruising smoothly toward another National League pennant, overpowered New York Giants 9-4 today, and eliminated them mathematically from the championship contention.

Gene Thompson pitched shut-out ball for the first eight innings and managed to outlast a New York rally in the ninth when the Giant scored all their runs on five hits, one of them Mel Ott's 15th home run of the year.

It was French's 13th victory of the season and the Phil's fourth consecutive loss.

Cards Beaten Twice At Boston the Bees unleashed their heaviest batting punch of the season and broke a four-game losing streak by sweeping a doubleheader from St. Louis Cardinals, 17-7 and 6-1.

The Bees slugged five Cardinals' pitchers for a total of 36 hits for 42 bases during the double bill, and in the opening slug-fest they batted around in four innings.

At Philadelphia, Southpaw Larry French set the Phils down with five hits as the National League tail-enders dropped a 5-1 decision to Chicago Cubs.

It was French's 13th victory of the season and the Phil's fourth consecutive loss.
